All insurance policies or duly executed certificates for the same required to be carried by Contractor under this Agreement, together with satisfactory evidence of the payment of the premium thereof, shall be delivered to the: **Dallas County Purchasing Agent located at 900 Jackson Street, 6th Floor, Suite 680, Dallas, Texas 75202** within ten (10) calendar days of execution or renewal of this Agreement and upon renewals or material changes of such policies, but not less than fifteen (15) calendar days prior to the expiration of the term of such coverage, or such non-delivery shall constitute a default of this Agreement subject to immediate termination at County’s sole discretion.

14.5 All insurance required to be carried by Contractor or subcontractors under this Agreement shall be acceptable to the County in form and content, in its sole discretion. All policies shall be issued by an insurance company acceptable and satisfactory to County and authorized to do business in the State of Texas. Acceptance of or the verification of insurance by County shall not relieve or decrease the liability of Contractor.

14.6 Minimum insurance is a condition precedent to any work or services performed under this Agreement and for the entire Term of this Agreement, including any renewal or extension. In addition to any and all other remedies County may have upon Contractor’s failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, or such insurance lapses, is reduced below minimum requirements or is prematurely terminated for any reason, County shall have the right to:

14.6.1 Order Contractor to stop work hereunder, which shall not constitute a Suspension of Work and Services;

14.6.2 Withhold any payment(s) that become due to Contractor until Contractor demonstrates compliance with the requirements and assurance and proof acceptable to County that there is no liability to County for failure to provide such required insurance;

14.6.3 At its sole discretion, declare a material breach of this Agreement, which, at County’s discretion, may result in:

14.6.3.1 Termination of this Agreement

14.6.3.2 Demand on any bond, as applicable;

14.6.3.3 The right of the County to complete this Agreement by contracting with the “next low proposal.” Contractor will be fully liable for the difference between the original Agreement price and the actual price paid, which amount is payable to County by Contractor on demand; or

14.6.3.4 Obtain such insurance and deduct from the payments to Contractor the expense of obtaining such insurance and the cost of insurance premiums. However, neither Contractor nor any third party shall have any recourse against the County for payment of any premiums or assessment for any deductibles, or payment of any amount that would have been payable by any such insurance, as all such liability, cost, expense, premiums and deductibles are the sole responsibility and risk of Contractor; and

14.6.3.5 Obtain such insurance and deduct from the payments to Contractor the expense of
obtaining such insurance and the cost of insurance premiums. However, neither Contractor nor any third party shall have any recourse against County for payment of any premiums or assessment for any deductibles, or payment of any amount that would have been payable by any such insurance, as all such liability, cost, expense, premiums and deductibles are the sole responsibility and risk of the Contractor; and

14.6.3.6 Any combination of the above

14.6.4 Any combination of the above in Section 14.6.

14.7 Contractor shall promptly advise County in writing of any claim or demand, against County or Contractor, known to Contractor related to or arising out of Contractor's activities under this Agreement.

14.8 Approval, disapproval or failure to act by the County regarding any insurance supplied by Contractor shall not relieve Contractor of full responsibility or liability for damages and accidents as set forth herein. Neither shall bankruptcy, insolvency or denial of liability by any insurance company exonerate the Contractor from liability.

14.9 Acceptance of the work or services, or failure to act by County shall not constitute nor be deemed a release of the responsibility and liability of Contractor, its employees, associates, agents or subcontractors for the accuracy and competency of their work or services; nor shall such acceptance be deemed an assumption of responsibility or liability by County for any defect in the work or services performed by Contractor, its employees, subcontractors, and agents.

14.10 Nothing herein contained shall be construed as limiting in any way the extent to which Contractor may be held responsible for payments of damages to persons or property resulting from Contractor's or its subcontractor's performance of the work or services covered under this Agreement.

14.11 Survival: The provisions of this Section shall survive completion, suspension, termination or expiration of this Agreement, or any determination that this Agreement or any portion hereof is void, voidable, invalid or unenforceable.

14.12 Insurance Lapse: Pursuant to Section 94.73 of the Dallas County Code, in the event Contractor fails to maintain insurance as required by this Agreement, Contractor shall immediately cure such lapse in insurance coverage at Contractor's sole expense, and pay County in full for all costs and expenses incurred by County under this Agreement as a result of such failure to maintain insurance by Contractor, including costs and reasonable attorney's fees relating to County’s attempt to cure such lapse in insurance coverage. Such costs and attorney's fees, not to exceed One Thousand Five Hundred Dollars and 00/100 dollars ($1,500.00), shall be automatically deducted from monies or payments owed to Contractor by County. Moreover, the County shall retain five percent (5%) of the value of the Agreement that shall be placed into an account from monies or payments owed to Contractor by County to cover County's potential exposure to liability during the period of such lapse. The retainage shall be held by County until six (6) months after the Term of the Agreement has ended or has otherwise been terminated, cancelled, or expired and shall be released if no claims are received or lawsuits filed against County for any matter that should have been covered by the required insurance.

14.11.1 CONTRACTOR FURTHER AGREES TO INDEMNIFY COUNTY FOR ANY PENALTIES, FINES, JURY AWARDS, COURT COSTS, LITIGATION EXPENSES, AND ATTORNEYS' FEES INCURRED BY COUNTY DUE TO CONTRACTOR'S FAILURE TO MAINTAIN THE REQUIRED INSURANCE AT ALL TIMES DURING THE TERM OF THE AGREEMENT. Contractor after proper notice, at its own expense with legal counsel of County’s choice, will defend and hold County harmless in any claim or action against County that occurred as a direct or indirect result of Contractor’s failure to maintain insurance at all times during the Term of the Agreement. Without waiving any rights under Sovereign Immunity, the County shall cooperate with and may monitor Contractor in the defense of any claim, action, or proceeding and will, if appropriate, make employees
available as Contractor may reasonably request with regard to such defense, subject to the reimbursement by Contractor of all costs and expenses occasioned by the County’s cooperation in such defense. Contractor agrees not to settle any such claim without the County’s consent, which consent will not be unreasonably withheld or delayed.

15. TERMINATION

The Parties may terminate this Agreement for the following:

15.1 Termination for Insolvency: County shall have the option to terminate this Agreement in its entirety if Contractor: (i) becomes insolvent or is unable to meet its debts as they mature; (ii) files a voluntary petition in bankruptcy or seeks reorganization or to effect a plan or other arrangement with creditors; (iii) files an answer or other pleading admitting, or fails to deny or contest, the material allegations of an involuntary petition filed against it pursuant to any applicable statute relating to bankruptcy or reorganization; (iv) is adjudicated bankrupt or shall make an assignment for the benefit of its creditors generally; (v) applies for, consents to or acquiesces in the appointment of any receiver or trustee for all or a substantial part of its property any such receiver or trustee appointed is not discharged within thirty (30) days after date of such appointment.

15.3 Termination for Default or Non-Performance: County shall have the option to terminate this Agreement, for cause: (i) for a material breach or non-performance of this Agreement by Contractor that is not cured by Contractor within Thirty (30) days of the date on which County provides written notice of breach; (ii) for a material breach of this Agreement by Contractor that is not reasonably subject to cure within Thirty (30) days after its occurrence; or (iii) if it is determined by County, that there exists a plurality of non-material breaches by Contractor that have a material adverse impact on the work or services provided under this Agreement. In the event that County terminates this Agreement in whole or in part as provided herein, the County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. If a failure described in this Section 15.3 is not cured to the County’s satisfaction within Thirty (30) days from the time of receipt of such notice as described in this Section 15.3, the County shall have the right to terminate immediately without the requirement of further notice. If, after notice of termination under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, the County has the option to make its notice of termination pursuant to the Termination for Convenience clause in Section 15.1 above and the rights and obligations of the Parties would be in accordance with that provision.

15.3.1 In the event this Agreement is prematurely terminated due to breach, non-performance or withdrawal by the Contractor, County reserves the right to seek monetary restitution (to include but not limited to, withholding of monies owed) from the Contractor to cover costs for interim services or to cover the difference of a higher cost (difference between termination Contractor’s rate and new company’s rate) beginning from the date of Contractor’s termination through the Agreement expiration date. In the event civil suit is filed to enforce this provision, County will seek its attorney’s fees and cost of suit from the Contractor. In addition and as authorized by Commissioners Court, vendors terminated for non-performance will be disbarred from award consideration on future County solicitation for a minimum period of thirteen (13) months.

15.3.2 Notice and Right to Cure. If the Contractor breaches the Agreement, and the County in its sole discretion determines that the breach is curable, then the County will provide the Contractor with written notice of the breach and a time period (not less than 30 days) to cure the Breach. The notice of breach and opportunity to cure is inapplicable for successive or repeated breaches or if the County determines in its sole discretion that the breach poses a serious and imminent threat to the health or safety of any person or the imminent loss, damage, or destruction of any real or tangible personal property.
15.4 Termination for Lack of Funding. In the event that funds, in whole or in part, are not available to begin or to continue this Agreement at the level of services specified, the County may immediately terminate or amend this Agreement. 19. AMENDMENTS

No modification, amendment, novation, renewal or other alteration of this Agreement shall be effective unless mutually agreed upon in writing and executed by the Parties hereto and approved by Dallas County Commissioners Court.

20. GOVERNING LAW AND VENUE

24. WAIVER

Failure of any party, at any time, to enforce a provision of this Agreement, shall in no way constitute a waiver of that provision, nor in any way affect the validity of this Agreement, any part hereof, or the right of the party thereafter to enforce each and every provision hereof. No term of this Agreement shall be deemed waived or breach excused unless the waiver shall be in writing and signed by the party claimed to have waived. Furthermore, any consent to or waiver of a breach will not constitute consent to or waiver of or excuse of any other different or subsequent breach.

Any violation of this Section, with knowledge, expresses or implied, of the person or corporation contracting with the County shall render this Agreement involved voidable by the Commissioners Court of Dallas County. It is the responsibility of Contractor during all phases of this Agreement to notify the County in writing of any potential conflict of interest. Contractor covenants that neither it nor any member of its corporation presently has any interest or shall acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of this Agreement. 36. TAXES

The County, as a county of the State of Texas, is exempted from the payment of Texas state and local sales, excise, and use taxes pursuant to Texas Tax Code § 151.309, and shall therefore not be liable or responsible to Contractor for the payment of such taxes under this Agreement. 38. FISCAL FUNDING/NON-APPROPRIATION CLAUSE

Notwithstanding any provisions contained herein, the obligations of the County under this Agreement are expressly contingent upon the availability of funding for each item and obligation contained herein for the Term of the Agreement and any extensions thereto. Contractor shall have no right of action against County in the event County is unable to fulfill its obligations under this Agreement as a result of lack of sufficient funding or non-appropriation for any item or obligation from any source utilized to fund this Agreement or failure to budget or authorize funding for this Agreement during the current or future fiscal years. In the event that County is unable to fulfill its obligations under this Agreement as a result of lack of sufficient funding, non-appropriation or if funds become unavailable, County, at its sole discretion, may provide funds from a separate source or may terminate this Agreement by written notice to Contractor at the earliest possible time pursuant to 15 above.

The Contractor must deal directly with that jurisdiction or political subdivision concerning the placement of orders, services, issuance of purchase orders, contractual disputes, invoicing and payment. The County acts only as the "Contracting Agent" for these jurisdictions and political subdivisions. Failure to extend a contract to any jurisdiction will have no effect on this Agreement. Each participating jurisdiction and political subdivision has the option of executing a separate contract with the Contractor. Contracts entered into with them may contain general terms and conditions unique to those jurisdictions and political subdivisions covering minority participation, non-discrimination, etc. If, when preparing such a contract, the general terms and conditions of a jurisdiction are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that jurisdiction.

Furthermore, County in its sole discretion shall make a determination based upon Texas Commission on Law Enforcement Officer Standards and Education (TCLEOSE) peace officer criminal history screening rules (Title 37, Texas Administrative Code, Chapter 217) to determine eligibility for systems access for all Contractor agents, employees, contractors, or subcontractors related to this Agreement. This shall include criminal background checks and fingerprint identification.

The execution of the Addendum notwithstanding, County agrees and acknowledges that Contractor does not access any CHRI Data maintained by County. Should the relationship between County and Contractor change in a way that requires or allows Contractor to access CHRI Data maintained by County, the parties will execute an amendment to the Agreement that removes this and the foregoing sentence.

46. COUNTERPARTS, NUMBER/GENDER AND HEADINGS

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Headings herein are for the convenience of reference only and shall not be considered in any interpretation of this Agreement.

47. VERBAL AGREEMENT

No verbal agreement or conversation with any officer, agent or employee of County either before, during or after the execution of this Agreement, shall affect or modify any of the terms of obligations herein contained, nor shall such verbal agreement or conversation entitle Contractor to any additional payment whatsoever under the terms of this Agreement. **TITLE VI ASSURANCES/COMPLIANCE**

**A. Assurances**

During the performance of this Agreement, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “contractor”) agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, the Federal Highway Administration, as they may be amended from time to time, which are herein incorporated by reference and made a part of this Agreement.

2. **Nondiscrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Acts and the Regulations relative to Nondiscrimination on the grounds of race, color, or national origin.

4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the Federal Highway Administration to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the Federal Highway Administration, as appropriate, and will set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance:** In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
a. withholding payments to the contractor under the contract until the contractor complies; and/or

b. cancelling, terminating, or suspending a contract, in whole or in part.

6. Incorporation of Provisions: The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

FBI CJIS Security Addendum

FEDERAL BUREAU OF INVESTIGATION
CRIMINAL JUSTICE INFORMATION SERVICES
SECURITY ADDENDUM

Legal Authority for and Purpose and Genesis of the Security Addendum

Traditionally, law enforcement and other criminal justice agencies have been responsible for the confidentiality of their information. Accordingly, until mid-1999, the Code of Federal Regulations Title 28, Part 20, subpart C, and the National Crime Information Center (NCIC) policy paper approved December 6, 1982, required that the management and exchange of criminal justice information be performed by a criminal justice agency or, in certain circumstances, by a noncriminal justice agency under the management control of a criminal justice agency.

In light of the increasing desire of governmental agencies to contract with private entities to perform administration of criminal justice functions, the FBI sought and obtained approval from the United States Department of Justice (DOJ) to permit such privatization of traditional law enforcement functions under certain controlled circumstances. In the Federal Register of May 10, 1999, the FBI published a Notice of Proposed Rulemaking, announcing as follows:

1. Access to CHRI [Criminal History Record Information] and Related Information, Subject to Appropriate Controls, by a Private Contractor Pursuant to a Specific Agreement with an Authorized Governmental Agency To Perform an Administration of Criminal Justice Function (Privatization). Section 534 of title 28 of the United States Code authorizes the Attorney General to exchange identification, criminal identification, crime, and other records for the official use of authorized officials of the federal government, the states, cities, and penal and other institutions. This statute also provides, however, that such exchanges are subject to cancellation if dissemination is made outside the receiving departments or related agencies. Agencies authorized access to CHRI traditionally have been hesitant to disclose that information, even in furtherance of authorized criminal justice functions, to anyone other than actual agency employees lest such disclosure be viewed as unauthorized. In recent years, however, governmental agencies seeking greater efficiency and economy have become increasingly interested in obtaining support services for the administration of criminal justice from the private sector. With the concurrence of the FBI's Criminal Justice Information Services (CJIS) Advisory Policy Board, the DOJ has concluded that disclosures to private persons and entities providing support services for criminal justice agencies may, when subject to appropriate controls, properly be viewed as permissible disclosures for purposes of compliance with 28 U.S.C. 534.

We are therefore proposing to revise 28 CFR 20.33(a)(7) to provide express authority for such arrangements. The proposed authority is similar to the authority that already exists in 28 CFR 20.21(b)(3) for state and local CHRI systems. Provision of CHRI under this authority would only be permitted pursuant to a specific agreement with an authorized governmental agency for the purpose of providing services for the administration of criminal justice. The agreement would be required to incorporate a security addendum approved by the Director of the FBI (acting for the Attorney General). The security
addendum would specifically authorize access to CHRI, limit the use of the information to the specific purposes for which it is being provided, ensure the security and confidentiality of the information consistent with applicable laws and regulations, provide for sanctions, and contain such other provisions as the Director of the FBI (acting for the Attorney General) may require. The security addendum, buttressed by ongoing audit programs of both the FBI and the sponsoring governmental agency, will provide an appropriate balance between the benefits of privatization, protection of individual privacy interests, and preservation of the security of the FBI’s CHRI systems.

The FBI will develop a security addendum to be made available to interested governmental agencies. We anticipate that the security addendum will include physical and personnel security constraints historically required by NCIC security practices and other programmatic requirements, together with personal integrity and electronic security provisions comparable to those in NCIC User Agreements between the FBI and criminal justice agencies, and in existing Management Control Agreements between criminal justice agencies and noncriminal justice governmental entities. The security addendum will make clear that access to CHRI will be limited to those officers and employees of the private contractor or its subcontractor who require the information to properly perform services for the sponsoring governmental agency, and that the service provider may not access, modify, use, or disseminate such information for inconsistent or unauthorized purposes.

Consistent with such intent, Title 28 of the Code of Federal Regulations (C.F.R.) was amended to read:

§ 20.33 Dissemination of criminal history record information.

a) Criminal history record information contained in the Interstate Identification Index (III) System and the Fingerprint Identification Records System (FIRS) may be made available:

1) To criminal justice agencies for criminal justice purposes, which purposes include the screening of employees or applicants for employment hired by criminal justice agencies.

2) To noncriminal justice governmental agencies performing criminal justice dispatching functions or data processing/information services for criminal justice agencies; and

3) To private contractors pursuant to a specific agreement with an agency identified in paragraphs (a)(1) or (a)(6) of this section and for the purpose of providing services for the administration of criminal justice pursuant to that agreement. The agreement must incorporate a security addendum approved by the Attorney General of the United States, which shall specifically authorize access to criminal history record information, limit the use of the information to the purposes for which it is provided, ensure the security and confidentiality of the information consistent with these regulations, provide for sanctions, and contain such other provisions as the Attorney General may require. The power
and authority of the Attorney General hereunder shall be exercised by the FBI Director (or the Director's designee).

This Security Addendum, appended to and incorporated by reference in a government-private sector contract entered into for such purpose, is intended to insure that the benefits of privatization are not attained with any accompanying degradation in the security of the national system of criminal records accessed by the contracting private party. This Security Addendum addresses both concerns for personal integrity and electronic security which have been addressed in previously executed user agreements and management control agreements.

A government agency may privatize functions traditionally performed by criminal justice agencies (or noncriminal justice agencies acting under a management control agreement), subject to the terms of this Security Addendum. If privatized, access by a private contractor's personnel to NCIC data and other CJIS information is restricted to only that necessary to perform the privatized tasks consistent with the government agency's function and the focus of the contract. If privatized the contractor may not access, modify, use or disseminate such data in any manner not expressly authorized by the government agency in consultation with the FBI.
The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CJIS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as “security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information.”

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI's information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks and support facilities supporting and/or acting on behalf of the government agency.

CERTIFICATION

I hereby certify that I am familiar with the contents of (1) the Security Addendum, including its legal authority and purpose; (2) the NCIC Operating Manual; (3) the CJIS Security Policy; and (4) Title 28, Code of Federal Regulations, Part 20, and agree to be bound by their provisions.

I recognize that criminal history record information and related data, by its very nature, is sensitive and has potential for great harm if misused. I acknowledge that access to criminal history record information and related data is therefore limited to the purpose(s) for which a government agency has entered into the contract incorporating this Security Addendum. I understand that misuse of the system by, among other things: accessing it without authorization; accessing it by exceeding authorization; accessing it for an improper purpose; using, disseminating or re-disseminating information received as a result of this contract for a purpose other than that envisioned by the contract, may subject me to administrative and criminal penalties. I understand that accessing the system for an appropriate purpose and then using, disseminating or re-disseminating the information received for another purpose other than execution of the contract also constitutes misuse. I further understand that the occurrence of misuse does not depend upon whether or not I receive additional compensation for such authorized activity. Such exposure for misuse includes, but is not limited to, suspension or loss of employment and prosecution for state and federal crimes.
