Re: Contract Extension Bid No. 74-04; Turnkey Public Access Phone Services; Extension Agreement by and between Global Tel*Link Corporation and Snohomish County.

Dear Mr. Wolfe:

This letter extension agreement ("Extension Agreement"), by and between Global Tel*Link Corporation ("GTL") as assignee and successor-in-interest to that certain Contract No. 74-04 entered into by AT&T Communications, Inc., and Snohomish County, extends that Contract No. 74-04 in accordance with the terms and conditions herein.

The Extension Agreement will extend the Contract No. 74-04 for an additional three (3) year term commencing on November 24, 2007.

At the beginning of the extended contract term GTL will begin the replacement of the current inmate telephone service platform with GTL's LazerNet platform, and replace the current billing system with the billing system administered by GTL, to include the Advance Pay option. These modifications will be at no additional cost to Snohomish County.

Except as set forth above, there is no other revision or amendment to Contract No. 74-04 or the obligations of GTL or Snohomish County, and Contract No. 74-04 including all terms and conditions remain in full force and effect.
