Hello Mr. Ganim,

The current contract with Global Tel Link (GTL) has been extended until a new contract is in place. The DOC is currently in the process of reviewing proposals from CenturyLink, Global Tel Link, and Securus. Below are the rates in the current contract with GTL, and we anticipate that the new contract (which should be awarded within the next few months) will have considerably lower rates.

Mr. Batley:

After reviewing our records, I see that the Virginia Inmate Phone Contract with GTL expired on 6-30-2014. Would it be possible to obtain a copy of your amended or completely new inmate phone contract? We would also appreciate you sending the new rate sheet including any rate changes for all call types, as well as any new ancillary fees.

If you have any questions, please feel free to email me at this address or call me directly at 561-360-2523.

Thank you very much for your time and consideration.
