CONTRACT FOR INMATE TELEPHONE SERVICE

BETWEEN

THE KENTUCKY DEPARTMENT OF CORRECTIONS

AND

EVERCOM

This Master Agreement is entered into on this 1st day of June 2006, by and between the Commonwealth of Kentucky, Department Of Corrections, (“the Commonwealth”) and Evercom to establish a contract for an Inmate Telephone Service.

The Commonwealth and Evercom agree to the following:

Scope of Agreement:

The provision of inmate phone service is undertaken with the following elements being considered as minimum general standards:

- To protect the general public from harassment and fraud.
- To protect the safety of institutional employees and inmates.
- To promote institutional security through the use of the latest intelligence gathering and monitoring technology.
- To provide telephone equipment durable enough to withstand constant use and occasional violent inmate behavior.
- To provide an efficient, user friendly Windows-based system proven to be reliable in penal environments with regard to call tracking, full channel, digital recording and monitoring of all calls, PIN database maintenance and implementation, a pre-paid calling module, speedy database information retrieval and manipulation.

Scope of Work:

All services provided shall be performed in accordance with the requirements established for the Provision of Inmate Telephone Services.

Billing – the Contractor agrees to maintain a billing agreement with Cincinnati Bell and

any other service provider with customers located within the Commonwealth of Kentucky that will permit calls to be billed through the service provider or make other billing arrangements that fully meet the Commonwealth's interest in assuring adequate billing options are available to individuals served by Cincinnati Bell.

Technology Commitment – The Contractor agrees to establish an annual technology review meeting with the Kentucky DOC at which it will review all new products and services. Additionally, the Contractor agrees to provide all standard software upgrades to the inmate calling system to the Commonwealth at no charge during the term of this Contract.

Technology Grant – the Contractor agrees to provide an eighty thousand dollar (\$80,000.00) annual technology grant that will be used to provide T-1 level access to the Kentucky Information Highway II using the services of the Rural Technology Center in Somerset, Kentucky. The DOC will determine the specific configuration and location of the T-1 network and the Contractor will be responsible for implementing it up to an annual network cost of eighty thousand dollars (\$80,000.00)

Kiosks – The Contractor will provide information and payment Kiosks at each of the correctional facilities served by its inmate telephone system. Payment will be accepted for Evercom Inmate Telephone Service accounts and to Kentucky Department of Corrections Inmate Trust Fund accounts, provided the appropriate interfaces into the Trust Fund system is available to the Contractor. A fee of six dollars and 95 cents (\$6.95) per transaction will be assessed to anyone using the kiosk, internet or telephonic payment methods offered by Evercom.

Secure Inmate E-Mail – the Commonwealth and the Contractor agree to conduct a trial of a secure inbound email service for the friends and families of inmates. The cost per two page email will be fifty cents (\$0.50) and the cost to establish an email account with Evercom will be \$5.00. The DOC will have the ability to review all email before delivery using word search and translation services provided by the secure email application. If the trial is successful the Contractor agrees to offer the email services to all other facilities for which the DOC determines to be appropriate.

Toll Free Access Line – The Contractor shall provide and maintain a single toll free line that will terminate at a location determined by the Kentucky DOC. The Contractor agrees to let the Commonwealth select the actual toll free number and will provide the specific number requested by the Commonwealth unless it is not available for use.

Job Assistants Program – The Contractor will make available a job placement program to assist inmates in finding employment opportunities. This web based application will be completely supervised and approved by the Kentucky DOC. The Contractor may discontinue this program at any time upon thirty days written notice to the Commonwealth.

Effective Date of Agreement:

This Master Agreement is effective on 01 June 2006 and ends on 31 May 2010. This Master Agreement has three (3) additional two (2) year renewal periods.

Contract Amount:

The DOC shall receive fifty-four percent (54%) of commission on all completed calls, whether billable, collectible or not. There shall be no deduction for fraud, uncollectible, maintenance, provisions of equipment, or any other expenses whatsoever. The commission shall be paid to DOC on a monthly basis.
