

**FOURTH AMENDMENT TO CONTRACT 08-45-256
BETWEEN COOK COUNTY, ILLINOIS AND SECURUS TECHNOLOGIES, INC.**

This **FOURTH AMENDMENT** ("Fourth Amendment") is effective April 9, 2014 ("Fourth Amendment Effective Date") and amends and supplements the contract number 08-45-256 ("Contract") between Cook County, Illinois ("County") and Securus Technologies, Inc. ("Contractor") accepted by the parties on May 29, 2008, as subsequently amended on June 8, 2011, April 12, 2012, and December 18, 2012.

WHEREAS, the County desires to lower the cost of telephone calls that detainees in County facilities place to their friends, private defense counsel, and families;

WHEREAS, the County desires to obtain only that revenue necessary for the operation of its jail telephone system;

WHEREAS, the parties desire and agree to enter into this Fourth Amendment to extend the Term of the Contract by twelve (12) months, lower the calling rates and implement the modifications as described herein;

NOW, THEREFORE, as of the Fourth Amendment Effective Date and in consideration of the mutual promises and covenants contained herein, which the parties agree are adequate and sufficient, the parties agree as follows:

1. **TERM:** Under paragraph III of Part I of the Contract, the term shall commence on the date the System is installed and operating. The first call placed on the System occurred September 15, 2008, and the parties previously extended the Contract for each of the two (2) one-year renewal periods, the second of which commenced on September 15, 2012. Further, the parties agreed in the Third Amendment to the Contract to extend the term by fifteen (15) months from September 15, 2013, resulting in a modified end date of December 15, 2014. By agreement of the parties pursuant to the terms of this Fourth Amendment, the term of the Contract is extended by twelve (12) months from December 15, 2014, resulting in a modified end date of December 15, 2015. Thereafter, County at its sole option shall have the right to extend the term of the Contract under the then current terms and conditions.

2. **LOWERED CALL RATES AND FREE CALLS:** The parties agree that the Contractor shall reduce calling rates as set forth in the chart below, which shall apply to the CCDOC facilities under the Contract, except that: (a) detainees' calls placed from the Cook County Juvenile Temporary Detention Center ("JTDC") shall remain free to the County and JTDC detainees; (b) calls placed from all CCDOC detainees to the Office of the Cook County Public Defender shall also remain free to the County and to all CCDOC detainees; (c) fifteen (15) minute maximum call duration on free booking phones; (d) "first call free per PIN" for all CCDOC facilities limited to one call per detainee and a call duration of five (5) minutes; and (e) 2,000 free fifteen (15) minute maximum duration calls per month will be available to indigent detainees; and Securus shall provide and install phones in certain Correctional Rehabilitation Worker offices in thirteen locations, which shall allow a TTY device to be connected, and at no additional cost.

a. **Lowered Call Rates.** Effective as of the Fourth Amendment Effective Date, the following rate sheet shall apply to the following call types: AdvanceConnect calls, Direct Bill calls, local exchange carrier ("LEC") collect calls, and detainees' Prepaid Debit Card calls. The rates do not include applicable taxes and other government fees. International calling is not applicable in the JTDC.

- b. Automatic Adjustments to Call Rates. The parties agree that if the annual gross revenues during a Measurement Period reach \$6,000,000.00, then the Contractor shall reduce the per minute call rate by \$0.01 as of the first day of the following month and that Measurement Period shall prematurely terminate and a new Measurement Period shall begin on that same first day of the month. Conversely, if the annual gross revenues during a Measurement Period fall below \$4,000,000.00, then the Contractor shall increase the per minute call rate by \$0.01 as of the first day of the following month and that Measurement Period shall prematurely terminate and a new Measurement Period shall begin on that same first day of the month. For purposes of this Fourth Amendment, "Measurement Period" means a period of twelve (12) months, the first of which shall commence on the Fourth Amendment Effective Date, and the successive of which shall commence at the termination of the prior Measurement Period. In the event that rates change pursuant to this subsection, Contractor shall notify consumers of the upcoming change as far in advance as practicable; and Contractor shall also provide a sufficient number and types of printed materials to the County to distribute at its facilities to reasonably notify detainees and consumers of the upcoming change.
- c. Elimination of Monthly Wireless Administration Fee. The parties hereby agree that Contractor will no longer charge the monthly wireless administration fee of \$1.99 when a CCDOC call recipient requests that a detainee be permitted to call a wireless telephone number.

3. APPLICATIONS: The parties agree to implement the following Applications and/or to make certain modifications/adjustments to certain of the existing Applications:

- a. Prepaid Calling Cards. County and Contractor agree to continue the detainee Prepaid Calling Cards trial, to which County and Contractor agreed in the April 12, 2012 amendment to the Contract ("Second Amendment"). County and Contractor agree that the Prepaid Calling Cards trial will extend through December 15, 2015, on the same terms as set forth in the Contract and the Second Amendment; *provided, however,* the Discount Percentage offered to County off of the face value of the Prepaid Calling Cards is reduced from 57.5% to 37.75%, and provided further that County may in its discretion elect to terminate the detainee Prepaid Calling Cards. The 10% discount for the fulfillment of card orders by the County Sheriff's Office shall continue to apply for a total discount of 47.75%. Notwithstanding anything to the contrary in the Second Amendment, the Contractor is responsible to pay any applicable taxes, surcharges and fees described in the Second Amendment.
- b. Other Applications. County and Contractor agree that Text2Connect calls and PayNow calls shall remain disabled; County and Contractor further agree that Contractor shall continue to provide the Voice Biometrics and THREADS Applications at no charge to the County and at no charge to detainees; provided that County may in its discretion elect to terminate either the Voice Biometrics or THREADS Applications. In its discretion and at no additional cost, the County may also elect to activate the Personal Allowed Number (PAN) list and associated functionality within SCP.

4. CONTRACTOR PAYMENTS TO COUNTY:

- a. In consideration of the lower call rates, Contractor shall no longer pay to County pursuant to the Contract an Estimated Annual Payment ("EAP") for each Term Year, but instead Contractor shall pay to County forty-seven and sixty one-hundredths percent (47.60%) of Gross Revenue ("County Recoupment") earned by Contractor through the completion of collect calls generated by and through any of Contractor's equipment without any reduction or deduction for unbilled, unbillable, or uncollected telephone calls or bad debt expense related to those telephone calls. Contractor will remit the County Recoupment for a calendar month to the County on or before the 25th day after the end of the calendar month in which the calls were made.

5. GROSS REVENUES: The parties agree that for the period from the Fourth Amendment Effective Date until the modified end date of December 15, 2015, the term "Gross Revenues" as that term is used in the Contract shall be defined as follows:

- a. Gross Revenue consists of all compensation, earning, gain, income, generated revenue, payment, proceeds or receipts paid to or received by Contractor and in any way connected to the provision of service pursuant to this Contract. Gross Revenue includes, by way of example and not limitation, the following: all surcharges, per minute fees, any additional fees and/or charges generated by the completion of all calls (including any combination of free, collect, pre-paid and debit local, intralata/intrastate, and interlata/intrastate calls), additional fees and/or charges added to the total cost of a call or added to the called party's bill or any other compensation received by Contractor.

b. Notwithstanding the foregoing, for the period from the Fourth Amendment Effective Date until the modified end date of December 15, 2015, Gross Revenue does not include:

- (1) **Monthly Billing Statement fees:** Billing statement fees are defined as fees tariffed by Contractor and charged to called parties for processing collect calls on a LEC telephone bill. A one-time per month billing statement fee of \$2.49 applies to Traditional Collect Accounts if one or more collect calls are accepted. No fee is assessed if no collect calls are accepted, and no billing statement fee is assessed on AdvanceConnect or Direct Bill Accounts. Contractor may charge the aforementioned \$2.49 fee for LEC collect calls only.
- (2) **AdvanceConnect/direct bill funding fees:** Prepaid collect/direct bill funding fees are defined as fees imposed on called parties who set and/or fund a prepaid collect/direct bill account with Contractor to accept calls. The funding fee is \$6.95, and there is no account set-up fee and no refund fee. The Contractor agrees that no time limit will be applied to refunds on such accounts and will clearly communicate the aforementioned terms to AdvanceConnect users. Contractor may charge the aforementioned \$6.95 fee for AdvanceConnect and Direct Bill calls only.
- (3) Where required by federal, state or local law, the Contractor may also charge the following taxes and regulatory fees (collectively, "Regulatory Fees"). Contractor may charge the below-described Regulatory Fees on all calls, except free calls, when required by law:
 - (i) **Interstate Regulatory Recovery fees:** Interstate Regulatory Recovery fees are defined as fees tariffed by Contractor and charged to called parties in an effort for Contractor to recover other fees and surcharges imposed by the FCC, such as telecom relay, along with related administrative costs.
 - (ii) Required regulatory charges and taxes are intended to be paid by the called party and then remitted 100% by the billing party to the appropriate governmental agency.
- (4) Interstate calls for purposes of this Agreement.

6. **SERVICE LEVEL AGREEMENTS (SLAs) AND CHANGE MANAGEMENT PROCESS:** In addition to the SLA currently in place on all installed equipment, and in addition to the Contractor's other obligations under the Contract relating to the System, including but not limited to those in Section III (System Operation) and Section IV (System Maintenance), Contractor also agrees to the following:

- a. **One-Time Notification SLA.** Upon the County's successful transition to the PETL platform for Inmate Information Interface, Contractor will proactively notify the County of alarms around such interface within fifteen (15) minutes by email to the County email address(es) as designated by the County. For months in which Contractor fails to meet its Notification SLA requirements, within thirty (30) days, Contractor shall tender performance credits in an amount of three hundred dollars (\$300.00) to the County. Should County migrate to web-services interface, proactive notification will not apply, and thus this SLA will not apply.
- b. **Recurring Notifications SLA.** Upon the County's successful transition to the PETL platform for Inmate Information Interface, for ninety-nine percent (99%) of interface alarms, Contractor will proactively notify the County of alarms around such interface within fifteen (15) minutes by email to the County email address(es) as designated by the County. This Notification SLA shall be measured on a monthly basis and Contractor shall provide reports to the County sufficient to determine compliance with the SLA. For months in which Contractor fails to meet its Notification SLA requirements, within thirty (30) days, Contractor shall tender performance credits in an amount of three thousand dollars (\$3,000.00) to the County. Should County migrate to web-services interface, proactive notification will not apply, and thus this SLA will not apply.
- c. **Change Management Process.** The Contractor shall adhere to the following process ("Change Management Process") when upgrading the System software and equipment, or performing any changes to the System at CCDOC's facilities. Any deviation from this Change Management Process may result in performance credits to Contractor. Such liquidated damages will be equal to \$300.00 per occurrence. The liquidated damages shall be due and payable by Contractor upon receipt of written notification from County of the total amount due.
 - i. Contractor shall provide County 30 days written notice, including detailed information, of a change or upgrade to the System software and equipment. However, this does not apply to routine/ emergency/maintenance change controls.
 - ii. Prior to rollout of new software releases, Securus will perform extensive system testing in a pre-production environment. Contractor shall provide the CCDOC facilities written detailed information about the change and/or upgrade, specifically identifying additional features and functionalities that will affect CCDOC. County acknowledges that all release components are subject to on-going testing after notification is provided and that individual components of releases can be backed out if issues are detected prior to release

- iii. Contractor shall provide County with written details regarding changes to calling procedures that will affect inmates. Such instructions shall be provided in English, Spanish, and Polish and posted throughout CCDOC's facilities.
- iv. Unless otherwise agreed upon by County and Contractor, said changes or upgrades shall be made by Contractor at no cost to County.

7. **REPORTING.** Payments, traffic detail reports, miscellaneous charges/fees report, monthly raw call detail records and billing files due to County shall be made by Contractor no later than the 25th day of the month following the month of traffic and sent electronically to County in an exploitable format.

a. **Traffic Detail Report.** The traffic detail report(s) for inmate telephone calls shall include a detailed breakdown of all traffic, including but not limited to, all collect, pre-paid collect and pre-paid calling card calls for each inmate telephone at CCDOC's facilities. In addition, Contractor agrees to the following:

a. **Call Recordings.** Contractor shall retain all call recordings and shall also continue to allow access to the County to all call recordings through the Contractor's system for a period not to exceed ninety (90) calendar days after the expiration, termination or cancellation date at no charge to the County in order that the County may retrieve, listen to, and download the recordings. Thereafter, Contractor shall continue to retain all call recordings and shall also allow the County continued access to all call recordings through the Contractor's system for a monthly license fee of \$5,500.00 until receipt of notice from the County that it no longer requires the access, at which time, Contractor will upon written request of the County destroy all call recordings permanently from Contractor's system. Contractor shall invoice the County for such license fee, which invoice shall be due and payable within thirty (30) days of receipt of payment. In lieu of retaining access to all call recordings through Contractor's system, the County may elect to export such call recordings in bulk to storage media of County's reasonable choice and in a format of County's reasonable choice; in such event, Contractor shall work in good faith with County to establish the responsibilities and costs of each party associated with such bulk export of call recording data.

b. **Call Detail Records.** Contractor shall also, within sixty (60) calendar days following termination, provide the County with a copy of the CDRs, as defined herein, at a cost to the County of up to \$5,000.00 for hardware on which Contractor will download such information in a searchable, user-friendly, and non-proprietary electronic format ("Extracted CDR"). The County will own such Extracted CDRs and hardware on which the Extracted CDRs are stored, and the Contractor shall have no responsibility for its further maintenance. In the alternative, the Contractor will allow continued access to the Contractor's system for a reasonable time, not to exceed ninety (90) calendar days in order for the County to download such information or to bulk export such information in a searchable, user-friendly, and non-proprietary electronic format. Regardless of the manner in which the County obtains the Extracted CDRs, they will contain all billable and non-billable calls that originate from a Facility for each day during the term of the Contract; and the County

shall own such Extracted CDRs. "CDRs" are defined as the source call detail records that are generated at the time of an inmate telephone call, and which are then rated forming the basis for the cost of the call. The CDRs become the financial records of the Contractor as evidence that Contractor performed a transaction and billed the called party.

c. Reports. Upon expiration, termination, or cancellation of the Contract, Contractor will allow continued access to all reports detailed in Section 7 (Reports) of this Fourth Amendment for a reasonable time, not to exceed ninety (90) calendar days.

d. County Data. Contractor agrees that all RCDRs, Extracted CDRs, billing files, call recordings, documentation, reports, data, etc. contained in the System ("County Data") are the property of County. County acknowledges the System hardware and software and related CDRs, data and information are the property of Contractor; provided, however, that County shall have access and rights to use such CDRs, data and information as set forth elsewhere in the Contract. Upon notification from County, Contractor shall agree to delete County Data in its possession and provide certification of such deletion; such certification shall be in accordance with NIST Special Publication 800-88 or other standards reasonably requested by the County.

e. Transition Period. Contractor shall discontinue providing service or accepting new assignments under the terms of this Contract, on the date specified by County. Contractor agrees to continue providing all of the services in accordance with the terms and conditions, requirements and specifications of this Contract for a period not to exceed 90 calendar days after the expiration, termination or cancellation date. Payments shall be due and payable by Contractor to County in accordance this Contract until collect and/or pre-paid calling calls are no longer handled by Contractor.

f. Wiring and Conduit. Ownership of any wiring or conduit installed under this Contract by Contractor becomes County's property upon termination and/or expiration of this Contract. Furthermore, in the event of a transition, and if so directed by the County, Contractor shall extend to County, or the incoming inmate telephone service provider, the option to purchase the inmate telephones at CCDOC's Divisions and JTDC at residual value.

All terms and conditions of the Contract not modified by this Fourth Amendment remain in full force and effect.

All capitalized terms used but not defined herein shall have the meaning set forth in the Contract.
