AGREEMENT

This Agreement is made and entered into by and between the County of Cook, a public body corporate of the State of Illinois, on behalf of Office of the Chief Procurement Officer hereinafter referred to as “County” and EdoVo, hereinafter referred to as “Consultant”, pursuant to authorization by the Cook County Board of Commissioners on January 24, 2019, as evidenced by Board Authorization letter attached hereto as Exhibit “6”.

BACKGROUND

The County of Cook issued a Request for Proposals “RFP” for Corrections Communication System. Proposals were evaluated in accordance with the evaluation criteria published in the RFP. The Consultant was selected based on the proposal submitted and evaluated by the County representatives.

Consultant represents that it has the professional experience and expertise to provide the necessary services and further warrants that it is ready, willing and able to perform in accordance with the terms and conditions as set forth in this Agreement.

NOW, THEREFORE, the County and Consultant agree as follows:

Any Additional Services requested by the Using Agency require the approval of the Chief Procurement Officer in a written amendment to this Agreement before Consultant is obligated to perform those Additional Services and before the County becomes obligated to pay for those Additional Services.
"Agreement" means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

"Chief Procurement Officer" means the Chief Procurement Officer for the County of Cook and any representative duly authorized in writing to act on his behalf.

"Services" means, collectively, the services, duties and responsibilities described in Article 3 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

"Subcontractor" or “Subconsultant” means any person or entity with whom Consultant contracts to provide any part of the Services, of any tier, suppliers and materials providers, whether or not in privity with Consultant.

"Using Agency" shall mean the department of agency within Cook County including elected officials.

b) Interpretation

i) The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

ii) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

iii) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

iv) Any headings preceding the text of the Articles and Sections of this Agreement, and any tables of contents or marginal notes appended to it are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

v) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

- Exhibit 8  Identification of Sub-Contractor/Supplier-Sub-Consultant Form
- Exhibit 9  Economic Disclosure Statement

**ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONSULTANT**

a) **Statement of Work**

This description of Services is intended to be general in nature and is neither a complete description of Consultant's Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Consultant must provide include, but are not limited to, those described in Exhibit 1, Statement of Work and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) **Deliverables**

In carrying out its Services, Consultant must prepare or provide to the County various Deliverables. "Deliverables" include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and
partial or incomplete Deliverables in no way relieve Consultant of its commitments under this Agreement.

c) **Standard of Performance**

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary.

Consultant must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Consultant or its Subconsultants or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County’s rights against Consultant either under this Agreement, at law or in equity.

d) **Personnel**

i) **Adequate Staffing**

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.
ii) **Key Personnel**

Consultant must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. *"Key Personnel"* means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). Upon that notice Consultant must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Statement of Work.

iii) **Salaries and Wages**

Consultant and Subconsultants must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) **Minority and Women Owned Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director, which are set forth in Exhibit 7. ARTICLE 4) TERM OF PERFORMANCE

a) Term of Performance

This Agreement takes effect when approved by the Cook County Board and its term shall begin on **February 1, 2019** ("Effective Date") and continue until **January 31, 2026** or until this Agreement is terminated in accordance with its terms, whichever occurs first.

b) Timeliness of Performance

i) Consultant must provide the Services and Deliverables within the term and within the time limits required under this Agreement, pursuant to the provisions of Section 4.a and Exhibit 1. Further, Consultant acknowledges that **TIME IS OF THE ESSENCE** and that the failure of Consultant to comply with the time limits described in this Section 4.b may result in economic or other losses to the County.

ii) Neither Consultant nor Consultant's agents, employees nor Subcontractors are entitled to any damages from the County, nor is any party entitled to be reimbursed by the County, for damages, charges or other losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the Services, whether or not caused by the County.

c) Agreement Extension Option

The Chief Procurement Officer may at any time before this Agreement expires elect to renew this Agreement for one (1) additional two-year periods under the same terms and conditions as this original Agreement, except as provided otherwise in this Agreement, by notice in writing to Consultant. After notification by the Chief Procurement Officer, this Agreement must be modified to reflect the time extension in accordance with the provisions of Section 10.c.

ARTICLE 5) COMPENSATION

a) Basis of Payment

The County will pay Consultant according to the Schedule of Compensation in the attached Exhibit 2 for the successful completion of services.
b) **Method of Payment**

All invoices submitted by the Consultant shall be in accordance with the cost provisions contained in the Agreement and shall contain a detailed description of the Deliverables, including the quantity of the Deliverables, for which payment is requested. All invoices for services shall include itemized entries indicating the date or time period in which the services were provided, the amount of time spent performing the services, and a detailed description of the services provided during the period of the invoice. All invoices shall reflect the amounts invoiced by and the amounts paid to the Consultant as of the date of the invoice. Invoices for new charges shall not include “past due” amounts, if any, which amounts must be set forth on a separate invoice. Consultant shall not be entitled to invoice the County for any late fees or other penalties.

In accordance with Section 34-177 of the Cook County Procurement Code, the County shall have a right to set off and subtract from any invoice(s) or Contract price, a sum equal to any fines and penalties, including interest, for any tax or fee delinquency and any debt or obligation owed by the Consultant to the County.

The Consultant acknowledges its duty to ensure the accuracy of all invoices submitted to the County for payment. By submitting the invoices, the Consultant certifies that all itemized entries set forth in the invoices are true and correct. The Consultant acknowledges that by submitting the invoices, it certifies that it has delivered the Deliverables, i.e., the goods, supplies, services or equipment set forth in the Agreement to the Using Agency, or that it has properly performed the services set forth in the Agreement. The invoice must also reflect the dates and amount of time expended in the provision of services under the Agreement. The Consultant acknowledges that any inaccurate statements or negligent or intentional misrepresentations in the invoices shall result in the County exercising all remedies available to it in law and equity including, but not limited to, a delay in payment or non-payment to the Consultant, and reporting the matter to the Cook County Office of the Independent Inspector General.

When a Consultant receives any payment from the County for any supplies, equipment, goods, or services, it has provided to the County pursuant to its Agreement, the Consultant must make payment to its Subcontractors within 15 days after receipt of payment from the County, provided that such Subcontractor has satisfactorily provided the supplies, equipment, goods or services in accordance with the Contract and provided the Consultant with all of the documents and information required of the Consultant. The Consultant may delay or postpone payment to a Subcontractor when the Subcontractor’s supplies, equipment, goods, or services do not comply with the requirements of the Contract, the Consultant is acting in good faith, and not in retaliation for a Subcontractor exercising legal or contractual rights.

c) **Funding**

The source of funds for payments under this Agreement is identified in Exhibit 2, Schedule of Compensation. Payments under this Agreement must not exceed the dollar amount shown in Exhibit 2 without a written amendment in accordance with Section 10.c.
d) **Non-Appropriation**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the County for payments to be made under this Agreement, then the County will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period in which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant. No payments will be made or due to Consultant and under this Agreement beyond those amounts appropriated and budgeted by the County to fund payments under this Agreement.

e) **Taxes**

Federal Excise Tax does not apply to materials purchased by the County by virtue of Exemption Certificate No. 36-75-0038K. Illinois Retailers' Occupation Tax, Use Tax and Municipal Retailers' Occupation Tax do not apply to deliverables, materials or services purchased by the County by virtue of statute. The price or prices quoted herein shall include any and all other federal and/or state, direct and/or indirect taxes which apply to this Contract. The County's State of Illinois Sales Tax Exemption Identification No. is E-9998-2013-07.

f) **Price Reduction**

If at any time after the contract award, Consultant makes a general price reduction in the price of any of the Deliverables, the equivalent price reduction based on similar quantities and/or considerations shall apply to this Contract for the duration of the Contract period. For purposes of this Section 5.f., Price Reduction, a general price reduction shall include reductions in the effective price charged by Consultant by reason of rebates, financial incentives, discounts, value points or other benefits with respect to the purchase of the Deliverables. Such price reductions shall be effective at the same time and in the same manner as the reduction Consultant makes in the price of the Deliverables to its prospective customers generally.

g) **Consultant Credits**

To the extent the Consultant gives credits toward future purchases of goods or services, financial incentives, discounts, value points or other benefits based on the purchase of the materials or services provided for under this Contract, such credits belong to the County and not any specific Using Agency. Consultant shall reflect any such credits on its invoices and in the amounts it invoices the County.

**ARTICLE 6) DISPUTES**

Any dispute arising under the Contract between the County and Consultant shall be decided by the Chief Procurement Officer. The complaining party shall submit a written statement detailing the dispute and specifying the specific relevant Contract provision(s) to the Chief Procurement Officer.
Upon request of the Chief Procurement Officer, the party complained against shall respond to the complaint in writing within five days of such request. The Chief Procurement Officer will reduce her decision to writing and mail or otherwise furnish a copy thereof to the Consultant. The decision of the Chief Procurement Officer will be final and binding. Dispute resolution as provided herein shall be a condition precedent to any other action at law or in equity. However, unless a notice is issued by the Chief Procurement Officer indicating that additional time is required to review a dispute, the parties may exercise their contractual remedies, if any, if no decision is made within sixty (60) days following notification to the Chief Procurement Officer of a dispute. No inference shall be drawn from the absence of a decision by the Chief Procurement Officer.

Notwithstanding a dispute, Consultant shall continue to discharge all its obligations, duties and responsibilities set forth in the Contract during any dispute resolution proceeding unless otherwise agreed to by the County in writing.

ARTICLE 7) COOPERATION WITH INSPECTOR GENERAL AND COMPLIANCE WITH ALL LAWS

The Consultant, Subcontractor, licensees, grantees or persons or businesses who have a County contract, grant, license, or certification of eligibility for County contracts shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et. seq. of the Cook County Code of Ordinances). Failure to cooperate as required may result in monetary and/or other penalties.

The Consultant shall observe and comply with the laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies which may in any manner affect the performance of the Contract including, but not limited to, those County Ordinances set forth in the Certifications attached hereto and incorporated herein. Assurance of compliance with this requirement by the Consultant’s employees, agents or Subcontractor shall be the responsibility of the Consultant.

The Consultant shall secure and pay for all federal, state and local licenses, permits and fees required hereunder.

ARTICLE 8) SPECIAL CONDITIONS

a) Warranties and Representations

In connection with signing and carrying out this Agreement, Consultant:

i) warrants that Consultant is appropriately licensed under Illinois law to perform the Services required under this Agreement and will perform no Services for which a professional license is required by law and for which Consultant is not appropriately licensed;

ii) warrants it is financially solvent; it and each of its employees, agents and
Subcontractors of any tier are competent to perform the Services required under this Agreement; and Consultant is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated in this Agreement;

iii) warrants that it will not knowingly use the services of any ineligible consultant or Subcontractor for any purpose in the performance of its Services under this Agreement;

iv) warrants that Consultant and its Subcontractors are not in default at the time this Agreement is signed, and has not been considered by the Chief Procurement Officer to have, within 5 years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the County;

v) represents that it has carefully examined and analyzed the provisions and requirements of this Agreement; it understands the nature of the Services required; from its own analysis it has satisfied itself as to the nature of all things needed for the performance of this Agreement; this Agreement is feasible of performance in accordance with all of its provisions and requirements, and Consultant warrants it can and will perform, or cause to be performed, the Services in strict accordance with the provisions and requirements of this Agreement;

vi) represents that Consultant and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of the Illinois Criminal Code, 720 ILCS 5/33E as amended; and

vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

i) In addition to the foregoing warranties and representations, Consultant warrants:

(1) no officer, agent or employee of the County is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.

(2) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Consultant or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.
c) **Joint and Several Liability**

If Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Consultant is the joint and several obligation or undertaking of each such individual or other legal entity.

d) **Business Documents**

At the request of the County, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) **Conflicts of Interest**

i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

ii) Consultant covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "Consulting Parties"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

iii) Upon the request of the County, Consultant must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Consultant is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Consultant's past or present clients. If Consultant becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.

iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a
relationship with the persons or entities that submitted the proposals or bids for that project.

v) The Consultant further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Consultant’s Services for others conflict with the Services Consultant is to render for the County under this Agreement, Consultant must terminate such other services immediately upon request of the County.

vi) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Consultant and any assignee or Subcontractor of Consultant must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the County.

ii) Consultant’s material failure to perform any of its obligations under this Agreement including the following:

(a) Failure due to a reason or circumstances within Consultant's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

(b) Failure to perform the Services in a manner reasonably satisfactory to the
Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(d) Discontinuance of the Services for reasons within Consultant's reasonable control; and

(e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.

iii) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.

iv) Consultant's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Consultant acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.

v) Failure to comply with Article 7 in the performance of the Agreement.

vi) Consultant's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice ("Cure Notice"), or, if no opportunity to cure will be granted, a default notice ("Default Notice"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Consultant fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article
11, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

i) The right to take over and complete the Services, or any part of them, at Consultant’s expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the County would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Consultant under this Section 9.b;

ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;

iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

iv) The right to money damages;

v) The right to withhold all or any part of Consultant’s compensation under this Agreement;

vi) The right to consider Consultant non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County’s best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at
any time by a notice in writing from the County to Consultant. The County will give notice
to Consultant in accordance with the provisions of Article 11. The effective date of
termination will be the date the notice is received by Consultant or the date stated in the
notice, whichever is later. If the County elects to terminate this Agreement in full, all
Services to be provided under it must cease and all materials that may have been
accumulated in performing this Agreement, whether completed or in the process, must be
delivered to the County effective 10 days after the date the notice is considered received as
provided under Article 11 of this Agreement (if no date is given) or upon the effective date
stated in the notice.

After the notice is received, Consultant must restrict its activities, and those of its
Subcontractors, to winding down any reports, analyses, or other activities previously
begun. No costs incurred after the effective date of the termination are allowed. Payment
for any Services actually and satisfactorily performed before the effective date of the
termination is on the same basis as set forth in Article 5, but if any compensation is
described or provided for on the basis of a period longer than 10 days, then the
compensation must be prorated accordingly. No amount of compensation, however, is
permitted for anticipated profits on unperformed Services. The County and Consultant
must attempt to agree on the amount of compensation to be paid to Consultant, but if not
agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The
payment so made to Consultant is in full settlement for all Services satisfactorily performed
under this Agreement.

Consultant must include in its contracts with Subcontractors an early termination provision
in form and substance equivalent to this early termination provision to prevent claims
against the County arising from termination of subcontracts after the early termination.
Consultant will not be entitled to make any early termination claims against the County
resulting from any Subcontractor’s claims against Consultant or the County to the extent
inconsistent with this provision.

If the County’s election to terminate this Agreement for default under Sections 9.a and 9.b
is determined in a court of competent jurisdiction to have been wrongful, then in that case
the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Consultant suspend its Services, or any part of
them, by giving 15 days prior written notice to Consultant or upon informal oral, or even
no notice, in the event of emergency. No costs incurred after the effective date of such
suspension are allowed. Consultant must promptly resume its performance of the Services
under the same terms and conditions as stated in this Agreement upon written notice by the
Chief Procurement Officer and such equitable extension of time as may be mutually agreed
upon by the Chief Procurement Officer and Consultant when necessary for continuation or
completion of Services. Any additional costs or expenses actually incurred by Consultant
as a result of recommencing the Services must be treated in accordance with the
compensation provisions under Article 5 of this Agreement.
No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) **Right to Offset**

In connection with performance under this Agreement, the County may offset any excess costs incurred:

i) if the County terminates this Agreement for default or any other reason resulting from Consultant’s performance or non-performance;

ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or

iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) **Delays**

Consultant agrees that no charges or claims for damages shall be made by Consultant for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) **Prepaid Fees**

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Consultant shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.
ARTICLE 10)  GENERAL CONDITIONS

a) Entire Agreement

i) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

ii) No Collateral Agreements

Consultant acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to:

(a) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement;

(b) the nature of the Services to be performed;

(c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;

(d) the general conditions which may in any way affect this Agreement or its performance;

(e) the compensation provisions of this Agreement; or

(f) any other matters, whether similar to or different from those referred to in (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) No Omissions

Consultant acknowledges that Consultant was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or
provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) **Counterparts**

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) **Contract Amendments**

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond $150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond $150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Consultant is hereby notified that, except for amendments which are made in accordance with this Section 10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) **Governing Law and Jurisdiction**

This Contract shall be governed by and construed under the laws of the State of Illinois. The Consultant irrevocably agrees that, subject to the County’s sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Consultant consents and submits to the jurisdiction thereof. In accordance with these provisions, Consultant waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) **Severability**

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason,
those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Consultant must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the County's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

i) Independent Consultant

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Consultant must perform under this Agreement as an independent Consultant and not as a representative, employee, agent, or partner of the County.
This Agreement is between the County and an independent Consultant and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

i) The County will not be liable under or by reason of this Agreement for the payment of any compensation award or damages in connection with the Consultant performing the Services required under this Agreement.

ii) Consultant is not entitled to membership in the County Pension Fund, Group Medical Insurance Program, Group Dental Program, Group Vision Care, Group Life Insurance Program, Deferred Income Program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the County.

iv) The County is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to the Consultant.

j) **Governmental Joint Purchasing Agreement**

Pursuant to Section 4 of the Illinois Governmental Joint Purchasing Act (30 ILCS 525) and the Joint Purchase Agreement approved by the Cook County Board of Commissioners (April 9, 1965), other units of government may purchase goods or services under this contract.

In the event that other agencies participate in a joint procurement, the County reserves the right to renegotiate the price to accommodate the larger volume.

k) **Comparable Government Procurement**

As permitted by the County of Cook, other government entities, if authorized by law, may wish to purchase the goods, supplies, services or equipment under the same terms and conditions contained in this Contract (i.e., comparable government procurement). Each entity wishing to reference this Contract must have prior authorization from the County of Cook and the Consultant. If such participation is authorized, all purchase orders will be issued directly from and shipped directly to the entity requiring the goods, supplies, equipment or services supplies/services. The County shall not be held responsible for any orders placed, deliveries made or payment for the goods, supplies, equipment or services supplies/services ordered by these entities. Each entity reserves the right to determine the amount of goods, supplies, equipment or services it wishes to purchase under this Contract.

l) **Force Majeure**

Neither Consultant nor County shall be liable for failing to fulfill any obligation under this Contract if such failure is caused by an event beyond such party's reasonable control and which is not caused by such party's fault or negligence. Such events shall be limited to acts of God, acts of war, fires, lightning, floods, epidemics, or riots.

1. Executive Summary

This Statement of Work (SOW) is intended to document the scope, roles, responsibilities, tasks and timeframe for the Correction Communication System ("CCS") at Cook County, Illinois ("County"). This SOW will be the governing project document, outlining project milestones as mutually agreed to by both parties. Additionally, this SOW includes legal terms and conditions applicable to the deliverables set forth in the SOW.

This Executive Summary Section is intended as an overview of the County’s objectives for the project, scope and timeline for the CCS. Following the Executive Summary, the terms of the SOW are documented in the appropriate level of detail.

1.1 Background

The County has undertaken a project to transition from an existing inmate telecommunications system and implement a new CCS.

1.2 Project Strategy and Objectives

The core objective of the project is to replace an existing inmate telecommunications system that has been in place since 2008 with an innovative CCS.

1.2.1 Business Objectives

Upon successfully completing this initiative the County expects to meet the following goals and objectives:
• Ability for family and friends to connect with inmates/detainees through voice and other technologies at affordable costs and with minimal fees;
• Successful transition from the County’s incumbent inmate telecommunications provider;
• Real time data synchronization between the CCS and CCSO’s Jail Management System (JMS) and commissary system;
• Business analytics and inmate/detainee identification technology to assist with case investigations;
• Fixed and mobile Correctional Telecommunications Device ("CTD") installation for family and friends to connect with inmates/detainees through advanced devices and media (e.g., Video Visitation) and to meet inmates/detainees’ internal/compound communication needs;
• Compliance with FCC regulations and all other applicable State, Federal and local laws;
• Gains in operational efficiencies, decreasing operational costs; and,
• Meeting contract specific goals for MBE/WBE participation.

1.3 Project Scope

In general, the County seeks to achieve the following at the lowest possible cost to Consumers and inmate/detainees:

• Contractor shall supply a turnkey IDTS for both the CCSO and JTDC.
• Contractor shall supply the CCSO with a CTD system that provides Video Visitation, Electronic/Picture Messaging, Printing, and interfaces to third party applications.
• Contractor shall install, maintain, and operate all necessary equipment, as well as all necessary network switches and bandwidth.
• Contractor shall supply security systems/software, reporting systems/software, and data analytics/investigative tools.
• Contractor shall provide detailed and useful reports sufficient to provide effective oversight over the contract.
• Contractor shall supply voice biometrics (in addition to any other proposed biometric technology), as well as other detainee identification technologies.
• Contractor shall supply all necessary voice telecommunications access, including mobile, landline, Local, IntraLata, InterLata, Interstate, and International service.
• Contractor shall provide Prepaid, Debit, LEC Collect, and Free account and billing services.
• Contractor shall provide 200 payphones as required throughout the County.

1.4 Project Timeline

The following is the high-level project timeline with an expected project start date of February 4, 2019. A detailed project schedule will be established at the start of the project. Prior to the project start date and after the effective date of this Agreement, Contractor, CCSO, and County shall engage in a three-week planning session. Contractor will successfully complete the implementation of the first phase of the project plan, which includes the cut over of the inmate telephones from the incumbent provider to Contractor and the installation of the secure wired and wireless network within 111 days of the project start date unless otherwise agreed in writing by CCSO, County, and Contractor. Contractor will successfully complete the implementation of the second phase of the project plan, which shall not start
earlier than the end of the first phase, and which includes the deployment of the CTDs to each Division, within 100 days unless otherwise agreed in writing by CCSO, County, and Contractor.

The following is the graphical representation of the timeline:

4) Electronic Messaging;
5) Consumer Services;
6) Revenue, Rates, and Fees;
7) Additional Technology;
8) Solution Performance & Availability;
9) Implementation, Development and Project Management Services;
10) Reports and Audits;
11) Transition and Data Ownership;
12) Information Security;
13) Other Terms and Conditions.

Each of these sections, unless explicitly stated otherwise, contain hardware, software, equipment, protocol, system, and brand-agnostic specifications. Such specifications shall be understood as minimum requirements that the Contractor must meet to fulfill the terms of the Contract. In addition to other required hardware, software, and services, Contractor will fulfill these specifications by providing the following products in latest version and build, and in a quantity set forth in the Contract, as of the execution of this Contract:

To the extent that a specification set forth in this SOW does not conform to a discrete product, application, service, or device provided off-the-shelf by Contractor, the specification should be interpreted as requiring the Contractor to implement the Contractor’s service(s), system(s), and device(s) in a way that fulfills the specification.

2.1 Inmate/Detainee Telephone System

Contractor shall provide an IDTS in accordance with County specifications. The IDTS refers to the underlying hardware, software, and services that facilitate voice communication from telephone sets and/or CTDs, as well as reporting, security, and user application functionality required by the CCSO and County for administration and investigations. The IDTS installations at CCSO and JTDC must be
completely separate silos with isolated administrative, investigative, and reporting tools. The IDTS must meet the minimum criteria listed in Section 2.1.1 "IDTS specifications, terms and conditions" below.

</table>
3. The reception quality shall meet telecommunication industry standards and shall be at least equal to the quality available to the general public. All inmate telephone sets and CTDs installed must include volume control. Contractor shall accept CCSO’s reasonable decision regarding whether the reception quality is acceptable.

4. Call acceptance by the called party shall be accomplished for all calls through Dual-Tone Multi-Frequency ("DTMF") confirmation ("positive acceptance"). Voice recognition is not an acceptable method for positive acceptance.

5. The IDTS shall recognize and distinguish standard or irregular busy signals, standard or irregular ringing signals, answering machines, digital voicemail, cellular telephones, ring-back tones, and chain dialing.

6. The IDTS shall be configured to monitor the switch hook on the inmate telephones. If the switch hook is pushed down or moved from its idle position, the call must be disconnected immediately and the call prompts must come on to prevent fraud or unauthorized dialing. Contractor must assume all responsibility for fraud or unauthorized dialing occurring as a result of the IDTS failing to meet this requirement. Contractor shall terminate and originate all calls on its own behalf within its own network and call switches.

7. With each call, the IDTS must provide an automated message to advise the called party that:
   a. That the call is coming from a correctional facility;
   b. The call is coming from a specific inmate; and;
   c. The call may be monitored and recorded.

8. With each call, the IDTS shall clearly identify the type of call being placed to the called party: collect, free, etc. This recording must be free of any charges.

9. Contractor’s automated operator will play the call acceptance information up to 3 times while waiting for the called party’s decisions. The IDTS shall not allow the called party to skip the prompt. The Contractor shall customize its call acceptance script as required by CCSO.

10. The IDTS shall process calls on a selective bilingual basis: English and Spanish. The inmate must be able to select the preferred language at the time the call is initiated. Contractor shall indicate whether the called party will be able to select the preferred language for call prompts. CCSO reserves the right to request additional prompt languages from Contractor at any time and at no cost to County.

11. Contractor shall subscribe to the LEC Line Information Data Base ("LiDB"). Contractor shall query this database for each collect inmate call and process only those calls which do not have Billed Number Screening ("BNS"). Contractor must assume all responsibility for the cost and accuracy of validation. No amounts shall be charged to
the inmate, end-user or County.

| 12. For calls that are not completed, the IDTS shall play a recorded message to the inmate detailing why the call was not completed. CCSO reserves the right to request Contractor to modify/revise the recordings at any time during the Agreement at no cost to CCSO and within 30 days of the request. |
|---|---|

| 13. The IDTS shall allow up to 15 minutes of free telephone calls per inmate from booking/intake. Once the inmate has completed the specified number of free calls from booking/intake, the IDTS shall process all subsequent calls from the inmate as LEC Collect, Prepaid or Debit unless the telephone number dialed is configured as free in the IDTS. |
|---|---|

| 14. The IDTS shall allow 1, 5-minute free telephone call, per inmate from general population. Once the inmate has completed its free call from general population, the IDTS shall process all subsequent calls from the inmate as LEC Collect, Prepaid or Debit unless the telephone number dialed is configured as free in the IDTS. |
|---|---|

| 15. The IDTS shall be configured to accommodate indigent calling as reasonably specified by CCSO and County. Indigent calls shall be 15 minutes or as otherwise reasonably specified by CCSO and County through the IDTS. |
|---|---|

| 16. Security configurations available within the IDTS to prevent fraud relative to automated phone trees include: |
|---|---|

| a. Once a call has been placed iCON shuts off the keypad making it impossible for inmates to press additional digits. Contractor can however configure the system to allow inmates to call County approved numbers that use a phone tree. During only these calls the keypad will remain active; |
|---|---|

| b. Once a valid destination number has been entered and accepted, the system will not recognize further dialed digits from the keypad. |
|---|---|

| 17. Following the dialing sequence, IDTS shall be configured to place the inmate on-hold and not permit the inmate to hear the call progress. |
|---|---|

| 18. In no event shall the inmate/detainee be allowed to communicate with the called party until the call is positively accepted. |
|---|---|

| 19. Prior to the called party accepting the inmate’s call, the automated operator shall provide the called party with a rate quote for the call they are receiving and shall require the called party’s positive acceptance of the rate and monitoring of the call. |
|---|---|

| 20. The IDTS shall be able to establish an Informant Line at no cost to CCSO. Calls to the Informant Line shall be free and accepted by the IDTS for review by the CCSO. Contractor shall accept CCSO’s direction for how the Informant Line is configured through the IDTS. |
|---|---|

| 21. The IDTS shall be able to program a specific speed dial code to selected telephone numbers as determined by CCSO and at no cost to CCSO and without the assistance of |

2.1.1.3: Monitoring and Recording

1. The IDTS shall be capable of monitoring and recording all inmate/detainee calls from any telephone and CTD, and provide simultaneous playback and continuous recording of calls, except where there are restrictions that prohibit the recording and monitoring of such calls (e.g., attorney-client privilege). The IDTS shall be able to exclude restricted and/or privileged calls and clearly designate non-recorded calls within the IDTS user application.

2. The IDTS shall allow designated users to play back a recorded call or a call in progress (e.g. live monitoring) via the IDTS user application.

3. The IDTS shall be capable of recording calls in a manner allowing designated users to isolate the inmate or the end-user side of the recording for playback.

4. The IDTS shall provide simultaneous playback and continuous recording of calls.

5. Live monitoring shall allow CCSO to view and sort, at a minimum, the following information in chronological order. The IDTS shall allow the user to pause a recording in progress while listening.

5.2 Deliverable Acceptance Process

The Deliverable acceptance process is outlined in Appendix 2 of this document.
6. Implementation Methodology

6.1 Methodology

Contractor’s Project Management Office (PMO) uses the Waterfall methodology in which the project is broken down into a series of sequential stages. Projects are managed with a focus on constant collaboration with all Contractor, County, and CCSO stakeholders. Additionally, Contractor project managers look for areas for improvement and iteration within each phase. This important technique is utilized in every way in order for Contractor to meet every expectation and need that is set by a client, whether the needs are shown in the beginning stages of the project or shown as project add-ons nearing the ending stages.

Contractor’s implementation process is divided into four distinct phases: the Initiating Phase, Planning Phase, Executing Phase and Controlling Phase.

As part of the work to put together this Agreement, some work normally done in the Initiating and Planning phases has been completed. Many months will pass between the submission of this Agreement and it’s execution, so a review and re-initiating should be undertaken by the Contractor, County, and CCSO. Upon Agreement execution, Contractor, County, and CCSO should reconvene to review the implementation plan and adjust it as necessary. During this time the parties should also conduct another walk through of the facility and agree on final placement of all devices for the initial implementation.

During the Planning Phase the parties will agree on the order in which the Divisions will be brought online, and what resources will be assigned to the project.

During the Executing Phase the Contractor will procure the equipment necessary for the project. This will be followed by two implementation phases. The first implementation phase will be the cut over of the jail phones from the incumbent to the Contractor as well as the installation of the wireless and wired networks and the development of the JMS integration. The second phase will be the installation of Fixed CTDs (kiosks) and distribution of Mobile CTDs (tablets) in each Division. During each of these implementation phases rigorous testing will be performed the phase will not be complete until CCSO signs off on the work.

CCSO and Contractor agree that during the Initiating, Planning, and Executing phases, CCSO and Contractor will work together to find creative solutions to overcome challenges such as limited wall space for Fixed CTDs in the Divisions.

The Controlling Phase is the testing of the implementation, the management of the communications plan and change control process, and the eventual closing out of the project. This phase overlaps somewhat with the other phases, especially the Executing Phase. Once all testing is complete and CCSO has signed off on all deliverables, Contractor’s project manager will hand support of the CCSO implementation to Contractor’s customer support team and formally close the project.
7. Project Assumptions

The following constitute a non-exhaustive list of known project assumptions included in developing the scope of work and payment schedule.

**Final Scoping:** An undetermined amount of time will pass between SOW creation and contract signature. Contractor and CCSO will review planned deployment in a final scoping exercise to agree where devices shall be placed in the facility and in which order Divisions shall be implemented. This work will enable the project plan to be updated prior to project kick off. This work is expected to take one week and cannot be completed without CCSO involvement and sign-off. This work will also involve Contractor walking through facility to observe changes. Facility access shall be granted to Contractor staff prior to the start of the Final Scoping process.

**Kick Off:** Contractor, CCSO, and County will hold a joint project kick off meeting with all key stakeholders to formally start the project. Prior to the kick off meeting the Final Scoping effort must be complete and the updated implementation schedule agreed.

**Work Time:** Contractor is estimating installation times based on six (6) hours of productive time per contractor per day. This allows for two (2) hours for tool check-in/check-out, safety meetings, lock downs, and any other CCSO-imposed factor that limits contractors’ ability to work.
8. Glossary

The words and phrases below have the following meanings for purposes of this Contract:

**Ancillary Service Charge or Ancillary Fee** means any charges assessed for the use of any of Contractor services that are not explicitly set forth in the Contract. **Debit** means a presubscription or comparable service which allows an inmate/detainee, or someone acting on an inmate/detainee’s behalf, to fund or deduct from an inmate/detainee’s commissary account to pay for calls, Video Visits, or Electronic Messages originated by the inmate/detainee.

**Direct Bill** means a post-paid billing option for entities such as Bail Bond companies and not-for-profit organizations, which requires credit approval prior to account set-up.

**Promotional Calling** means a service allowing an inmate/detainee to initiate a Call without having a pre-established billing arrangement and also provides a means, within that call, for the called party to establish or arrange a Prepaid account to be billed directly by the Contractor for future calls from the same inmate/detainee;

**Third-Party Financial Transaction Fees** means a fee that Contractor is charged by third parties to transfer money or process financial transactions to facilitate a Consumer’s ability to make account payments via a third party.

3. Pricing Review Board

The Parties shall establish a Pricing Review Board ("PRB") to meet at least annually, or as frequently as mutually agreed by the Parties, for the Term of the Agreement to review Contractor’s financials and impact reports and determine if pricing adjustments are recommended by the PRB. In doing so, the PRB aims to accomplish three objectives:

1) Contractor accountability to the County and its citizens;
2) Balancing the needs of all stakeholders affected by Contractor’s services;
3) Ensuring that fair and equitable rates are provided to End-Users of Contractor’s services.

The PRB shall be composed of equal parts County, Contractor, and public membership, with public participant(s) being selected by the County. Reports and recommendations from the PRB are non-binding and implementation of recommendations remains within the sole discretion of the County. Nothing in this section shall be construed to relieve Contractor of its obligations set forth in section 2.11 "Reports and Audits" of the Statement of Work. Notwithstanding the foregoing, the Parties agree that Pricing is capped at the rates as set forth in Section 1 of the Schedule of Compensation.

Minority and Women Owned Business Enterprise Commitment
I. POLICY AND GOALS

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

<table>
<thead>
<tr>
<th>Contract Type</th>
<th>Goals</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBE WBE</td>
<td></td>
</tr>
<tr>
<td>Goods and Services</td>
<td>25%</td>
</tr>
<tr>

</tr>
<tr>
<td>Professional Services</td>
<td>35% Overall</td>
</tr>
</tbody>
</table>

B. The County shall set contract-specific goals, based on the availability of MBEs and WBEs that are certified to provide commodities or services specified in this solicitation document. The MBE/WBE participation goals for this Agreement is 35%. A Bid, Quotation, or Proposal shall be rejected if the County determines that it fails to comply with this General Condition in any way, including but not limited to: (i) failing to state an enforceable commitment to achieve for this contract the identified MBE/WBE Contract goals; or (ii) failing to include a Petition for Reduction/Waiver, which states that the goals for MBE/WBE participation are not attainable despite the Bidder or Proposer Good Faith Efforts, and explains why. If a Bid, Quotation, or Proposal is rejected, then a new Bid, Quotation, or Proposal may be solicited if the public interest is served thereby.

C. To the extent that a Bid, Quotation, or Proposal includes a Petition for Reduction/Waiver that is approved by the Office of Contract Compliance, the Contract specific MBE and WBE participation goals may be achieved by the proposed Bidder or Proposer's status as an MBE or WBE; by the Bidder or Proposer's enforceable joint-venture agreement with one or more MBEs and/or WBEs; by the Bidder or Proposer entering into one or more enforceable subcontracting agreements with one or more MBE and WBE; by the Bidder or Proposer establishing and carrying out an enforceable mentor/protégé agreement with one or more MBE and WBE; by the Bidder or Proposer actively engaging the Indirect Participation of one or more MBE and WBE in other aspects of its business; or by any combination of the foregoing, so long as the Utilization Plan evidences a commitment to meet the MBE and WBE Contract goals set forth in (B) above, as approved by the Office of Contract Compliance.

D. A single Person, as defined in the Procurement Code, may not be utilized as both an MBE and a WBE on the same Contract, whether as a Consultant, Subcontractor or supplier.

E. Unless specifically waived in the Bid or Proposal Documents, this Exhibit; the Ordinance; and the policies and procedures promulgated thereunder shall govern. If there is a conflict
between this Exhibit and the Ordinance or the policies and procedures, the Ordinance shall control.

F. A Consultant’s failure to carry out its commitment regarding MBE and WBE participation in the course of the Contract’s performance may constitute a material breach of the Contract. If such breach is not appropriately cured, it may result in withholding of payments under the Contract, contractual penalties, disqualification and any other remedy provided for in Division 4 of the Procurement Code at law or in equity.

II. REQUIRED BID OR PROPOSAL SUBMITTALS

A Bidder or Proposer shall document its commitment to meeting the Contract specific MBE and WBE participation goals by submitting a Utilization Plan with the Bid or Proposal. The Utilization Plan shall include (1) one or more Letter(s) of Intent from the relevant MBE and WBE firms; and (2) current Letters of Certification as an MBE or WBE. Alternatively, the Bidder or Proposer shall submit (1) a written Petition for Reduction/Waiver with the Bid, Quotation or Proposal, which documents its preceding Good Faith Efforts and an explanation of its inability to meet the goals for MBE and WBE participation. The Utilization Plan shall be submitted at the time that the bid or proposal is due. Failure to include a Utilization Plan will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

A. MBE/WBE Utilization Plan

Each Bid or Proposal shall include a complete Utilization Plan, as set forth on Form 1 of the M/WBE Compliance Forms. The Utilization Plan shall include the name(s), mailing address, email address, and telephone number of the principal contact person of the relevant MBE and WBE firms. If the Bidder or Proposer submits a Bid or Proposal, and any of their subconsultants, suppliers or consultants, are certified MBE or WBE firms, they shall be identified as an MBE or WBE within the Utilization Plan.

1. Letter(s) of Intent

Except as set forth below, a Bid or Proposal shall include, as part of the Utilization Plan, one or more Letter(s) of Intent, as set forth on Form 2 of the M/WBE Compliance Forms, executed by each MBE and WBE and the Bidder or Proposer. The Letter(s) of Intent will be used to confirm that each MBE and WBE shall perform work as a Subcontractor, supplier, joint venture, or consultant on the Contract. Each Letter of Intent shall indicate whether and the degree to which the MBE or WBE will provide goods or services directly or indirectly during the term of the Contract. The box for direct participation shall be marked if the proposed MBE or WBE will provide goods or services directly related to the scope of the Contract. The box for Indirect participation shall be marked if the proposed MBE or WBE will not be directly involved in the Contract but will be utilized by the Bidder or Proposer for other services not related to the Contract. Indirect Participation shall not be counted toward the participation goal. Each Letter of Intent shall accurately detail the work to be performed by the relevant MBE or WBE firm, the agreed dollar amount, the percentage of work, and the terms of payment.
Failure to include Letter(s) of Intent will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

All Bids and Proposals must conform to the commitments made in the corresponding Letter(s) of Intent, as may be amended through change orders.

The Contract Compliance Director may at any time request supplemental information regarding Letter(s) of Intent, and such information shall be furnished if the corresponding Bid or Proposal is to be deemed responsive.

2. Letter(s) of Certification

Only current Letter(s) of Certification from one of the following entities may be accepted as proof of certification for MBE/WBE status, provided that Cook County’s requirements for certification are met:

- County of Cook
- City of Chicago

Persons that are currently certified by the City of Chicago in any area other than Construction/Public Works shall also complete and submit a MBE/WBE Reciprocal Certification Affidavit along with a current letter of certification from the City of Chicago. This Affidavit form can be downloaded from www.cookcountyil.gov/contractcompliance.

The Contract Compliance Director may reject the certification of any MBE or WBE on the ground that it does not meet the requirements of the Ordinance, or the policies and rules promulgated thereunder.

3. Joint Venture Affidavit

In the event a Bid or Proposal achieves MBE and/or WBE participation through a Joint Venture, the Bid or Proposal shall include the required Joint Venture Affidavit, which can be downloaded from www.cookcountyil.gov/contractcompliance. The Joint Venture Affidavit shall be submitted with the Bid or Proposal, along with current Letter(s) of Certification.

B. Petition for Reduction/Waiver

In the event a Bid or Proposal does not meet the Contract specific goals for MBE and WBE participation, the Bid or Proposal shall include a Petition for Reduction/Waiver, as set forth on Form 3. The Petition for Reduction/Waiver shall be supported by sufficient evidence and documentation to demonstrate the Bidder or Proposer’s Good Faith Efforts in attempting to achieve the applicable MBE and WBE goals, and its inability to do so despite its Good Faith Efforts.
Failure to include Petition for Reduction/Waiver will render the submission not Responsive and shall be cause for the CPO to reject the Bid or Proposal.

III. REDUCTION/WAIVER OF MBE/WBE GOALS

A. Granting or Denying a Reduction/Waiver Request.

1. The adequacy of the Good Faith Efforts to utilize MBE and WBE firms in a Bid or Proposal will be evaluated by the CCD under such conditions as are set forth in the Ordinance, the policies and rules promulgated thereunder, and in the “Petition for Reduction/Waiver of MBE/WBE Participation Goals” – Form 3 of the M/WBE Compliance Forms.

2. With respect to a Petition for Reduction/Waiver, the sufficiency or insufficiency of a Bidder or Proposer’s Good Faith Efforts shall be evaluated by the CCD as of the date upon which the corresponding Bid or Proposal was due.

3. The Contract Compliance Director or his or her duly authorized Waiver Committee may grant or deny the Petition for Reduction/Waiver based upon factors including but not limited to: (a) whether sufficient qualified MBE and WBE firms are unavailable despite good faith efforts on the part of the Bidder or Proposer; (b) the degree to which specifications and the reasonable and necessary requirements for performing the Contract make it impossible or economically infeasible to divide the Contract into sufficiently small tasks or quantities so as to enable the Bidder or Proposer to utilize MBE and WBE firms in accordance with the applicable goals; (c) the degree to which the prices or prices required by any potential MBE or WBE are more that 10% above competitive levels; and (d) such other factors as are determined relevant by the Contract Compliance Director or the duly authorized Waiver Committee.

4. If the Contract Compliance Director or the duly authorized Waiver Committee determines that the Bidder or Proposer has not demonstrated sufficient Good Faith Efforts to meet the applicable MBE and WBE goals, the Contract Compliance Director or the duly authorized Waiver Committee may deny a Petition for Reduction/Waiver, declare the Bid or Proposal non-responsive, and recommend rejection of the Bid, Quotation, or Proposal.

IV. CHANGES IN CONSULTANT’S UTILIZATION PLAN

A. A Consultant, during its performance of the Contract, may not change the original MBE or WBE commitments specified in the relevant Utilization Plan, including but not limited to, terminating a MBE or WBE Contract, reducing the scope of the work to be performed by a MBE/WBE, or decreasing the price to a MBE/WBE, except as otherwise provided by the Ordinance and according to the policies and procedures promulgated thereunder.
B. Where a Person listed under the Contract was previously considered to be a MBE or WBE but is later found not to be, or work is found not to be creditable toward the MBE or WBE goals as stated in the Utilization Plan, the Consultant shall seek to discharge the disqualified enterprise, upon proper written notification to the Contract Compliance Director, and make every effort to identify and engage a qualified MBE or WBE as its replacement. Failure to obtain an MBE or WBE replacement within 30 business days of the Contract Compliance Director's written approval of the removal of a purported MBE or WBE may result in the termination of the Contract or the imposition of such remedy authorized by the Ordinance, unless a written Petition for Reduction/Waiver is granted allowing the Consultant to award the work to a Person that is not certified as an MBE or WBE.

V. NON-COMPLIANCE

If the CCD determines that the Consultant has failed to comply with its contractual commitments or any portion of the Ordinance, the policies and procedures promulgated thereunder, or this Exhibit, the Contract Compliance Director shall notify the Consultant of such determination and may take any and all appropriate actions as set forth in the Ordinance or the policies and procedures promulgated thereunder which includes but is not limited to disqualification, penalties, withholding of payments or other remedies in law or equity.

VI. REPORTING/RECORD-KEEPING REQUIREMENTS

The Consultant shall comply with the reporting and record-keeping requirements in the manner and time established by the Ordinance, the policies and procedure promulgated thereunder, and the Contract Compliance Director. Failure to comply with such reporting and record-keeping requirements may result in a declaration of Contract default. Upon award of a Contract, a Consultant shall acquire and utilize all Cook County reporting and record-keeping forms and methods which are made available by the Office of Contract Compliance. MBE and WBE firms shall be required to verify payments made by and received from the prime Consultant.

Elk Grove Village, IL 60007

Dear Vincent Mills:

We are pleased to inform you that Pagoda Electric & Construction, Inc. has been recertified as a Minority-Owned Business Enterprise ("MBE") and Veteran-Owned Business Enterprise ("VBE") by the City of Chicago ("City"). This MBE and VBE certification is valid until 04/15/2023; however your firm’s certification must be revalidated annually. In the past the City has provided you with an annual letter confirming your certification; such letters will no longer be issued. As a consequence, we require you to be even more diligent in filing your annual No-Change Affidavit 60 days before your annual anniversary date.

It is now your responsibility to check the City’s certification directory and verify your certification status. As a condition of continued certification during the five year period stated above, you must file an annual No-Change Affidavit. Your firm’s annual No-Change Affidavit is due by 04/15/2019, 04/15/2020, 04/15/2021 and 04/15/2022. Please remember, you have an affirmative duty to file your No-Change Affidavit 60 days prior to the date of expiration. Failure to file your annual No-Change Affidavit may result in the suspension or rescission of your certification.

Your firm’s five year certification will expire on 04/15/2023. You have an affirmative duty to file for recertification 60 days prior to the date of the five year anniversary date. Therefore, you must file for recertification by 02/15/2023.

It is important to note that you also have an ongoing affirmative duty to notify the City of any changes in ownership or control of your firm, or any other fact affecting your firm’s eligibility for certification within 10 days of such change. These changes may include but are not limited to a change of address, change of business structure, change in ownership or ownership structure, change of business operations, gross receipts and or personal net worth that exceed the program threshold. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a MBE and/or VBE if you fail to:

- File your annual No-Change Affidavit within the required time period;
- Provide financial or other records requested pursuant to an audit within the required time period;

121 NORTH LASALLE STREET, ROOM 806, CHICAGO, ILLINOIS 60602
• Notify the City of any changes affecting your firm's certification within 10 days of such change; or
• File your recertification within the required time period.

Please be reminded of your contractual obligation to cooperate with the City with respect to any reviews, audits or investigation of its contracts and affirmative action programs. We strongly encourage you to assist us in maintaining the integrity of our programs by reporting instances or suspicions of fraud or abuse to the City's Inspector General at chicagoinspectorgeneral.org, or 866-IG-TIPLINE (866-446-4754).

Be advised that if you or your firm is found to be involved in certification, bidding and/or contractual fraud or abuse, the City will pursue decertification and debarment. In addition to any other penalty imposed by law, any person who knowingly obtains, or knowingly assists another in obtaining a contract with the City by falsely representing the individual or entity, or the individual or entity assisted is guilty of a misdemeanor, punishable by incarceration in the county jail for a period not to exceed six months, or a fine of not less than $5,000 and not more than $10,000 or both.

Your firm's name will be listed in the City's Directory of Certified Firms in the specialty area(s) of:

NAICS Code(s):
238210 - Electrical Contractors
236220 - Commercial and Institutional Building Construction

Your firm's participation on City contracts will be credited only toward Minority-Owned Business Enterprise goals in your area(s) specialty. While your participation on City contracts is not limited to your area of specialty, credit toward goals will be given only for work that is self-performed and providing a commercially useful function that is done in the approved specialty category.

Thank you for your interest in the City's Minority and Women-Owned Business Enterprise, Veteran-Owned Business Enterprise and Business Enterprise Owned or Operated by People with Disabilities (MBE/WBE/VBE/BEPD) Programs.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than $25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotations to do business with Cook County. The Board of Ethics may assess a late filing fee of $100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

Additional Definitions:
