RE: Response to FOIA

Ms. Dillon:

The West Virginia Division of Corrections and Rehabilitation ("WVDCR") has received your Freedom of Information Request.

Specifically, you requested:

1. All contracts or other agreements, including all exhibits, addenda and extensions, between West Virginia Division of Corrections and Rehabilitation (DCR) and any provider of telephone services for use by prisoners or other detainees that are currently in effect, or have been signed but not yet in effect. The responsive materials are enclosed on a disc.

2. Documents detailing all payments received by the West Virginia DCR from any telephone service provider, or on behalf of any telephone service provider, from January 1, 2014-present. This request is overly burdensome, as each facility receives the payments respectively. Below are the amounts in payments received by the WVDCR from January 1, 2014 to the present date:

   - GTL Payments - Regional Jails - $5,605,221 - January 2014 to present.
   - CenturyLink Payments - Prisons - $5,260.55 - October 2015 to present.

3. Documents detailing rates for telephone calls made by prisoners or other detainees of any West Virginia DCR facilities from January 1, 2014 to present. The responsive materials are enclosed on a disc, within the contracts provided.
