Value-Added Communications (Inmate Phone).pdf (2 MB)

Mr. Motel – Since the last update, FSH Communications was bought out by Value Added Communications, Inc (VAC). VAC was then bought out by Global-Tel Link (GTEL). GTEL is our current provider.

The first file covers FY2009's agreement. Second file covers FY2010. The third file is FY2011. Fourth file is the one that is currently in place (FY2012) and will end June 30, 2014 or FY2014. Our fiscal year runs July 1 – June 30.

Commission Totals: FY2009 - \$241,839; FY2010 - \$4154,767; FY11 - \$229,398.76 and FY12 - \$520,332.05.

Calling rates are in the agreements

No audit reports on commissions available

Set up fees are shown in the rate schedules in the contracts.

If you need anything else, please let me know.

Greetings:

I am doing research for an article about prison telephone rates. Would you please send the following information to [mmotel@prisonlegalnews.org](mailto:mmotel@prisonlegalnews.org) in PDF format, if possible:

- Contracts between telecommunications companies and South Dakota government agencies related to correctional phone services for the years 2009, 2010, 2011, and 2012 (including the current contract),
- Commission totals (i.e. revenue paid to the state by the inmate telephone providers) for fiscal years 2009, 2010, 2011, and 2012 – if these totals are *not* included in the contracts,
- Calling rates (collect and debit, if applicable) for fiscal years 2009, 2010, 2011, and 2012 – if these rates are *not* included in the contracts,
- Any audits of the commissions from fiscal years 2009, 2010, 2011, 2012, and
