This Master Services Agreement (this "Agreement") is by and between the San Juan County Sheriff's Office ("Customer") and Evercom Systems, Inc., a Delaware corporation and a wholly owned subsidiary of SECURUS Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and shall be effective as of the last date signed by either party (the "Effective Date").

Whereas the Customer desires that Provider install an inmate telecommunication system, and provide telecommunications and maintenance services according to the terms and conditions in this Agreement, and according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Whereas the Provider agrees to install the inmate telecommunications system and provide telecommunications and maintenance services according to the terms and conditions in this Agreement, and according to the Schedule and Work Orders, which are incorporated by reference into this Agreement;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **Applications.** This Agreement specifies the general terms and conditions under which we will perform certain inmate-related services and applications (the "Application(s)") for you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule shall govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time shall govern.
2. **Use of Applications.** You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facilities identified on the Schedules (the "Facilities"). You are responsible for the manner in which you use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider shall be the sole and exclusive provider of inmate related communications, including but not limited to voice, video and data (phone calls, video calls, messaging, prepaid calling cards, and e-mail) at the Facilities in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents or subcontractors.
3. **Compensation.** Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. **Term.** The obligations of the parties under this Agreement are effective as of the Effective Date, but the "Term" of this Agreement shall commence on April 14, 2010 and will continue for five (5) years thereafter. Unless one party delivers to the other written notice of non-renewal at least ninety (90) days prior to the end of the then current term, this Agreement shall automatically renew for successive periods of one (1) year each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement shall continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. **Service Level Agreement and Limited Remedy.** We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.
6. **Software License.** We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information shall at all times remain our sole and exclusive property unless prohibited by law, in which event, we shall have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. However, during the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Confidentiality. The System, Applications, and related call records and information (the "Confidential Information") shall at all times remain confidential to Provider. You agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you shall only access the Software with computer systems that have effective firewall and anti-virus protection.

10. Claims. To the fullest extent allowed by applicable law, each party agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties and/or covenants contained herein or (ii) the gross negligence or willful misconduct of, or intellectual property infringement or alleged intellectual property infringement by itself and/or its employees, agents, or contractors in the performance of this Agreement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. The Provider agrees to install and implement the Inmate Telephone System according to the law governing the Provider, the instruction it receives from the Customer as to the Customer's requirements under the law, and according to the Customer's facility's demographics. The Provider agrees to indemnify the Customer against any and all damages, loss, cost, claim, liability, injury (to persons and property) and expense brought or claimed by third parties or the Customer's Facility (collectively, "Claims") arising out of or related to the Provider's failure to comply with the instruction it receives from the Customer, and all laws and regulations governing the Provider.

11. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the utilization of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

12. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, then the non-defaulting party shall give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within thirty (30) days after receipt of the notice of default, then the non-defaulting party shall have the right to terminate this Agreement upon thirty (30) days written notice and pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the thirty (30) day cure period shall be extended to ninety (90) days if the default is not reasonably susceptible to cure within such thirty (30) day period, but only if the defaulting party has begun to cure the default during the thirty (30) day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if you breach your obligations in the section entitled "Software License" or the section entitled "Confidentiality", then we shall have the right to terminate this Agreement immediately.

13. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY SHALL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE TWELVE (12) MONTH PERIOD PRIOR TO THE DATE THE CLAIM AROSE.

14. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon sixty (60) days advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; acts of God; actions you take for security reasons (such as lock-downs)) negatively impact our business; however, we shall not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state or local regulatory requirements and restrictions which are subject to change from time-to-time and nothing contained herein to the contrary shall restrict Provider from taking any steps necessary to perform in compliance therewith.

15. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party shall be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

16. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party shall use reasonable efforts to remove such causes of non-performance.

17. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute shall be in writing and shall be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by written notice in compliance with this section. Notices shall be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – five days after deposit; and courier – when delivered as shown by courier records.

18. Miscellaneous. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas. No waiver by either party of any event of default under this Agreement shall operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions shall remain unaffected. This Agreement shall be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each shall comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement shall be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can only be modified by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, shall survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received prior to such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which shall be fully effective as an original, and all of which together shall constitute one and the same instrument. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

In no event shall the monthly AISTM Fee be less than four hundred and no/100 dollars per month (\$400.00).

Monthly and one time fees shall be payable through a Commission deduction, which shall be deducted on the sooner of (i) the month following the AISTM installation, or (ii) sixty (60) days following the date the Customer signs this Amendment. If the AISTM Fee exceeds the Commission for the relevant month or if, for any reason, the Agreement terminates or expires during the relevant month, then we will invoice you for the balance which shall be due within thirty (30) days after the date of the invoice.

Notwithstanding anything to the contrary, the parties acknowledge that the AISTM monthly fee is based on Customer's estimated Average Daily Population ("ADP") count. Therefore, on January 1st of every year during the

term of service, Customer will provide its average ADP count so that the per inmate charge for AIS™ may be adjusted accordingly for the following year. The AIS™ Fee is calculated using a minimum Fee based on the Facility's ADP. It is the Customer's responsibility to provide the ADP numbers, and request a modification in the price of AIS™ Fee. Provider will modify the AIS™ Fee per year based on a comparison of any three (3) consecutive months' ADP levels. If the ADP levels have fluctuated by more than fifteen percent (15%), Provider will modify the AIS™ Fee on a going forward basis.

Compensation (Set-up Charge and Monthly Fee) is determined by AIS features chosen. Securus has the rights to modify and increase compensation if feature set is modified or changed by the facility after contract execution.

WHEREAS, Customer desires and Provider agrees to implement Inmate Debit Accounts, Commissary Order by Phone, and E-imports;

WHEREAS, Customer desires and Provider agrees to a twelve (12) month commission deduction to offset the cost of E-imports implementation;

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. **TERM**. This First Amendment shall commence on the First Amendment Effective Date and shall remain in effect through the term of the Agreement.
2. **INMATE DEBIT ACCOUNTS**. In addition to the Applications currently provided under the Agreement, Customer shall implement Inmate Debit Accounts.

DESCRIPTION:

A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate Friends & Family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by Friends & Family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call in order to complete the call and pay for the call using the inmate's Debit account. Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. Customer agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

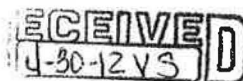

Provider shall invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt. Provider shall pay Customer the commission percentage that Provider earns through the completion of Debit calls placed from Customer's Facilities as specified in the chart below. Provider reserves the right to deduct call credits from usage. Provider shall remit the commission for a calendar month to Customer on or before the 30th day after the end of the calendar month in which the Debit calls were made (the "Payment Date"). Upon inmate's release, Provider shall administer refunds to inmate through Western Union retail locations. Refunds made available through Western Union are subject to a \$3.00 fee. Unless dictated otherwise by state regulation, inmate refunds administered through Western Union that are not collected by inmate within ninety (90) days of release shall expire and shall not be collectable by inmate. All commission payments shall be final and binding upon Customer unless Provider receives written objection within sixty (60) days after the Payment Date.

implement E-Imports.

DESCRIPTION:

"E-imports" is an application that offers automated PIN Management and eliminates the need for detention facility personnel to enter inmate profile information from the jail management system (JMS) into the inmate telephone system in cases where the use of a PIN for inmate calling is desired. With E-Imports, the SCP system imports inmate profile information from a detention facility's JMS when an inmate is booked, transferred, updated, or released.

COMMISSION DEDUCTION. To offset the cost of E-Imports, Provider will deduct \$84 per month for 12 months from Customer's commission payments.

4. **COMMISSARY ORDER BY PHONE.** In addition to the Applications currently provided under the Agreement, Provider will implement Commissary Order by Phone.

DESCRIPTION.
