BEFORE THE  
PUBLIC SERVICE COMMISSION OF WISCONSIN

Application of ITI Inmate Telephone, Inc., for Intrastate Authority to  
Resell Telecommunications Services and for Certification as an Alternative  
Telecommunications Utility – Reseller

7761-TI-100

**CERTIFICATE OF AUTHORITY  
ALTERNATIVE TELECOMMUNICATIONS UTILITY - RESELLER**

ITI Inmate Telephone, Inc. (ITI Inmate), having met the application requirements of Wis. Stat. ch. 196, and Wis. Admin. Code ch. PSC 168, is certified as an Alternative Telecommunications Utility – Reseller under Wis. Stat. § 196.01 (1d)(c). It is authorized in Wisconsin to resell all local and long distance intrastate telecommunications services, except those services identified in Wis. Admin. Code § PSC 168.03.

As an Alternative Telecommunications Utility – Reseller, ITI Inmate must abide by the reseller rules in Wis. Admin. Code ch. PSC 168, the universal service rules in Wis. Admin. Code ch. PSC 160, the Commission’s minimum standards in Wis. Admin. Code ch. PSC 165 for technical service quality, deposits, disconnection, and billing and collection of amounts owed for services provided or to be provided, any applicable Commission orders, any applicable statutes including the statutory sections listed in Wis. Admin. Code § PSC 168.09, and any current and future orders applicable to resellers. Future orders that may be issued include *Investigation of the Relationship Between Incumbent Local Exchange Carriers and Affiliated Companies Operating in Competitive Markets*, docket 05-TI-158, or any rulemaking resulting therefrom, which may apply certain additional statutes to resellers affiliated with incumbent local exchange carriers.

Docket 7761-TI-100

In addition, because 1993 Wis. Act 496 expressly removed the requirement for advance notice of certification of an ATU application, this certification is issued under a differing statutory process exception, as recognized under Wis. Admin. Code § PSC 2.01 (June 2002) by Commission delegation action of September 26, 2002.

The reseller certification of ITI Inmate shall remain in effect unless it automatically expires pursuant to Wis. Admin. Code § PSC 168.07 for failure to file an annual report or required fee, the Commission revokes said certification under § PSC 168.13, or the reseller voluntarily surrenders the certification pursuant to Wis. Admin. Code § PSC 168.14.

To retain certification for subsequent years, ITI Inmate must file by April 1 of each year, its annual report and, if applicable, a \$100 fee, as required by Wis. Admin. Code ch. PSC 168.<sup>1</sup>
