NEGOTIATION CLARIFICATIONS

1. The State and CenturyLink agree that the "Voice Biometrics" – pre-call verification reduction of commission will be 1% for a total final commission rate of 74.2%.
2. CenturyLink will provide the State with two (2) additional portable CellSense detection units for a total of three (3) units.
3. The State will not require CenturyLink to replace all telephone sets at the start of the new contract. Further, the transition from premise-based to a centralized platform system will continue and will not be adversely impacted by the relaxation of the requirement for the replacement of telephone sets.
