

KITTITAS COUNTY BOARD OF COMMISSIONERS

RESOLUTION NO. 96-146

RESOLUTION GOVERNING THE DISTRIBUTION OF REVENUE FROM KITTITAS COUNTY PUBLIC SAFETY BUILDING INMATE TELEPHONE SERVICES.

WHEREAS, an inmate telephone service was installed in the Kittitas County Public Safety Building, Kittitas County Sheriff's Department, by Gateway technology, Inc., Carrollton, Texas, in June of 1991; and

WHEREAS, the installation of this system results in the receipts of certain revenues from inmate initiated telephone calls from the Kittitas County Public Safety Building; and

WHEREAS, the Board of Kittitas County Commissioners, having considered this revenue and the fair and rational distribution of such revenue, concludes that it should be used for the benefit of the Public Safety Building facilities and inmates housed therein; and

WHEREAS, the Board of Kittitas County Commissioners, have previously, through Resolution 91-109, established the appropriate uses for such funds, and the proper location within the accounts of Kittitas County for such funds to be deposited; and

WHEREAS, the Board of Kittitas County Commissioners have
Resolution No. 96-146

3. Ten percent(10%) of all net revenue from the Inmate Telephone Service shall be deposited into the Inmate Welfare Fund administered by the Sheriff's Department under such restrictions and rules as already govern monies in this fund.

Acted upon this 1 day of ~~September~~ ^{October}, 1996.
