

DeKalb County

Dear Brian:

Per your FOIA request #1-3, # 8

For 2013 - Attached is the contract with our inmate phone provider, copies of checks received that year, the state standard which we follow regarding use of these funds, and our visiting policy.

4 Our commissary is audited as a part of the County's general audit every year and that audit is posted online.

#5 Our rates for inmate phone calls in 2013 were:

	Local	In-state	Interstate
Debit Card	\$2.13+\$0.17/min	\$2.55+\$0.17/min	\$0.60+\$0.17/min
Prepaid/Coll	\$2.50+\$0.20/min	\$3.00+\$0.20/min	\$0.60+\$0.17/min

Just for information in February 2014 Radical made required changes for rates and commissions to be in compliance with the FAA regulations.

#6 I have no records.

#7 We do not have video visitation.

I apologize for the delay. Let me know if you have any questions.

Sincerely,

Lieutenant Joyce Klein
