Amendment 1

Attachment

The Utah Department of Corrections (UDC) and Contractor agree to the following pricing changes related to recent FCC rulings:

- (1) Commission rate; 76.9% on all calls.
- (2) The parties acknowledge that there will be no per call “connection fees” charged and that the “per minute” rates will be capped as outlined below.
- (3) Contractor shall not charge bill (invoice) statement fees, property (premise) imposed fees (PIF), non-mandated governmental fees or charges not allowed by law or statute of any kind on inmate telephone calls. However, Contractor may charge “transaction fees” as allowed under current FCC regulations. These fees shall not exceed; (1) \$5.95 for prepaid/debit purchases made through a live agent; (2) \$3.00 for prepaid/debit purchases made through an automated phone system; and (3) \$3.00 for prepaid/debit purchases made online.
- (4) Guaranteed minimum monthly payment to UDC of: \$77,000.00. (This is not a cap on the commission that can be paid to UDC on a monthly basis, rather, it is merely a minimum guarantee ensuring that the amount paid to UDC by Contractor will never be less than the \$77,000.00 guaranteed monthly minimum).
