

**Master Services Agreement  
Tooele County Jail (UT)**

This Master Services Agreement (this "Agreement") is by and between the Tooele County Jail ("you" or "Customer") and Securus Technologies, Inc., ("we," "us," or "Provider"). This Agreement supersedes any and all other agreements (oral, written, or otherwise) that may have been made between the parties and will be effective as of the last date signed by either party (the "Effective Date").

Whereas, the Customer desires and Provider agrees that Provider will install an inmate telecommunication system and will provide telecommunications and maintenance services according to the terms and conditions set forth herein and in the attached Schedule(s) and Statement of Work, which are incorporated by reference;

Now therefore, in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. Applications. This Agreement specifies the general terms and conditions under which we will provide certain inmate-related services and applications (the "Application(s)") to you. Additional terms and conditions with respect to the Applications will be specified in the schedules entered into by the parties and attached hereto (the "Schedules"). The Schedules are incorporated into this Agreement and are subject to the terms and conditions of this Agreement. In the event of any conflict between this Agreement and a Schedule, the terms of the Schedule will govern. In the event of any conflict between any two Schedules for a particular Application, the latest in time will govern.
2. Use of Applications. You grant us the exclusive right and license to install, maintain, and derive revenue from the Applications through our inmate systems (including, without limitation, the related hardware and software) (the "System") located in and around the inmate confinement facility or facilities identified in the Schedule (the "Facility" or "Facilities"). You are responsible for the manner in which you and your respective users use the Applications. Unless expressly permitted by a Schedule or separate written agreement with us, you will not resell the Applications or provide access to the Applications (other than as expressly provided in a particular Schedule), directly or indirectly, to third parties. During the term of this Agreement and subject to the remaining terms and conditions of this Agreement, Provider will be the sole and exclusive provider of existing and any future inmate-related communications, whether fixed, mobile or otherwise, including but not limited to voice, video, and data (e.g., phone calls, video calls, messaging, prepaid calling cards, debit calling, and e-mail) and inmate software applications (e.g., automated grievance filing system, law library, etc.) at all existing and future correctional facilities under the authority of Customer and in lieu of any other third party providing such inmate communications, including without limitation, Customer's employees, agents, or subcontractors.
3. Compensation. Compensation for each Application, if any, and the applicable payment addresses are as stated in the Schedules.
4. Term. The initial term of this Agreement (the "Initial Term") will begin on the Effective Date and will end on December 31, 2024. Unless one party delivers to the other written notice of non-renewal at least 90 days before the end of the then current term, this Agreement will automatically renew for successive periods of 12 months each. Notwithstanding anything to the contrary, the terms and conditions of this Agreement will continue to apply to each Schedule for so long as we continue to provide the Application to you after the expiration or earlier termination of this Agreement.
5. Service Level Agreement and Limited Remedy. We are committed to providing you with reliable, high quality Applications, and we offer certain assurances about the quality of our Applications (the "Service Level Agreement"). The Service Level Agreement for each Application is as set forth in the applicable Schedule. THE SERVICE LEVEL AGREEMENT SETS FORTH THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OR DEFECT OF AN APPLICATION. WE DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ANY IMPLIED WARRANTY ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, AND NONINFRINGEMENT.
6. Software License. We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Applications (the "Software"). In connection therewith, Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users, and (ii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein. The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the "Updates"). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software products we obtain on your behalf.

You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide will be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Applications at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

7. Ownership and Use. The System, the Applications, and related records, data, and information (excepting recorded communications and, if applicable, e-mails, for which you retain ownership) will at all times remain our sole and exclusive property unless prohibited by law, in which event, we will have the unlimited right to use such records, data, and information for investigative and law enforcement purposes. During the term of this Agreement and for a reasonable period of time thereafter, we will provide you with reasonable access to the records. We (or our licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to our Applications, the System, and our other products and services (the "Materials"). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

8. Legality/Limited License Agreement. For services related to Applications which may allow you to monitor and record inmate or other administrative telephone calls, or transmit or receive inmate electronic messages ("e-mail"); by providing the Application, we make no representation or warranty as to the legality of recording or monitoring inmate or administrative telephone calls or transmitting or receiving inmate e-mail messages. Further, you retain custody and ownership of all recordings, and inmate e-mail messages; however you grant us a perpetual limited license to compile, store, and access recordings or inmate calls and access inmate e-mail messages for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to recordings of inmate calls or e-mail messages with their attorneys or to recordings or e-mail messages protected from disclosure by other applicable privileges.

9. Private Number Designation. We will provide you with the ability to designate certain numbers (for example, attorney or clergy numbers) as "Private" within our Secure Call Platform. Calls to numbers designated as Private will not be recorded by us. Although we will maintain your Private list within our Secure Call Platform, you acknowledge and agree that you will have the sole discretion, authority, and responsibility for designating numbers as Private, and that we have no discretion, authority, or responsibility for making such designations, unless done so at your instruction. Further, to the fullest extent allowed by applicable law, you and/or your employees, agents, or contractors agree to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) arising out of the recording or monitoring of calls to numbers that should have been, but were not, designated by you as Private.

10. Confidentiality and Non-Disclosure. The System, Applications, and related call records and information (the "Confidential Information") will at all times remain confidential to Provider. Customer understands and acknowledges that Provider, as a common carrier, is required by Section 222 of the Communications Act of 1934, as amended, 47 U.S.C. Section 222, to maintain the confidentiality of "Customer Proprietary Network Information", or "CPNI", which protects from disclosure consumers' sensitive personal information (including phone numbers called by a consumer; the frequency, duration, and timing of such calls; and any services purchased by the consumer). Customer understands and acknowledges that such Confidential Information may be exempt from public disclosure and you agree that you will not disclose such Confidential Information to any third party without our prior written consent. Because you will be able to access confidential information of third parties that is protected by certain federal and state privacy laws through the Software and Applications, you will only access the Software with computer systems that have effective firewall and anti-virus protection. Moreover, you acknowledge that the contents of this contract constitute proprietary trade secrets and represent that you have not disclosed the terms and conditions of this Agreement to anyone outside of your organization save your legal representative. You warrant that you will keep the terms and conditions of this Agreement confidential and, unless required by court order or statute, will not disclose such information without Provider's express written consent (except that you may disclose the contents of this Agreement to your attorney or tax advisor, if any, but only after informing those persons that they must keep confidential the information contained herein). Before complying with any such court order or statute, you agree to notify Provider so that it may assert any rights to non-disclosure that it may have under the applicable law.

11. Claims. To the fullest extent allowed by applicable law, each party by itself and/or its employees, agents, or contractors agrees to be responsible for any loss, cost, claim, liability, damage, and expense (including, without limitation, reasonable attorney's fees and expenses) (collectively "Claims") arising out of (i) a breach of its own representations, warranties, and/or covenants contained herein, or (ii) gross negligence or willful misconduct, or (iii) actual or alleged intellectual property infringement.

Furthermore, the parties understand and agree that each one is subject to federal, state, and local laws and regulations, and each party bears the burden of its own compliance. Provider agrees to install and implement the Inmate Telephone System according to the law governing Provider, the instruction it receives from Customer as to Customer's requirements under the law, and the Facility's demographics. Customer agrees to indemnify Provider against any and all Claims arising out of or related to instruction Provider receives from Customer.

12. Insurance. We maintain comprehensive general liability insurance having limits of not less than \$2,000,000.00 in the aggregate. You agree to provide us with reasonable and timely written notice of any claim, demand, or cause of action made or brought against you arising out of or related to the utilization of the Applications and the System in which the Provider is brought in as a co-defendant in the Claim. We have the right to defend any such claim, demand, or cause of action at our sole cost and expense and within our sole and exclusive discretion. You agree not to compromise or settle any claim or cause of action arising out of or related to the use of the Applications or System without our prior written consent, and you are required to assist us with our defense of any such claim, demand, or cause of action.

13. Default and Termination. If either party defaults in the performance of any obligation under this Agreement, the non-defaulting party will give the defaulting party written notice of its default setting forth with specificity the nature of the default. If the defaulting party fails to cure its default within 30 days after receipt of the notice of default, the non-defaulting party will have the right to terminate this Agreement upon 30 days' written notice and to pursue all other remedies available to the non-defaulting party, either at law or in equity. Notwithstanding the foregoing, the 30 day cure period will be extended to 90 days if the default is not reasonably susceptible to cure within such 30 day period, but only if the defaulting party has begun to cure the default during the 30 day period and diligently pursues the cure of such default. Notwithstanding the foregoing, if Customer breaches its obligations in the section entitled "Software License" or the section entitled "Confidentiality", Provider will have the right to terminate this Agreement immediately.

14. Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, NEITHER PARTY WILL HAVE ANY LIABILITY FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, LOSS OF PROFITS OR INCOME, LOST OR CORRUPTED DATA, OR LOSS OF USE OR OTHER BENEFITS, HOWSOEVER CAUSED AND EVEN IF DUE TO THE PARTY'S NEGLIGENCE, BREACH OF CONTRACT, OR OTHER FAULT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. OUR AGGREGATE LIABILITY TO YOU RELATING TO OR ARISING OUT OF THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT WE PAID YOU DURING THE 12 MONTH PERIOD BEFORE THE DATE THE CLAIM AROSE.

15. Uncontrollable Circumstance. We reserve the right to renegotiate or terminate this Agreement upon 60 days' advance written notice if circumstances outside our control related to the Facilities (including, without limitation, changes in rates, regulations, or operations mandated by law; material reduction in inmate population or capacity; material changes in jail policy or economic conditions; actions you take for security reasons (e.g., Lockdowns); or acts of God) negatively impact our business; however, we will not unreasonably exercise such right. Further, Customer acknowledges that Provider's provision of the services is subject to certain federal, state, or local regulatory requirements and restrictions that are subject to change from time-to-time and that nothing contained herein to the contrary will restrict Provider from taking any steps necessary to perform in compliance therewith.

16. Injunctive Relief. Both parties agree that a breach of any of the obligations set forth in the sections entitled "Software License," "Ownership and Use," and "Confidentiality" would irreparably damage and create undue hardships for the other party. Therefore, the non-breaching party will be entitled to immediate court ordered injunctive relief to stop any apparent breach of such sections, such remedy being in addition to any other remedies available to such non-breaching party.

17. Force Majeure. Either party may be excused from performance under this Agreement to the extent that performance is prevented by any act of God, war, civil disturbance, terrorism, strikes, supply or market, failure of a third party's performance, failure, fluctuation or non-availability of electrical power, heat, light, air conditioning or telecommunications equipment, other equipment failure or similar event beyond its reasonable control; provided, however that the affected party will use reasonable efforts to remove such causes of non-performance.

18. Notices. Any notice or demand made by either party under the terms of this Agreement or under any statute will be in writing and will be given by personal delivery; registered or certified U.S. mail, postage prepaid; or commercial courier delivery service, to the address below the party's signature below, or to such other address as a party may designate by

written notice in compliance with this section. Notices will be deemed delivered as follows: personal delivery – upon receipt; U.S. mail – 5 days after deposit; and courier – when delivered as shown by courier records.

19. No Third-party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this Agreement will not be construed so as to create such status. The rights, duties, and obligations contained herein will operate only between the parties and will inure solely to their benefit. The provisions of this Agreement are intended to assist only the parties in determining and performing their obligations hereunder, and the parties intend and expressly agree that they alone will have any legal or equitable right to seek to enforce this Agreement, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Agreement, or to bring an action for the breach of this Agreement.

20. Miscellaneous. This Agreement will be governed by and construed in accordance with the laws of the state where the Facility is located. No waiver by either party of any event of default under this Agreement will operate as a waiver of any subsequent default under the terms of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, the validity or enforceability of the other provisions will remain unaffected. This Agreement will be binding upon and inure to the benefit of Provider and Customer and their respective successors and permitted assigns. Except for assignments to our affiliates or to any entity that succeeds to our business in connection with a merger or acquisition, neither party may assign this Agreement without the prior written consent of the other party. Each signatory to this Agreement warrants and represents that he or she has the unrestricted right and requisite authority to enter into and execute this Agreement, to bind his or her respective party, and to authorize the installation and operation of the System. Provider and Customer each will comply, at its own expense, with all applicable laws and regulations in the performance of their respective obligations under this Agreement and otherwise in their operations. Nothing in this Agreement will be deemed or construed by the parties or any other entity to create an agency, partnership, or joint venture between Customer and Provider. This Agreement cannot be modified orally and can be modified only by a written instrument signed by all parties. The parties' rights and obligations, which by their nature would extend beyond the termination, cancellation, or expiration of this Agreement, will survive such termination, cancellation, or expiration (including, without limitation, any payment obligations for services or equipment received before such termination, cancellation, or expiration). This Agreement may be executed in counterparts, each of which will be fully effective as an original, and all of which together will constitute one and the same instrument. Each party agrees that delivery of an executed copy of this Agreement by facsimile transmission or by PDF e-mail attachment will have the same force and effect as hand delivery with original signatures. Each party may use facsimile or PDF signatures as evidence of the execution and delivery of this Agreement to the same extent that original signatures can be used. This Agreement, together with the exhibits and Schedules, constitutes the entire agreement of the parties regarding the subject matter set forth herein and supersedes any prior or contemporaneous oral or written agreements or guarantees regarding the subject matter set forth herein.

This Schedule is between Securus Technologies, Inc. ("we" or "Provider"), and the Tooele County Jail ("you" or "Customer") and is part of and governed by the Master Services Agreement (the "Agreement") executed by the parties. The terms and conditions of the Agreement are incorporated herein by reference. This Schedule will be coterminous with the Agreement ("Schedule Effective Date").

A. Applications. We will provide the following Applications:

**CALL MANAGEMENT SYSTEM**

DESCRIPTION:

Secure Call Platform: Secure Call Platform ("SCP") provides through its centralized system automatic placement of calls by inmates without the need for conventional live operator services. In addition, SCP has the ability to do the following: (a) monitor and record inmate calls, (b) prevent monitoring and recording of private calls (i.e., attorney client calls, clergy calls, or other calls as approved and implemented by you); private number settings allow you to mark these calls not to be monitored or recorded, and you are solely responsible for identifying, approving and disabling requests for private treatment; (c) automatically limit the duration of each call to a certain period designated by us, (d) maintain call detail records in accordance with our standard practices, (e) automatically shut the System on or off, and (f) allow free calls to the extent required by applicable law. We will be responsible for all billing and collections of inmate calling charges but may contract with third parties to perform such functions. SCP will be provided at the Facilities specified in the chart below.

SCP provides the ability to store call recordings in secure, redundant environment. We will store call recordings for a period of 12 months from the date of recording, after which they will be permanently deleted. SCP also provides you with the ability to download and store call recordings. You are solely responsible for preserving any call recordings beyond the storage period by downloading them to a separate storage medium.

SCP also includes the ability to integrate inmate Debit accounts. A Debit account is a prepaid, inmate-owned account used to pay for inmate telephone calls. A Debit account is funded by transfer of inmate's facility trust/commissary account funds to inmate's Debit account. Provider will also allow inmate friends and family members to fund an inmate's Debit account via multiple points-of-sale. Funds deposited by friends and family members into an inmate's Debit account become property of the inmate. Provider establishes inmate Debit accounts which are associated with the inmate's Personal Identification Number ("PIN"). Provider requires inmate to key in his/her PIN at the beginning of every Debit call to complete the call and pay for the call using the inmate's Debit account. If implemented, Customer agrees to have the Debit module of Provider's SCP Call Management System enabled for the Facilities to offer Debit account to inmates. If implemented, Customer also agrees to use Provider's SCP User Interface or utilize integration with Customer's trust account system to process inmate's fund transfer requests. Notwithstanding, Provider will not be responsible for any delays due to (i) Customer's failure to perform any of its obligations for the project; (ii) any of Customer's vendors' failure to perform any of its obligations for the project; or (iii) circumstances outside of Provider's control.

INVOICING AND COMPENSATION:

Collect and Inmate Debit Calls. We will pay you commission (the "Commission") based on the Gross Revenues that we earn through the completion of collect and inmate Debit calls, excluding interstate calls, placed from the Facilities as specified in the chart below. "Gross Revenues" means all gross billed revenues relating to completed collect and inmate Debit calls generated by and through the Inmate Telecommunications System. Regulatory required and other items such as federal, state and local charges, taxes and fees, including transaction funding fees, transaction fees, credits, billing recovery fees, charges billed by non-LEC third parties, and promotional programs are excluded from revenue to the Provider. For inmate Debit calls, Provider reserves the right to deduct call credits from Gross Revenue. We will remit the Commission for a calendar month to you on or before the 30th day after the end of the calendar month in which the calls were made (the "Payment Date"). All Commission payments will be final and binding upon you unless we receive written objection within 60 days after the Payment Date. Your payment address is as set forth in the chart below. You will notify us in writing at least 60 days before a Payment Date of any change in your payment address.

Customer acknowledges and agrees that we are paying the Commission for the exclusive right to provide inmate telephone services to inmates in Customer's Facility(s), and that any taxes assessed on Commission payments are the sole responsibility of Customer.

In addition, Provider will invoice Customer on a weekly basis for all funding amounts transferred from inmates' facility trust/commissary accounts to Inmate Debit accounts. The invoice will be due and payable upon receipt.

**FACILITIES AND RELATED SPECIFICATIONS:**

Should the Customer fail to implement all such products and payment methods within ninety (90) days of the Effective Date, the commission percentage is subject to renegotiation.**

**Commissions are paid in one-month arrears and are not subject to retroactive payments or adjustments for failure to provide timely notice of address changes.**

We will provide you with the Software regarding the Secure Calling Platform Interface ("S-Gate User Interface") which may be used only on computers and other equipment that meets or exceeds the specifications in the chart below, which we may amend from time to time ("Compatible Equipment"). Customer represents that (i) it will be responsible for distributing and assigning licenses to its end users; (ii) it will use the SCP User Interface for lawful purposes and will not transmit, retransmit, or store material in violation of any federal or state laws or regulation; and (iii) it will monitor and ensure that its licensed end users comply with all Provider Use Terms and Conditions and as directed herein.

Priority 2	24 hours
Priority 3	72 hours

4. Response Process. In the event of a System Event, where the equipment is located on Customer premises, Technical Support will either initiate remote diagnosis and correction of the System Event or dispatch a field technician to the Facility (in which case the applicable regional dispatcher will contact you with the technician's estimated time of arrival), as necessary. In the event a System Event occurs in the centralized SCP system, technical support will initiate remote diagnosis and correction of the System Event.

5. Performance of Service. All of our repair and maintenance of the System will be done in a good and workmanlike manner at no cost to you except as may be otherwise set forth in the Agreement. #### COMPENSATION

AdvanceConnect Single Call™ transactions are rated at the FCC-regulated fee (currently \$3 for automated transactions) plus the applicable per minute rate and any applicable federal, state, and local taxes.

AdvanceConnect Single Call™ is commissioned in the same manner as an AdvanceConnect™ call that does not use this feature.

### **PREPAID CALLING CARDS**

Prepaid Calling Cards are not returnable or refundable; all sales are final. Each Prepaid Calling Cards will be valid for no more than six (6) months from the date it is first used. The cards are subject to applicable local, state, and federal taxes plus any applicable per call surcharge fee. If you authorize us, we will deal with your third-party commissary operator ("Commissary Operator") for the sole purpose of selling Prepaid Calling Cards to you. If that is the case, you will notify us in writing of any change in the identity of the Commissary Operator, which change will be effective on the date that we receive the notice. Notwithstanding anything to the contrary, you will remain primarily liable for the payment for Prepaid Calling Cards sold to Commissary Operator on your behalf.

#### TAXES:

#### COMPENSATION:

The face value of the Cards, less a discount percentage of 30%\*, plus any applicable sales tax and shipping charges will be due and payable within 30 days after the invoice date. If you authorize us in writing we will deduct amounts owed from your earned Commissions. If the amounts owed exceed the Commission for the relevant month or if, for any reason, the Agreement terminates or expires during the relevant month, Provider will invoice you for the balance which will be due within 30 days after the date of the invoice. All applicable sales taxes will be charged on the invoiced amount of the Prepaid Calling Card sale, unless Customer provides us a valid reseller's certificate before the time of sale.

#### **INVESTIGATOR PRO™**

##### DESCRIPTION:

Investigator Pro™ is a telephone safety, security, and investigative feature of SCP. Investigator Pro™ uses continuous voice identification technology to determine what inmate(s) are speaking on the call, detect certain three-way call violations, and help investigators find correlations between calls that might otherwise go undetected. Inmates must participate in a supervised voice print enrollment process. This inmate voice print enrollment process will be the responsibility of Customer. Moreover, Customer understands and acknowledges that, in instances where inmate calls originate from Tablets, Investigator Pro™ works only with Provider's certified earbuds. If Customer elects to sell alternative earbuds, Customer forgoes the effectiveness of Investigator Pro's™ voice identification technology on Tablet calls.

##### COMPENSATION:

In exchange for receipt of Investigator Pro™, Customer will pay Provider a licensing fee equal to \$0.02 per all completed call minutes, which will be paid by way of commission deductions. Payment will commence upon installation. In any given month, in the event commissions earned are less than the licensing fee, Customer may be sent an invoice for the remaining amount. To help offset the cost recovery of Investigator Pro™ at Customer's Facilities, call rates to end users will increase by \$0.02 per minute (excluding interstate), if permitted by state and federal regulatory requirements.

#### **TABLETS**

##### DESCRIPTION:

Provider will deploy free basic community tablets to Facility. In addition to the free basic community tablets, Provider will offer personal rental tablets with premium content. One set of Provider-issued earbuds comes standard with each personal tablet rental. Premium content may include, but is not limited to, songs, games, movies, and television episodes and is available for purchase using Inmate Debit only. Customer understands and acknowledges that premium content is subject to availability and may change at Provider's discretion. Premium content also may be subject to third-party licensing agreements with content providers.

For the 12-month period following the Effective Date, Provider will offer personal rental tablets at a promotional rate of \$5.00 per tablet per month plus applicable taxes and/or fees. Provider will pay Customer 10% of the gross revenue earned through the rental of personal tablets and the purchase of premium content on the personal rental tablets. The parties reserve the right to renegotiate the \$5.00 promotional rental rate and/or commissions earned if, after the initial 12-month period, Provider's tablet-related costs exceed the gross revenue generated.

##### TERMS & CONDITIONS:

Customer represents and warrants that it will not provide the SecureView Tablet Solution to inmates whom Customer knows or reasonably suspects pose a threat to other inmates or Facility personnel, or who may use an Inmate Tablet in a dangerous or unauthorized manner.

Customer understands and acknowledges that premium content is rented and available only for the duration of an inmate's incarceration at the Facility and will not be made available upon the inmate's release.

Customer further understands and acknowledges that, in instances where inmate telephone calls originate from Tablets, Investigator Pro™ works only with Provider's certified earbuds. If Customer elects to sell alternative earbuds, Customer forgoes the effectiveness of Investigator Pro's™ voice identification technology on Tablet calls. Moreover, Customer will refrain from the sale or distribution of earbuds with a microphone other than Provider's certified earbuds.

PROVIDER DOES NOT MAKE AND HEREBY DISCLAIMS ANY WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SECUREVIEW TABLET SOLUTION. PROVIDER DOES NOT GUARANTEE OR WARRANT THE CORRECTNESS, COMPLETENESS, LEGALITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OF THE SECUREVIEW TABLET SOLUTION.

IN NO EVENT WILL PROVIDER BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING, INCURRED BY CUSTOMER OR INMATE FROM RECEIPT OR USE OF THE SECUREVIEW TABLET SOLUTION OR THE UNAVAILABILITY THEREOF.

Customer hereby agrees to protect, indemnify, defend, and hold harmless Provider from and against any and all costs, claims, demands, damages, losses, and liabilities (including attorneys' fees and costs) arising from or in any way related to Customer's or inmates' use of the SecureView Tablet solution.

**CALLING RATES**

Provider will charge rates that are in compliance with state and federal regulatory requirements. International rates, if applicable, will vary by country.

This Addendum for Sale of Goods (Earbuds) (hereinafter "Addendum") is provided by the party identified below as Customer ("Customer") and is subject to and governed by the current Master Services Agreement ("Agreement") between Customer and Securus Technologies, Inc. ("Provider"). Its terms are effective as of the date signed by Customer below (the "Effective Date") and this Addendum is coterminous with the Agreement.

1. Sale of Goods. Provider shall sell, and Customer shall buy, certain proprietary inmate earbud headphones (the "Goods") in the quantities and pricing set forth in this Addendum. 2. Invoices and Payment. Payment is due within 30 days of the date of Provider's invoice, which date will not be before the date of Provider's delivery of the Goods. The Customer shall be charged interest of the lesser of (1) one percent per month or (2) the highest rate allowed by law on all overdue amounts until they are paid.
3. Purchase and Resale Pricing. Customer is purchasing the Goods for \$5.66 per single unit of the Goods ("Purchase Price") and will resell the Goods to inmates at an amount of \$5.66 per single unit ("Resale Price"). Any change to the either the Purchase Price or Resale Price must be agreed to in writing. In addition to the Purchase Price, Customer shall pay all taxes and any third-party expenses related to the transaction contemplated by this Addendum.
4. Requirements Relating to Order Quantity. Customer understands and agrees that each order and sale of Goods pursuant to this Addendum must (1) be for at least 25 units; and (2) be made in 25 unit increments ("Bundle"). One Bundle is the minimum required purchase, and each Bundle will cost \$141.50 (\$5.66 x 25 units). Provider may, at its option, decline to fulfill any order that does not conform to these requirements.
5. Limitation on Competing Goods. The parties agree that the Goods have been specifically manufactured for Provider and certified to work with Provider's proprietary inmate tablets (the "Tablets") that are deployed in correctional facilities in which Customer intends to sell the Goods, and that no similar competing Goods have been certified to work with Provider's Tablets. Accordingly, Customer will refrain from the sale or distribution of earbuds with a microphone other than Provider's certified earbuds.
6. Delivery, Title, and Risk of Loss. Provider shall deliver the Goods FOB to Provider's delivery address identified in an order, and title to and risk of loss of the Goods will pass to Customer upon such delivery by Provider. Any stated delivery dates are approximate. Provider will not be liable for any losses, damages, penalties, or expenses for failure to meet any delivery date.
7. Returns. Customer agrees that it will be solely responsible for any returns of the Goods after resale to inmates, and that Provider shall have no responsibility or obligation with respect to the same.
8. Disclaimer of Warranty; Due Diligence. The Goods are being sold "AS IS," and Provider disclaims all warranties, whether express or implied, including the warranties of merchantability and fitness for particular purpose. The Customer acknowledges that it has not been induced by any statements or representations of any person with respect to the quality or condition of the Goods and that no such statements or representations have been made. The Customer acknowledges that it has relied solely on the investigations, examinations, and inspections as Customer has chosen to make and that Provider has afforded Customer the opportunity for full and complete investigations, examinations, and inspections. All sales are final.
