**PROFESSIONAL SERVICES CONTRACT BETWEEN
THE STATE OF WYOMING, DEPARTMENT OF CORRECTIONS
AND INMATE CALLING SOLUTIONS**

1. **Parties.** The parties to this Contract are the State of Wyoming, Department of Corrections (hereinafter referred to as "WDOC"), whose address is 700 West 21st Street, Cheyenne, Wyoming 82002, and Inmate Calling Solutions (hereinafter referred to as "Contractor"), whose address is 5883 Rue Ferrari, San Jose, CA 95138.

2. **Purpose of Contract.** The purpose of this Contract is for WDOC to grant Contractor the exclusive right and privilege to install and operate prison inmate telephones and related telephone equipment at WDOC's Facilities as detailed in **Attachment B** (hereinafter referred to as "Facilities"). Contractor shall, at no cost to WDOC, provide all inside wiring for the inmate telephones, install the inmate telephones, and the related hardware and software/firmware specifically identified herein, to enable inmates at the Facilities to make auto-collect local and long distance calls, debit local, long distance and international calls, and/or pre-paid local, long distance and international calls from the Facilities pursuant to the terms set forth herein.

3. **Term of Contract and Required Approvals.** This Contract is effective when all parties have executed it and all required approvals have been granted (Effective Date). The term of the Contract is from the Effective Date through June 30, 2010. All services shall be completed during this term. This contract may be renewed by the mutual agreement of the parties in writing and subject to the required approvals. There is no right or expectation of renewal and any renewal will be determined at the discretion of WDOC.

A. By law, contracts for professional or other services must be approved by the Attorney General and A&I Procurement, Wyo. Stat. § 9-1-403(b)(v), and all contracts for services costing over one thousand, five hundred dollars (\$1,500.00) must be approved by the Governor or his designee as well, Wyo. Stat. § 9-2-1016(b)(iv).

4. **Payment**

A. **Collect, Debit and Pre-Paid.**

i. Contractor shall pay WDOC forty-five percent (45%) commission based on the Gross Revenue generated by and through the ITS including, but not limited to, collect, debit and pre-paid inmate calls completed from the inmate telephone equipment located at the Facilities. Any additional fees or charges placed on the called party's telephone bill must be approved by the WDOC. The additional fees or charges will be considered part of the Gross

Revenue and shall be commissionable to WDOC at the rate specified above. Gross Revenue includes, but is not limited to, all Local: Intralata/Intrastate: Interlata/Intrastate; Interlata/Interstate; and International revenues and any and all additional charges and fees generated by the completion of all collect, debit, and pre-paid calls from Contractor's inmate telephones. Pre-paid calls include, but are not limited to, those calls completed by using a pre-paid card as well as all calls which have been pre-paid by any person or entity and by any method of payment.

ii. Contractor shall pay commission on the Gross Revenues before any deductions are made for un-billable calls, bad debt, uncollectible calls, fraudulent calls, LEC adjustments, or any other Contractor expenses.

iii. A collect call is deemed to be complete and commission due when the called party accepts the call regardless if Contractor can bill or collect the revenue on the call. A debit or pre-paid call is deemed to be complete and commission due when a connection is made between the inmate and the called party, whether such connection be established by positive acceptance or by live or automated machine pick-up. Calls to telephone numbers that appear on the free call list supplied by WDOC shall not generate revenue for Contractor and shall not be commissionable to WDOC. Only those numbers designated by WDOC on the free call list shall be marked as "Free" in the ITS.

iv. For the purposes of this paragraph, the term debit refers to a paperless, commissary-based program, not debit cards. Contractor shall handle the first twenty-thousand dollars (\$20,000.00) of debit Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate and International calls at the Medium Correctional Institution in Torrington, Wyoming, at no cost to WDOC as soon as this facility is opened. Any debit revenue generated in excess of the first \$20,000.00 at the Medium Correctional Institution in Torrington, Wyoming shall be commissioned to WDOC at the commission rate specified in paragraph **i** of **Section 4, A.**

v. On the fifth (5th) day following the month of traffic Contractor will invoice the Facilities for the total amount of debit usage less any credits issued. The total debit usage invoice shall be paid by the Facilities to Contractor by the twenty-fifth (25th) day of the month following the month of traffic. Contractor will be responsible for issuing the debit commission to WDOC as outlined **Section D** below and at the commission rate specified in paragraph **i** of **Section 4, A.**

B. Lobby Payphones. Contractor agrees to provide WDOC with a total of five (5) lobby telephones for the Facilities. Each lobby telephone shall

allow free local calls and incoming calls. Each lobby telephone shall also allow credit card, collect and toll-free calls.

C. Calling Rates.

i. The Contractor shall submit a request in writing to receive approval from WDOC for any rate increases and/or decreases for inmate telephone calls before new rates are implemented. WDOC will respond in writing to Contractor's request. Should Contractor decrease the calling rates without the express written approval of WDOC, the Contractor shall be responsible for paying commissions on the Gross Revenue as determined by applying the calling rates prior to the unapproved change. Should Contractor increase the calling rates without the express written approval of WDOC, Contractor must issue credits to all called parties that were overcharged and provide WDOC with documentation that the credits were issued. No commission refund shall be due from WDOC to Contractor for unapproved rate increases.

ii. Calling rates shall be defined as the combined cost of surcharges, any additional fees, and per minute rates charged to the called party.

iii. Both parties have mutually agreed upon the rates for inmate telephone calls, as detailed in **Attachment B**. Any and all charges and fees that will be assessed for all collect, debit and pre-paid inmate telephone calls shall be shown in **Attachment B**.

iv. For the life of the Contract, any rate adjustments requested by Contractor for inmate telephone calls must be requested by Contractor in writing and approved by WDOC in writing, prior to implementation.

v. Rate adjustments requested by WDOC will be implemented by Contractor within four (4) days of said request, subject to regulatory approval.

D. Reporting and Issuing Payment.

i. Contractor shall provide commission payments and traffic reports to WDOC or its Designated Agent no later than the twenty-fifth (25th) day of the month following the month of traffic. Commission payments shall be sent via wire transfer and traffic detail reports shall be sent via electronic format to WDOC or its Designated Agent.

ii. Traffic detail reports shall include a detailed breakdown of the traffic for each of the Facilities for all collect, debit and pre-

paid calls for each inmate telephone or inmate telephone station. Traffic detail shall include, at a minimum, each of the following items for each inmate telephone station broken down by collect, debit, and pre-paid call types: (a) Facility Name; (b) Facility Identification Number; (c) Facility Street Address, City, State, and Zip Code; (d) Automatic Number Identifier, or inmate telephone or inmate telephone station number; (e) Total Gross Local Revenue and Commission per Inmate Telephone or inmate telephone station; (f) Total Gross Intralata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (g) Total Gross Interlata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (h) Total Gross Interlata/Interstate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (i) Total Gross International Revenue per Inmate Telephone or Inmate Telephone Station; (j) Commission Rate; (k) total Commission Amount (including, but not limited to, Local, Intralata/Intrastate, Interlata/Intrastate, and Interlata/Interstate); (l) Period Dates; (m) Total Minutes of use per Inmate Telephone or inmate telephone station for each call type; (n) Total Number of Calls per Inmate Telephone or inmate telephone Station for each call type; (o) Total Debit Usage for each call type; (p) Total Pre-Paid Usage for each call type.

iii. Commission discrepancies must be resolved by Contractor within thirty (30) days of written notification of a discrepancy by WDOC or its Designated Agent to Contractor or such discrepancy is subject to late charges, as described below and/or termination of the Contract at the sole discretion of WDOC, and/or any other legal course of action WDOC elects to pursue.

E. Payments and/or traffic detail reports received by WDOC after the due date will be subject to late charges. The due date for all payments and reporting is the twenty fifth (25th) day of the month following the month of traffic. Late charges for commission payments shall be equal to five percent (5%) per month of the commission due. Late charges for traffic detail reporting shall be a fee of \$750.00 per month for each report not received by the twenty fifth (25th) day of the month following the traffic month. If both the commission payment and reporting are not received by the due date, the larger of the late charges will be imposed.

5. Responsibilities of Contractor

A. Contractor shall agree to all terms and conditions set forth in this Contract, and Contractor shall agree to the specifications, including, but not limited to, the features and functionalities of the Inmate Telephone System (hereinafter referred to as "ITS") listed in **Attachment A**. If WDOC designates an Agent, Contractor shall follow WDOC's direction in working with such Designated Agent.

6. Responsibilities of WDOC

A. WDOC shall comply with the terms and conditions of this Contract.

7. Special Provisions

A. Ethics. Contractor shall keep informed of and comply with the Wyoming Ethics and Disclosure Act (Wyo. Stat. § 9-13-101, et seq.), and any and all ethical standards governing Contractor's profession.

B. Monitor Activities. WDOC shall have the right to monitor all Contract related activities of the Contractor and all subcontractors. This shall include, but not be limited to, the right to make site inspections at any time, to bring experts and consultants on site to examine or evaluate completed work or work in progress, and to observe all Contractor personnel in every phase of performance of Contract related work.

C. No Finder's Fees. No finder's fee, employment agency fee, or other such fee related to the procurement of this Contract shall be paid by either party.

8. General Provisions

A. Amendments. Any changes, modifications, revisions or amendments to this Contract which are mutually agreed upon by the parties to this Contract shall be incorporated by written instrument, executed and signed by all parties to this Contract.

B. Applicable Law/Venue. The construction, interpretation and enforcement of this Contract shall be governed by the laws of the State of Wyoming. The Courts of the State of Wyoming shall have jurisdiction over this Contract and the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract, and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

C. Assignment/Contract Not Used as Collateral. Neither party shall assign or otherwise transfer any of the rights or delegate any of the duties set forth in this Contract without the prior written consent of the other party. The Contractor shall not use this Contract, or any portion thereof, for collateral for any financial obligation, without the prior written permission of WDOC.

D. Audit/Access to Records.

i. WDOC, and any of its representatives and/or its Designated Agent, shall have access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Contract. The Contractor shall, immediately upon receiving written instruction from WDOC, provide to any independent auditor, accountant, or accounting firm, all books, document, paper and records of Contractor which are pertinent to this Contract. The Contractor shall cooperate fully with any such independent auditor, accountant, or accounting firm, during the entire course of any audit authorized by WDOC.

ii. Contractor shall maintain accurate, complete and auditable records fully reflecting the Gross Revenues from which commissions can be determined, including all call detail, EMI billing records, pre-paid card sales, debit purchases, refunds, credits, and commissioning reports during the term of the Contract and for no less than two (2) years after the term of the Contract covered thereby in accordance with generally accepted accounting principles. Failure by Contractor to comply with this full audit rights provision will be grounds for termination of the Contract at WDOC's sole discretion.

iii. WDOC may also employ, at its cost and discretion, any Designated Agent or subcontractor of its choosing in the performance of such audits. If an audit reveals a shortage of more than three percent (3%) of a year's commission or other monies due, then the Contractor shall pay WDOC's reasonable cost of the audit and interest on any monies due WDOC at the rate of one and one-half percent (1.5%) per month within thirty (30) days after receipt of written notice for the same.

E. Availability of Funds. Each payment obligation of the WDOC is conditioned upon the availability of government funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services performed by the Contractor, the Contract may be terminated by WDOC at the end of the period for which the funds are available. WDOC shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. No penalty shall accrue to WDOC in the event this provision is exercised, and WDOC shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. This provision shall not be construed to permit WDOC to terminate this Contract to acquire similar services from another party.

F. Award of Related Contracts. WDOC may undertake or award supplemental or successor contracts for work related to this Contract. The Contractor shall cooperate fully with other contractors and WDOC in all such cases.

G. Certificate of Good Standing. Contractor shall provide Certificate of Good Standing verifying compliance with the unemployment insurance and workers' compensation programs prior to performing work under this Contract.

H. Compliance with Laws. The Contractor shall keep informed of and comply with all applicable federal, state and local laws and regulations in the performance of this Contract.

I. Confidentiality of Information. All documents, data compilations, reports, computer programs, photographs, and any other work provided to or produced by the Contractor in the performance of this Contract shall be kept confidential by the Contractor unless written permission is granted by WDOC for its release.

J. Entirety of Contract. This Contract, consisting of fifteen (15) pages; together with Attachment A, consisting of sixteen (16) pages, and Attachment B, consisting of two (2) pages; represents the entire and integrated Contract between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.

K. Extensions/Renewals. Nothing in this Contract shall be interpreted or deemed to create an expectation that this Contract will be extended beyond the term described herein. Any extension of this Contract shall be initiated by WDOC and shall be accomplished through a written amendment between the parties entered into before the expiration of the original Contract or any valid amendment thereto, and shall be effective only after it is reduced to writing and executed by all parties to the Contract. Any agreement to extend this Contract shall include, but is not limited to: an unambiguous identification of the Contract being extended; the term of the extension; the amount of any payment to be made during the extension, or a statement that no payment will be made during the extension; a statement that all terms and conditions of the original Contract shall, unless explicitly delineated in the exception, remain as they were in the original Contract; and, if the duties of either party will be different during the extension than they were under the original Contract, a detailed description of those duties.

L. Force Majeure. Neither party shall be liable for failure to perform under this Contract if such failure to perform arises out of causes beyond the control and without the fault or negligence of the nonperforming party. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that

required by the event, and takes all reasonable steps to minimize delays. This provision shall not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

M. Indemnification.

i. The Contractor shall indemnify, defend and hold harmless the State of Wyoming, WDOC, and their officers, Agents, employees, successors and assigns from any and all claims, lawsuits, losses and liability arising out of Contractor's failure to perform any of Contractor's duties and obligations hereunder or in connection with the negligent performance of Contractor's duties or obligations, including but not limited to any claims, lawsuits, losses or liability arising out of Contractor's malpractice.

ii. To the degree permitted by law, WDOC agrees to provide Contractor with reasonable and timely notice on any claim, demand or cause of action made or brought against WDOC arising out of or related to the services rendered by Contractor. Contractor shall have the right to defend any such claim at its sole cost and expense and with its exclusive discretion. WDOC agrees not to compromise or settle any claim or cause without the prior written consent of Contractor.

iii. In the event any infringement claim is made or threatened against WDOC, or injunctive relief is granted to a Claimant, Contractor shall (i) obtain the right for WDOC to continue use of the services; (ii) substitute other services of like capability, or (iii) replace or modify the services to render them non-infringing while retaining like capability. In the event Contractor is unable to perform any of the above, WDOC may terminate the Agreement with written notice to Contractor. The remedies provided in this subsection are WDOC's sole remedies for Contractor's failure to perform any obligation in this subsection.

iv. These indemnities and remedies shall survive the expiration or other termination of the Contract.

v. Contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by WDOC, including its Agents, employees, and assigns.

N. Independent Contractor. The Contractor shall function as an independent contractor for the purposes of this Contract, and shall not be considered an employee of the State of Wyoming for any purpose. The

Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by the Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Nothing in this Contract shall be interpreted as authorizing the Contractor or its agents and/or employees to act as an agent or representative for or on behalf of the State of Wyoming or WDOC, or to incur any obligation of any kind on the behalf of the State of Wyoming or WDOC. The Contractor agrees that no health/hospitalization benefits, workers' compensation and/or similar benefits available to State of Wyoming employees will inure to the benefit of the Contractor or the Contractor's agents and/or employees as a result of this Contract.

O. Kickbacks. Contractor certifies and warrants that no gratuities, kickbacks, or contingency fees were paid in connection with this agreement, nor were any fees, commissions, gifts, or other considerations made contingent upon the award of this agreement. If Contractor breaches or violates this warranty, WDOC may, at its discretion, terminate this agreement without liability to WDOC, or deduct from the agreed upon price or consideration, or otherwise recover, the full amount of any commission, percentage, brokerage, or contingency fee.

P. Notices. All notices arising out of, or from, the provisions of this Contract shall be in writing and given to the parties at the address provided under this Contract, either by regular mail, facsimile, e-mail, or delivery in person.

Q. Notice and Approval of Proposed Sale or Transfer of the Contractor. The Contractor shall provide WDOC with the earliest possible advance notice of any proposed sale or transfer or any proposed merger or consolidation of the assets of the Contractor. Such notice shall be provided in accordance with the notice provision of this Contract. If WDOC determines that the proposed merger, consolidation, sale, or transfer of assets is not consistent with the continued satisfactory performance of the Contractor's obligations under this Contract, then WDOC may, at its option, terminate or renegotiate the Contract.

R. Ownership of Documents/Work Product/Materials. All documents, reports, records, field notes, data, samples, specimens, and materials of any kind resulting from performance of this Contract are at all times the property of WDOC.

S. Patent or Copyright Protection. The Contractor recognizes that certain proprietary matters or techniques may be subject to patent, trademark, copyright, license or other similar restrictions, and warrants that no work performed by the Contractor or its subcontractors will violate any such restriction. The Contractor shall defend and indemnify WDOC for any violation

or alleged violation of such patent, trademark, copyright, license, or other restrictions.

T. Prior Approval. This Contract shall not be binding upon either party, no services shall be performed under the terms of this Contract, and the Wyoming State Auditor shall not draw warrants for payment on this Contract, until this Contract has been reduced to writing, approved as to form by the Office of the Attorney General, filed with and approved by the Department of Administration and Information's Procurement Office, and approved by the Governor of the State of Wyoming or his designee if required by Wyo. Stat. § 9-2-1016(b)(iv).

U. Proof of Insurance

i. Commercial General Liability Insurance. Contractor shall provide coverage during the entire term of this Contract against claims arising out of bodily injury, death, damage to or destruction of the property of others, including loss of use thereof, and including products and completed operations in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) per claimant and Five Hundred Thousand Dollars (\$500,000.00) per occurrence.

ii. Business Automobile Liability. The Contractor shall maintain, during the entire term of this Contract, automobile liability insurance in an amount not less than five hundred thousand dollars (\$500,000.00) per occurrence.

iii. Workers' Compensation and Employers Liability Insurance. The Contractor shall provide proof of workers' compensation coverage pursuant to the Wyoming Workers' Safety and Compensation program, if statutorily required, or such other workers' compensation insurance as appropriate. The Contractor's insurance shall include "Stop Gap" coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) per employee for each accident and disease.

iv. Professional Liability or Errors and Omissions Liability Insurance. The Contractor shall maintain and provide proof of professional liability insurance or errors and omissions liability insurance to protect the State and WDOC from any and all claims arising from the Contractor's alleged or real professional errors, omissions or mistakes in the performance of professional duties in an amount not less than five hundred thousand dollars (\$500,000.00).

v. All policies required under this Contract shall be in effect for the duration of this Contract and project. All policies shall be primary and not contributory. Contractor shall pay the premiums on all insurance

policies and insurance certificates must include a clause stating that the insurance may not be revoked, cancelled, amended or allowed to lapse until the expiration of at least thirty (30) days advance written notice to WDOC.

vi. WDOC as Additional Insured. All insurance policies required by this Contract, except workers' compensation, shall name WDOC as an additional insured, and shall contain a waiver of subrogation against WDOC, its agents and employees. Contractor shall provide, upon request, a copy of an endorsement providing this coverage.

vii. WDOC's Right to Reject. The State reserves the right to reject a certificate of insurance if the Contractor's insurance company is widely regarded in the insurance industry as financially unstable. This would include, but is not limited to, insurance companies with an "Omit" rating in the A.M. Best insurance rating guide.

viii. Subcontractors. The insurance requirements set out above apply to all subcontractors. It is the Contractor's responsibility to ensure that its subcontractors meet these insurance requirements. WDOC has the right to review the Certificates of any and all subcontractors used by the Contractor.

V. Publicity. Any publicity given to the program or services provided herein, including, but not limited to, notices, information, pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Contractor, shall identify WDOC as the sponsoring agency and shall not be released without prior written approval from WDOC.

W. Severability. Should any portion of this Contract be judicially determined to be illegal or unenforceable, the remainder of the Contract shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

X. Sovereign Immunity. The State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law. Designations of venue, choice of law, enforcement actions, and similar provisions should not be construed as a waiver of sovereign immunity. The parties agree that any ambiguity in this Contract shall not be strictly construed, either against or for either party, except that any ambiguity as to sovereign immunity shall be construed in favor of sovereign immunity.

Y. Taxes. The Contractor shall pay all taxes and other such amounts required by federal, state and local law, including but not limited to

federal and social security taxes, workers' compensation, unemployment insurance and sales taxes.

Z. Termination of Contract.

i. This Contract may be terminated, without cause, by WDOC upon thirty (30) days written notice. This Contract may be terminated immediately for cause if the Contractor fails to perform in accordance with the terms of this Contract.

ii. In the event either party breaches the Contract by failing to perform as agreed, the non-breaching party shall give the breaching party written notice of the failure stating what failure has occurred. The breaching party shall have thirty (30) days after the receipt of such notice to remedy the failure. If the breaching party does not remedy the failure in the allowed thirty (30) days, the non-breaching party may terminate this Agreement. Should Contractor for any reason, except in the case of Force Majeure (see **Paragraph L of Section 7** of this Contract), become unable to complete the work required by this Agreement, WDOC may, at its sole discretion, call for fifty-five thousand dollars (\$55,000.00) in liquidated damages. Notwithstanding the above, should WDOC prevent Contractor from entering the premises to complete repair work on the inmate telephone equipment, Contractor shall have time to complete said repairs using under the provisions outlined in **Item D of Section 12 in Attachment A** after WDOC allows Contractor access to the inmate telephone equipment.

iii. Contractor is responsible for performing remote diagnostics, monitoring, and maintenance on the ITS. In the event that WDOC experiences a service or equipment outage, Contractor shall repair any such outage or otherwise restore service within ten (10) days after it receives notice of or detects a service or equipment outage. If, Contractor is unable to make the necessary repairs and/or restore service within this ten (10) day period, WDOC may immediately terminate this Contract upon providing written notice of termination to Contractor. The Transition period referred to in **Section 11 of Attachment A** will begin upon the termination of this Contractor.

AA. Third Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of third party beneficiary, and this Contract shall not be construed so as to create such status. The rights, duties and obligations contained in this Contract shall operate only between the parties to this Contract, and shall inure solely to the benefit of the parties to this Contract. The provisions of this Contract are intended only to assist the parties in determining and performing their obligations under this Contract. The parties to this Contract intend and expressly agree that only parties signatory to this Contract shall have any legal or equitable right to seek

to enforce this Contract, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Contract, or to bring an action for the breach of this Contract.

BB. Titles Not Controlling. Titles of paragraphs are for reference only, and shall not be used to construe the language in this Contract.

CC. Limitation of Liability. Except as to claims brought by a third party against WDOC that are covered by **Paragraph M of Section 7** of the Contract, in no event shall WDOC have any liability for indirect, incidental, special, or consequential damages, loss of profits or income, lost or corrupted data, or loss of use or other benefits ("Extraordinary Damages") arising out of or in any way related to any equipment, product, or service provided by Contractor pursuant to this Contract. In any event, Contractor's liability for any damages shall be limited to the direct actual damages proven by WDOC, excluding any amounts relating to WDOC's negligence or willful misconduct.

DD. Discrepancy. Should there be a discrepancy in the Contract, the RFP, and the RFP response, the terms and conditions contained in the Contractor and its amendments will prevail over the RFP, and the RFP will prevail over the responses to the RFP.

EE. Dispute Resolution.

i. Resolution by Executives. All disputes will first be submitted for resolution to a top executive of each Party. Each such executive shall have authority to bind the Party in all matters in connection herewith. Within thirty (30) days of such submission, the executives will meet to resolve the dispute and may decide to hear additional arguments that a party may wish to make in connection therewith. If the executives reach agreement on the disposition of the dispute, they will promptly issue their joint written decision resolving the dispute. Any dispute dealt with in this manner will be considered conclusively resolved and may not be the subject of any arbitration or litigation between the Parties. Any dispute that cannot be promptly decided in this manner by the executives may be taken by the aggrieved party to arbitration as described below.

FF. Arbitration. Any dispute or claim arising out of or relating to this Agreement not resolved as described in subparagraph (17.6.1.) will be settled by one (1) arbitrator. The arbitrator will be independent and knowledgeable with respect to contracts of this kind. If practicable, the arbitrator will be agreed upon by the Parties, or will be appointed by agreement of the Parties from a list of no more than three (3) persons, but if the Parties are unable to agree on an arbitrator within ten (10) days from the date on which either Party requests the appointment of an arbitrator, either Party may request the American Arbitration Association to appoint such person as soon

as practicable. The arbitration will take place in a place that is mutually agreeable by both Parties. Each of the Parties will cooperate with the arbitrator and will provide the arbitrator with all information in their possession or under their control necessary or relevant to the matter being determined. The Parties will use their reasonable efforts to cause any arbitration hearing that may be held hereunder to be completed as soon as practicable. The arbitrator will be required to make his award as soon as practicable after the conclusion of the arbitration hearing. The award will be in writing, including the grounds on which the arbitrator based the award. Judgment upon an award, including any interim award, rendered by the arbitrator may be entered in any Court having jurisdiction thereof. The arbitrator may determine all questions of law and jurisdiction including questions as to whether the dispute is arbitratable, and has the right to grant permanent and interim damages or injunctive relief, and will have the discretion to award costs including reasonable legal fees, interest and costs of the arbitration.

GG. Waiver. The waiver of any breach of any term or condition in this Contract shall not be deemed a waiver of any prior or subsequent breach. Failure to object to a breach shall not constitute a waiver.

CONTRACTOR RESPONSIBILITIES & INMATE TELEPHONE SYSTEM FEATURES AND FUNCTIONALITIES

1. **General Requirements:** The Contractor shall furnish, install and maintain telephones for use by inmates at the Facilities listed in **Attachment B** operated by WDOC. Contractor shall provide all telephone services to the inmates utilizing Contractor's Inmate Telephone System ("ITS") in accordance with those requirements and provisions set forth in this section.

A. Contractor shall notify WDOC of any new software upgrades within thirty (30) days of the introduction of the new software into the market by Contractor. Contractor shall notify WDOC and upgrade the ITS with new software versions and new hardware developments at no cost to WDOC. Following a software upgrade, Contractor must provide WDOC with a list of enhancements, features/functionality resulting of the upgrade. In addition, Contractor must advise WDOC of any interruption in inmate telephone service that is anticipated for the completion of the upgrade.

B. Contractor shall comply with all applicable laws, rules, regulations, and orders of any authorized agency, commission, unit of the federal government, state, county, or municipal government at no cost to WDOC. The Contractor shall be authorized by the appropriate governing body and/or regulatory agency to be an Inmate Telephone Service Provider.

2. **Security:** All Contractor employees shall obtain, at Contractor's cost, the appropriate personnel background security clearances prior to arrival at the Facilities. All Contractor employees will comply with WDOC's policies and procedures. Entry to the Facilities is subject to the approval of the WDOC's onsite Facility Administrator, Warden or Security Manager.

3. **Single Point of Contact:** Contractor shall appoint an Account Executive ("AE") who will act as a single point of contact for all inmate telephone-related activities, inquiries, service requests and issues. Contractor will provide a toll-free telephone number for inmate telephone service issues. Contractor shall also provide a fax number and an Internet email address.

4. **Ongoing Installations:**

A. For each installation, the Contractor shall submit an implementation plan that shall include an installation schedule. Any initial installations must be completed within forty - five (45) days of the date WDOC awards the Facilities to the Contractor. This implementation plan will become a part of the Contract and must be followed.

B. The Contractor agrees to obtain WDOC's written permission before proceeding with any work that requires cutting into or through girders, beams, concrete or tile floors, partitions or ceilings, or any work that may impair fireproofing or moisture proofing, or potentially cause any structural damage. WDOC does not anticipate that such work will be required for the initial installation of the ITS.

C. The Contractor agrees to assume responsibility for all installation of equipment in accordance with the specifications contained in the manufacturer's installation instructions.

D. The Contractor shall provide a signed statement indicating that all circuits have been tested, and that all cables, pairs, blocks, frames, and terminals are legibly marked after completion of each installation.

E. Use of existing or in-place conduit, raceways, cable ways, cable, inside wiring, telephone set mountings, switches, terminal boxes, and terminals within the Facilities are at the risk of Contractor. No exposed wiring will be permitted. Ownership of any wiring or conduit placed under this Contract by Contractor becomes WDOC's upon expiration and/or termination of the Contract.

F. The Contractor agrees that if any cabling work is required as part of any installation, all new cables shall be used and marked clearly and legibly at both ends, and must meet all applicable EIA/TIA wiring standards for commercial buildings.

G. The Contractor shall install additional telephones, wiring and monitoring and recording equipment as needed at no cost to WDOC. This includes expansion to the existing Facilities and any newly constructed Facilities. This shall be done throughout the Contract term and all subsequent renewal terms.

H. The Contractor shall provide and install adequate surge and lightening protection equipment on all lines used for the ITS.

I. Installation of all telephones and related equipment shall be accomplished during normal business hours at each Facility or as directed by Facility's onsite Administrator, Warden or Security Manager.

J. The Contractor shall clean up and remove all debris and packaging material resulting from any work performed at the Facilities.

K. The Contractor shall restore to original condition any damage to WDOC's property caused by maintenance or installation personnel associated with Contractor, including repairs to walls, ceilings, etc.

L. The Contractor agrees to install, repair and maintain all Contractor provided equipment and lines at no cost to WDOC. All Contractor-provided equipment, installation, maintenance and repair costs as well as all costs or losses due to vandalism shall be the total responsibility of Contractor.

M. Upon completion of initial installation and ongoing installations, Contractor must provide WDOC with a list of telephone numbers, serial numbers, and locations of each unit.

5. Station Equipment Specifications: The ITS shall be capable of providing all operational features and system requirements applicable to all calls placed through the system, including local, long distance, and international calling.

A. Each call, having been identified as being placed through Contractor's ITS, shall be delivered to the called party as either a collect, debit - if the debit application is in effect and chosen as the means to place the call, or pre-paid call.

B. Telephone station equipment shall be powered by the telephone line and require no additional power source. A power source will be available at the demarcation location.

C. Contractor shall install, at minimum, one (1) inmate telephone for every ten (10) inmates in a day room or dormitory environment. Contractor must agree to install and maintain the quantity of telephones required by WDOC as detailed in **Attachment B**. Also, Contractor shall provide each Facility with a minimum of 10% onsite- inventory to allow for simple replacement of inmate telephone parts by the Facility personnel. Contractor shall be responsible for ensuring the on-site inventory is replenished, at a minimum, on a monthly basis. Pick-up and shipment of inmate telephone inventory shall be accomplished at no cost to WDOC.

D. The ITS shall comply with all Federal Communication and/or Utility Commissions regulations. The ITS and telephone stations shall be sturdy, non-coin, vandal resistant and steel armored composed of durable, tamper-free equipment suitable for a detention environment. The equipment must contain no removable parts.

E. Contractor shall provide a sufficient number of telephone lines to the ITS to prevent inmates from receiving busy signals more than 0.5% of the time.

F. Contractor shall provide telephone reception quality at least equal to the toll quality offered to the general public and shall meet telecommunication industry standards for service quality. A minimum of

twenty (20%) percent of the telephone sets must be of the "amplified" or volume controlled sort. Contractor shall accept WDOC's decision regarding whether the reception quality meets industry quality standards.

G. Call acceptance by the called party shall be accomplished for all collect, debit, and pre-paid calls through caller confirmation (positive acceptance). Voice recognition is not an acceptable method for positive call acceptance. The ITS shall be able to recognize and distinguish standard or irregular busy signals, standard or irregular ringing signals, answering machines, cellular telephones, pagers, operator intercepts, quick disconnects, chain dialing, no voice from called party, etc.

H. The ITS shall monitor the switch hook of the inmate telephones and if the switch hook is depressed at any time, the call will be disconnected or an internal dial tone should be activated to prevent fraud. Contractor must assume all responsibility for fraud.

I. During the call set up process, the ITS shall provide a pre-recorded announcement identifying that the call is coming from a specific inmate located at the Facilities. All collect calls must be clearly identified as a collect call to the called party. This recording must be heard by the called party and be free of any toll charges. The announcement shall also include: "This call may be monitored and recorded."

J. The ITS shall process calls on a selective bilingual basis: English and Spanish. The inmate must be able to select the preferred language utilizing a simple code. The called party must also be able to select the preferred language for call prompts. Written dialing instructions in both English and Spanish must be permanently and prominently displayed on each inmate telephone.

K. Contractor shall subscribe to the Local Exchange Carrier Line Information Screening Data Base (LIDB). Contractor shall query this database for each inmate call and process only those calls which do not have Billed Number Screening (BNS). Contractor must assume all responsibilities for the cost and the accuracy of validation.

L. The ITS shall provide a recording back to the inmate which details why a call was not completed.

M. The ITS shall have the capability to provide free calling to selected local numbers as determined by WDOC.

N. The ITS shall have the capability to program a specific speed dial codes to selected numbers as determined by WDOC.

O. Contractor shall provide WDOC with its SourceCheck 411 technology at each workstation. The call detail records shall be able to display the reverse directory information for the specified called number to include, at a minimum, the called party's billing name and address. The database shall be accessed via a secure link to the internet and shall be constantly updated. The subscription to the SourceCheck technology shall be provided to the WDOC and Facilities at no charge and shall be available at every workstation and any remote monitoring stations.

P. The Contractor must notify each Facility or the WDOC's Designated Agent any time a technician will require entry to any of the Facilities.

Q. The ITS shall, upon request by WDOC, provide specific information for tracking inmate calling activities and calling patterns by individual telephone numbers. The following reports shall be available for monitoring and billing purposes:

i. Monitoring reports that can be provided or sorted by any or all of the following criteria:

- Daily statistical reports;
- Facilities name;
- Originating number;
- Terminating number;
- Date of call;
- Time of day;
- Inmate name;
- Length of call;
- Type of call – local, intralata etc;
- Method of payment – collect, debit or pre-paid
- Line or Trunk group and trunk number call route;
- Location of station originating the call;
- Cost of the call;
- Call Acceptance code/Method of call acceptance;
- Call Termination code/Method of call termination;
- PIN number;
- Frequently called numbers (for all numbers called more than 5 times in one day);
- Calls from a specific inmate telephone station ID or group of station IDs;
- Common numbers called (for all numbers called by more than one inmate);
- Blocked numbers report; and
- Three way call attempt reports

ii. Billing reports that can be provided or sorted by any or all of the following criteria:

- Call detail report;
- Amount charged per call;
- Gross charges billed;
- Daily statistics;
- Monthly statistics;
- Called party/number accepting report;
- Fraud/velocity report;
- Separate facility totals and statistics;
- All facility totals and statistics;
- Total calls;
- Calls by date;
- Time of day; and
- Length of a call

R. The ITS shall provide system administrators with the capability to print reports directly from the search screen. After selecting the required parameters, the ITS shall have the capability to provide a return list of calls matching the criteria which can be printed in a report format. The ITS shall also have the capability to produce call count reports, and daily reports as well as frequency reports based on any of the criteria detailed above or any parameters as defined by the WDOC.

S. Security shall be maintained by a multi-level password system based on user access requirements. The ITS shall allow users to be assigned pre-set security levels, or allow the flexibility to assign individual access permissions based upon specific job requirements. These permissions shall include, but not be limited to, access to inmate accounts, monitoring, call searching, etc. Those users with the administrator level password must have the ability to set user access parameters for other users according to security requirements.

T. The ITS must include a user log. Only those users with administrator level access should be able to review the user log. The log must include user access to the system, the time and date of each access, and the action taken during the user access.

U. The ITS shall also provide the ability to customize reports in a form mutually agreed upon by WDOC and its Designated Agent and Contractor.

V. The call detail records shall be stored in a minimum of three (3) locations to avoid any possibility of call detail records being lost.

W. The ITS shall store all call detail records, including all attempts and completed calls at the each Facilities for the life of the Contract. WDOC shall have access to all call detail records for any of the Facilities from the central office in Cheyenne, WY via remote access.

X. The Contractor shall have the ability to perform remote diagnostics to the ITS to determine if a problem is with the telephone unit or with the telephone line.

Y. The ITS shall be TCP/IP compatible and allow multiple operators simultaneous access while maintaining adequate security to prevent unauthorized use and access.

Z. Contractor shall provide accommodations necessary to comply with Americans with Disabilities Act (ADA) requirements, including but not limited to, providing telephones which are accessible to persons in wheelchairs and providing systems that are compatible with Telephone Devices for the Deaf (TDD). Contractor shall provide one (1) TDD telephone at each Facility listed in **Attachment B** at no cost to WDOC. The TDD telephones shall be compatible with the ITS and must be installed and tested by Contractor.

AA. The ITS must offer the called party an option to receive a rate quote during the call set-up process for every call type.

BB. Contractor shall have the capability to establish an "informant" line. Calls to the "informant" line shall be free and shall be routed to a destination designated by WDOC. If so requested by WDOC, the destination for the "informant" line may be an automated voicemail box.

CC. Pro bono calls to Consulates of all countries are required for ICE detainees and shall be provided at no cost to WDOC.

6. Security Features:

A. The ITS shall prohibit direct-dialed calls of any type.

B. The ITS shall prohibit access to "411" information service.

C. The ITS shall prohibit access to 800 and 900 type services.

D. The ITS shall prohibit access to multiple long distance carriers via 950, 800, and 10 10-XXX numbers.

E. The ITS must be able to shut down quickly and selectively. WDOC must be able to shut down the ITS by cut-off switches at several locations including, but not limited to:

- i.** At demarcation location – total facility telephones;
- ii.** By central control center – select telephones; and
- iii.** By select housing units – control center.

F. The ITS shall be able to take an individual station out of service without affecting other stations or units.

G. The ITS shall prevent any inmate telephone from receiving any incoming calls. Contractor agrees that no inmate telephone shall be capable of receiving an incoming call and Contractor shall work with the local exchange carriers (LECs) to ensure such control.

H. The ITS, upon detection of a three-way call, shall have the capability to flag the call as a three-way call and in addition, the ITS shall have the capability to terminate the call immediately. Contractor shall keep WDOC updated on its progress in enhancing that ITS three-way detection and termination technology.

I. The ITS shall have the ability of answer detection.

J. The ITS shall incorporate keyword search technology.

K. The ITS shall have a fraud prevention feature. This feature will randomly interject pre-recorded announcements throughout the duration of the conversation to the called party indicating the source of the call. The inmate must not be able to interfere with these announcements.

L. The ITS shall be capable of denying certain telephone numbers from inmate dialing.

M. The inmate's call shall be muted until the called party has positively accepted the collect, debit or pre-paid call.

N. The ITS shall be capable of limiting the length of a call, providing the dial tone at certain times of the day and allowing a maximum number of minutes per inmate, per month.

O. In all circumstances, the ITS shall limit the inmate to a single call request. The ITS shall always require the inmate to disconnect and initiate another call.

P. ITS shall have the capability to detect and terminate Remote Call Forwarding calls whenever Contractor develops such technology.

7. Personal Identification Number (PIN) Application:

A. The PIN application shall work with the ITS using all of the features described herein.

B. The ITS shall have the capability to provide collect, debit, and pre-paid station-to-station calling utilizing a PIN.

C. The ITS shall be capable of providing Allow Lists (PANs) associated with each PIN. The PANs shall store a set quantity of allowed telephone numbers for each inmate. Attorney numbers included on inmate PANs shall be marked as "do not record."

D. Contract shall be responsible for transferring the PIN and PAN information stored in the inmate telephone system currently being used at the Facilities at no cost to WDOC.

E. The ITS shall be capable, upon request by WDOC, to provide specific information for tracking inmate calling activities and calling patterns by individual telephone numbers. The following reports shall be available for monitoring purposes:

- i.** Authorized Call Lists by PIN or identifying number and
- ii.** Calls by PIN or other identifying number.

F. The ITS shall have the capability to generate PINs for inmates through the inmate telephones using the inmate number, Book IN number, random number generated by the ITS, or some number unique to the inmate.

G. The ITS shall have the capability to interface with the WDOC's booking system in accordance with Contractor's standard file transfer formats so that the inmate PIN can be automatically transferred to the ITS. If the automated method is selected by the WDOC, the Facilities shall not be responsible for entering PIN numbers into the ITS when new inmates are booked.

H. The PINs and PANs shall be stored in a database that is accessible to designated users, depending upon the user's password level. The ITS shall display if a phone number entered is an active entry for any other inmates.

I. The ITS shall include, at a minimum, an alert system that will detect and prohibit an attempted call made to a restricted number, an

attempted call using a restricted PIN, or an attempted call made from a restricted telephone.

J. The ITS shall store inmate information in a central storage location so inmate information is available to any of the Facilities without WDOC administrative staff being required to re-enter inmate information.

K. Once an inmate is activated in the ITS, the inmate shall be allowed to complete calls from any Facility listed in **Attachment B** without any additional administrative work from the WDOC personnel at any Facility. However, a PIN shall not be allowed to be used at two different Facilities on the same day.

L. PAN lists shall be stored in a central location so the PAN information does not have to be transferred by the administrative staff of any WDOC facility. The ITS shall display a date/time stamp for the last modification on an inmate's PAN.

8. Monitoring and Recording Requirements:

A. The ITS shall be capable of providing station equipment monitoring and recording.

B. The Contractor shall provide remote access to the WDOC central office in Cheyenne, WY, enabling WDOC to access any of the call recordings completed at any of the Facilities. The remote access shall also include access to any and all call recordings stored at any of the Facilities, plus access to those calls recordings stored at the central office in Cheyenne, WY.

C. The ITS shall comprehensively record all calls. The ITS must provide a fully integrated recording component for use in recording inmate telephone calls. Inmate telephone administration, conversation monitoring, and conversation recording and playback should all take place from the inmate telephone system workstation at each Facility and the WDOC central office located in Cheyenne, WY.

D. The recorded conversations stored in the system must provide security measures to ensure that the conversations have not been tampered with. This security must extend even to recordings that have been transferred to external CD, DVD medium and/or transmission by e-mail. The Contractor must provide expert testimony regarding security of the call recordings if required at no cost to WDOC. The transferred record must include all call record detail available in the ITS (time and date of the call, PIN number, destination number, etc) of the recorded conversation.

E. The ITS shall utilize current technology in hardware, specifically hard disk drive arrays for long and short term storage. These arrays shall be configured for maximum performance.

F. The ITS shall utilize self – contained, internal data storage. **All call recordings shall be stored online for the life of the Contract and then shall be stored offline indefinitely.** All call detail records shall be collected and stored real time at a central, secure location and at an off-site backup.

G. Offline storage shall not utilize any type of tape or tape cartridge. Offline storage shall be readily accessible and shall not require WDOC to load or change out any media.

H. The ITS shall be capable of permitting full monitoring and recording of all calls from any telephone within the Facilities unless there are restrictions that prohibit the recording and monitoring of certain calls such as attorney-client restrictions. The ITS shall have the capability to exclude recording of those calls.

I. ITS shall be capable of attaching a note document to any call record to include information such as case number or other investigative data. This note shall be a permanent part of the call record and shall have the capability to be saved to disk. The ITS shall have the capability to save all notes in word processing programs as Microsoft Word with the original formatting. Additionally, the ITS shall have the capability to conduct searches on the information contained within the notes i.e. case number, inmate name etc.

J. The ITS shall record the method in which the call was accepted or denied. Further, the ITS shall record the method in which the call was terminated. This information shall be contained within the call detail records (CDR) and shall be included in call detail reports.

K. The ITS shall be capable of showing real time call activity (Live Monitoring) on each workstation or remote access computer. This activity shall be detailed by the call date, call start time, inmate ID/PIN, originating telephone station, called number and length of call.

L. The ITS shall allow administrators to search for calls completed and recorded during a specific time period, originating telephone station number, called number, calls with pre-defined “keywords”, or calls made by phones assigned to a certain group. Playback of online recorded calls from remote access locations shall commence within ten (10) seconds of selection by the operator. Playback of online recorded calls shall not require

any media change. Offline records should be accessible in a rapid manner and shall not require the ITS equipment to play the calls back.

M. The ITS shall allow the manual set up of the monitoring and recording connection on an as-needed basis on any of the workstations provided by the Contractor located at the Facilities. The ITS shall have the capability to select a particular telephone number for recording or monitoring while a call is in progress.

N. The ITS shall have the capability of automatically calling and alerting investigators and offering live monitoring of calls. The recording system shall allow for live monitoring of calls in real time, without any interference to existing recording operation. This feature should be available locally over the workstation speakers, as well as remotely to a telephone number specifically designated by the system administrator. Additionally, the WDOC shall have the capability, while monitoring, to terminate the call from the phone keypad. Monitoring shall not be detectable by the inmate or the called party and the ITS should be able to allow multiple endpoints to monitor ongoing conversations.

O. All recordings for each Facility shall be available online via the ITS workstation interface so that system-wide investigations may be performed from a central location at any WDOC Facility and the WDOC central office. This process shall not require more than one login by an authorized user.

P. The ITS shall allow an administrator to designate "Hot" PINs or "Hot" destination numbers. When the ITS detects that a call is being made using any of the preprogrammed Hot PINs or Hot destination numbers the ITS shall automatically call certain destination numbers designated by the WDOC. The ITS shall allow system administrators to add or remove destination numbers from the hot list table. These designated numbers should include any standard phone number, cell phone and/or pager. When WDOC personnel receive an alert call from the system, the ITS shall promptly notify the recipient of the alert and the recipient will be instructed to enter a security code which will immediately enable the user to monitor the live call in progress. The recipient should be undetected by the inmate or called party; however WDOC should have the capability to disconnect the call or cut into the call and talk to each party. Alerts to pagers must include information including number being dialed, PIN used, etc. The ITS shall allow the chain of three (3) numbers to be called in sequential form to alert Facility personnel.

Q. The ITS shall provide for simultaneous playback of recorded calls and continuous recording of live conversations. It is mandatory that the playback of any selected channel shall be accomplished while continuing to record all input channels. The recording system must provide the Facility personnel the ability to search for recorded calls by individual PIN, specific date

and time criteria, individual destination numbers, individual inmate telephones, or a group of inmate telephones. The system shall provide a playback history list of all recorded call(s) to determine every user that has listened to the recorded call.

R. The ITS shall provide for continuous online diagnostics and continuous supervision, as well as local remote offline system control access for advanced programming and diagnostics. Access to the built-in advanced diagnostics and program control shall be accessible via modem by service center personnel and shall provide failure reports, service history and other diagnostics.

S. The ITS shall have the capability to copy the conversations onto a compact disc (CD), DVD, email or other electronic medium for transport and replay on any computer with audio capabilities. The storage device shall be provided by the Contractor and be located in the area designated by WDOC. The storage device shall produce transfer recordings with virtually no loss in quality and shall be capable of placing an audio time and date stamp within the recording. The storage device shall have a monitor amplifier and speaker so that the Investigator may confirm accurate transfers of the recorded information.

T. Time and date entries for each recorded conversation shall be displayed on a per channel basis. The ITS shall display all conversations in chronological order to facilitate research and playback.

U. Contractor shall provide WDOC with a number of workstations as specified in **Attachment B**, working real-time with the ITS for such monitoring, recording, and reporting. Each workstation shall include a CD/DVD burner.

V. The Contractor shall provide an uninterrupted power supply source to ensure there is no loss of recordings or real time call data in the event of a power failure.

W. Conversations shall be recorded on visitation phones for the facilities shown on **Attachment B**.

9. Pre-Paid and/or Debit Application: WDOC may implement a pre-paid card and/or debit application at the Facilities. At the time when WDOC chooses to implement such an application, the application must include, but not be limited to, the following:

A. The pre-paid and/or debit application shall work with the ITS provided.

B. The debit program shall interface with the current Cashless Systems (Cactas) software for ease of transfer of money from the commissary account to the inmate ITS account.

C. The pre-paid and/or debit applications shall allow for pre-payment to a specific inmate's account by an inmate or a member of inmate's allowed calling list.

D. The ITS shall provide the inmate with the balance of their pre-paid and/or debit account at the time of each call.

E. The pre-paid and/or debit application shall allow international calls.

F. The pre-paid and/or debit application shall have the capability to terminate an account and refund income to the inmate or participant on the inmate's allowed calling list.

G. The pre-paid and/or debit calling rates may be lower than the collect calling rates as detailed in **Attachment B**.

10. Training:

A. Contractor shall provide training to WDOC's staff at the location where the equipment is installed. Additional training may be requested by WDOC at any time during this Contract and the additional training shall be provided at no cost to WDOC. Training manuals shall be provided at no cost to WDOC's staff at all training meetings. The training manuals will become the property of WDOC.

B. Informational pamphlets shall be available for inmates relative to the applicable features and functionalities of the ITS, when requested by WDOC.

C. The Contractor's training manual shall include, but not be limited to:

- i.** A description of the SourceCheck 411 technology;
- ii.** A description of the process for accessing all call recordings;
- iii.** The process for creating, exporting and transferring case files;

iv. Information on the type of media player required to playback call recordings; and

v. User security levels available, as well as the permitted tasks for each security level.

11. Transition:

A. At the expiration, termination, or cancellation of this Contract, Contractor shall cooperate and work with WDOC, its Designated Agent, and the new Contractor to ensure an orderly transfer of responsibility and/or the continuity of the services and responsibilities, under the terms of this Contract, to an organization designated by WDOC.

B. Upon expiration, termination, or cancellation of the Agreement, Contractor shall cooperate in an orderly transfer of responsibility and/or the continuity of the services required under the terms of the Agreement to an organization designated by WDOC. Contractor shall provide and/or perform any or all of the following responsibilities:

i. Contractor acknowledges that the call records, call recordings, documentation, reports, data, etc., contained in the ITS are the property of WDOC. Contractor agrees that one (1) workstation shall become the property of WDOC at the expiration, cancellation, or termination of this Agreement so that WDOC will have access to all call records, documentation, reports, data, etc. that are contained in the inmate telephone system.

ii. Contractor shall discontinue providing service or accepting new assignments under the terms of the Agreement, on the date specified by WDOC. Contractor agrees to continue providing all of the services in accordance with the terms and conditions, requirements and specifications of the Contract for a period not to exceed ninety (90) calendar days after the expiration, termination or cancellation date. Commissions are applicable to any and all calls handled by Contractor and will be due and payable by Contractor to WDOC as described in **Section 4, A** of the Contract and shall be payable as described in **Section 4, D** of this Contract.

C. All inside wiring shall become the property of WDOC at the conclusion of the Contract. Contractor agrees to remove its equipment at the conclusion of the Contract in a manner that will allow the reuse of the wire distribution and following the installation of the new provider's system in order to ensure a smooth transition.

12. Maintenance:

A. The Contractor shall provide the necessary labor, parts, materials, and transportation to maintain all proposed telephones in good working order and in compliance with the equipment manufacturer's specifications throughout the life of the Agreement. No charge shall be made to WDOC for maintenance of the ITS.

B. The Contractor will be responsible for supplying all CDs/DVDs for the storage of call recording at no cost to WDOC and for the life of the Contract.

C. The Contractor shall maintain all cable related to the ITS, whether reused or newly installed.

D. The Contractor shall respond to repair requests from WDOC or its Designated Agent by arriving at the site promptly after reasonable notice has been given on a twenty-four (24) hours a day, seven (7) days a week basis, 365 days a year.

E. Repairs or replacements shall be started by a qualified technician within four (4) hours following notification of a service request or ITS failure. The Contractor must exhibit to WDOC a best effort approach to completion of the repairs or replacement during the first twenty-four (24) hours following notification of a problem. WDOC shall be notified of progress and or delays in progress until there is resolution of the problem.

F. WDOC may cancel the Contract with Contractor if Contractor has not cured a service problem within ten (10) days of the Contractor receiving notice of the problem from WDOC or its Designated Agent.

G. A complete list of contractors/subcontractors, managers, administrators, technicians, etc. must be provided to WDOC. This includes a complete list of business, cellular and beeper numbers; the Contractor's management home and emergency telephone numbers must also be furnished.

H. Either party shall report to the other party any misuse, destruction, damage, vandalism, liability, etc. to the ITS. Contractor will assume liability for any and all such damages. In addition, Contractor shall ensure that all inmate telephones are operable and maintained at an acceptable level.

I. All issues surrounding the ITS service shall be reported by Contractor to WDOC or its Designated Agent promptly.

**PROFESSIONAL SERVICES CONTRACT BETWEEN
THE STATE OF WYOMING, DEPARTMENT OF CORRECTIONS
AND INMATE CALLING SOLUTIONS, LLC DBA ICSOLUTIONS**

1. Parties. The parties to this Contract are the State of Wyoming, Department of Corrections (hereinafter referred to as "WDOC"), whose address is 1934 Wyott Drive, Suite 100, Cheyenne, Wyoming 82002, and Inmate Calling Solutions, DBA ICSolutions (hereinafter referred to as "Contractor"), whose address is 2200 Danbury, San Antonio, TX 78127.

2. Purpose of Contract. The purpose of this Contract is for WDOC to grant Contractor the exclusive right and privilege to install and operate prison inmate telephones and related telephone equipment at WDOC's Facilities as detailed in **Attachment B** (hereinafter referred to as "Facilities") which is attached hereto and incorporated herein. Contractor shall, at no cost to WDOC, provide all inside wiring for the inmate telephones, install the inmate telephones, and the related hardware and software/firmware specifically identified herein, to enable inmates at the Facilities to make auto-collect local and long distance calls, debit local, long distance and international calls, and/or pre-paid local, long distance and international calls from the Facilities pursuant to the terms set forth herein.

3. Term of Contract and Required Approvals. This Contract is effective when all parties have executed it and all required approvals have been granted (Effective Date). The term of the Contract is from the Effective Date through June 30, 2012. All services shall be completed during this term. This contract may be renewed by the mutual agreement of the parties in writing and subject to the required approvals. There is no right or expectation of renewal and any renewal will be determined at the discretion of WDOC.

A. By law, contracts for professional or other services must be approved by the Attorney General and A&I Procurement, Wyo. Stat. § 9-1-403(b)(v), and all contracts for services costing over one thousand, five hundred dollars (\$1,500.00) must be approved by the Governor or his designee as well, Wyo. Stat. § 9-2-1016(b)(iv).

4. Payment

A. Collect, Debit and Pre-Paid.

i. Contractor shall pay WDOC fifty one and a half percent (51.5%) commission based on the Gross Revenue generated by and through the ITS including, but not limited to, completed collect, debit and pre-paid inmate calls completed from the inmate telephone equipment located at the Facilities. Any additional fees or charges, other than government-imposed taxes and charges (including, without limitation, state and federal taxes, USF, telephone relay service fees and utility commission regulatory fees, collectively

"Government Fees"), placed on the called party's telephone bill must be approved by the WDOC prior to implementation. Any charges/fees added to the called party's bill without the express written consent of WDOC shall carry a fine of three hundred dollars (\$300.00) per day from the date the additional charges/fees were first added through the date the charges/fees were discontinued. Additionally, Contractor shall refund each called party for the unapproved charges/fees from the date of the charges/fees were implemented until the date the charges/fees were discontinued. Should WDOC approve the charges/fees, such additional fees and/or charges shall be commissioned at the commission rate stated in Section 4.A. and shall follow Section 4.D. requirements of this Contract. Gross Revenue includes, but is not limited to, all Local: Intralata/Intrastate; Interlata/Intrastate; Interlata/Interstate; and International revenues and any and all additional charges and fees generated by the completion of all collect, debit, and pre-paid calls from Contractor's inmate telephones. Pre-paid calls include, but are not limited to, those calls completed by using a pre-paid card as well as all calls which have been pre-paid by any person or entity and by any method of payment.

ii. Contractor shall pay commission on the Gross Revenues before any deductions are made for un-billable calls, bad debt, uncollectible calls, fraudulent calls, LEC adjustments, or any other Contractor expenses.

iii. A collect call is deemed to be complete and commission due when the called party accepts the call regardless if Contractor can bill or collect the revenue on the call. A debit or pre-paid call is deemed to be complete and commission due when a connection is made between the inmate and the called party, whether such connection be established by positive acceptance or by live or automated machine pick-up. Calls to telephone numbers that appear on the free call list supplied by WDOC shall not generate revenue for Contractor and shall not be commissionable to WDOC. Only those numbers designated by WDOC on the free call list shall be marked as "Free" in the ITS.

iv. For the purposes of this paragraph, the term debit refers to a paperless, commissary-based program, not debit cards. Contractor shall commission at one hundred (100%) percent, the first fifty thousand dollars (\$50,000.00) of debit Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate and International calls at no cost to WDOC as soon as this facility is opened. Each WDOC Facility shall receive, ten thousand dollars (\$10,000.00) each, of debit, which is included in the overall fifty thousand dollars (\$50,000.00). Any debit revenue generated in excess of the first fifty thousand dollars (\$50,000.00) shall be commissioned to WDOC at the commission rate specified in **Paragraph i, Section 4, A.**

v. On the fifth (5th) day following the month of traffic Contractor will invoice the Facilities, or WDOC's designated agent, for the total

amount of debit usage less any credits issued. The total debit usage invoice shall be paid by the Facilities, or WDOC's designated agent, to Contractor within forty-five (45) days, following the month of traffic. If an invoice is not paid by WDOC in such timeframe, Contractor may deduct past due amounts from commissions otherwise due to WDOC hereunder. Contractor will be responsible for issuing the debit commission to WDOC as outlined **Section D** below and at the commission rate specified in **Paragraph i, Section 4, A.**

B. Lobby Payphones. Contractor agrees to provide WDOC with a total of five (5) lobby telephones for the Facilities. Each lobby telephone shall allow free local calls and incoming calls. Each lobby telephone shall also allow credit card, collect and toll-free calls.

C. Calling Rates.

i. The Contractor shall submit a request in writing to receive approval from WDOC for any rate increases and/or decreases for inmate telephone calls before new rates are implemented. WDOC will respond in writing to Contractor's request. Should Contractor decrease the calling rates without the express written approval of WDOC, the Contractor shall be responsible for paying commissions on the Gross Revenue as determined by applying the calling rates prior to the unapproved change. Should Contractor increase the calling rates without the express written approval of WDOC, Contractor must issue credits to all called parties that were overcharged and provide WDOC with documentation that the credits were issued. No commission refund shall be due from WDOC to Contractor for unapproved rate increases.

ii. Calling rates shall be defined as the combined cost of surcharges, any additional fees but expressly excluding any Government Fees and the "Consumer Convenience Fees" set forth on **Attachment B**, and per minute rates charged to the called party.

iii. Both parties have mutually agreed upon the rates for inmate telephone calls, as detailed in **Attachment B**. Any and all charges and fees, other than Government Fees, that will be assessed for all collect, debit and pre-paid inmate telephone calls shall be shown in **Attachment B**.

iv. For the life of the Contract, any rate adjustments requested by Contractor for inmate telephone calls must be requested by Contractor in writing and approved by WDOC in writing, prior to implementation.

v. Rate adjustments requested by WDOC will be implemented by Contractor within four (4) days of said request, subject to regulatory approval.

D. Reporting and Issuing Payment.

i. Contractor shall provide commission payments and traffic reports to WDOC or its designated agent no later than the twenty-fifth (25th) day of the month following the month of traffic. Commission payments shall be sent via wire transfer and traffic detail reports shall be sent via electronic format to WDOC or its designated agent.

ii. Traffic detail reports shall include a detailed breakdown of the traffic for each of the Facilities for all collect, debit and pre-paid calls for each inmate telephone or inmate telephone station. Traffic detail shall include, at a minimum, each of the following items for each inmate telephone station broken down by collect, debit, and pre-paid call types: (a) Facility Name; (b) Facility Identification Number; (c) Facility Street Address, City, State, and Zip Code; (d) Automatic Number Identifier, or inmate telephone or inmate telephone station number; (e) Total Gross Local Revenue and Commission per Inmate Telephone or inmate telephone station; (f) Total Gross Intralata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (g) Total Gross Interlata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (h) Total Gross Interlata/Interstate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (i) Total Gross International Revenue per Inmate Telephone or Inmate Telephone Station; (j) Commission Rate; (k) total Commission Amount (including, but not limited to, Local, Intralata/Intrastate, Interlata/Intrastate, and Interlata/Interstate); (l) Period Dates; (m) Total Minutes of use per Inmate Telephone or inmate telephone station for each call type; (n) Total Number of Calls per Inmate Telephone or inmate telephone Station for each call type; (o) Total Debit Usage for each call type; (p) Total Pre-Paid Usage for each call type.

iii. Monthly raw call detail records and billing files shall be delivered to WDOC, and/or its designated agent, no later than the twenty-five (25th) day of the month following the month of traffic. Call detail records and billing files received by WDOC shall include the following:

a. The billing files shall contain all fields in the exact format and exact content as those files prepared and submitted for billing to the called party. The billing files shall be accompanied by a complete file map and complete field legend. Contractor shall make the complete file map and complete field legend available to WDOC, and/or its designated agent, upon request from WDOC, and/or its designated agent.

b. The raw call detail records (CDRs) shall contain all calls (both attempted and completed) which originated from the Facilities for each day and time of the day for the period for which said raw CDRs are requested. The raw CDRs shall contain the unedited data, including all fields

and all field content. When requested, these records shall be accompanied by a complete file map and complete file legend.

iv. Commission discrepancies must be resolved by Contractor within thirty (30) days of written notification of a discrepancy by WDOC or its designated agent to Contractor or such discrepancy is subject to late charges, as described below and/or termination of the Contract at the sole discretion of WDOC, and/or any other legal course of action WDOC elects to pursue.

E. Payments and/or traffic detail reports received by WDOC after the due date will be subject to late charges. The due date for all payments and reporting is the twenty fifth (25th) day of the month following the month of traffic. Late charges for commission payments shall be equal to five percent (5%) per month of the commission due. Late charges for traffic detail reporting shall be a fee of \$750.00 per month for each report not received by the twenty fifth (25th) day of the month following the traffic month. If both the commission payment and reporting are not received by the due date, the larger of the late charges will be imposed.

5. Responsibilities of Contractor

A. Contractor shall agree to all terms and conditions set forth in this Contract, and Contractor shall agree to the specifications, including, but not limited to, the features and functionalities of the Inmate Telephone System (hereinafter referred to as "ITS") listed in **Attachment A**. If WDOC designates an agent, Contractor shall follow WDOC's direction in working with such designated agent.

6. Responsibilities of WDOC

A. WDOC shall comply with the terms and conditions of this Contract.

7. Special Provisions

A. Ethics. Contractor shall keep informed of and comply with the Wyoming Ethics and Disclosure Act (Wyo. Stat. § 9-13-101, et seq.), and any and all ethical standards governing Contractor's profession.

B. Monitor Activities. WDOC shall have the right to monitor all Contract related activities of the Contractor and all subcontractors. This shall include, but not be limited to, the right to make site inspections at any time, to bring experts and consultants on site to examine or evaluate completed work or work in progress, and to observe all Contractor personnel in every phase of performance of Contract related work.

C. No Finder's Fees. No finder's fee, employment agency fee, or other such fee related to the procurement of this Contract shall be paid by either party.

8. General Provisions

A. Amendments. Any changes, modifications, revisions or amendments to this Contract which are mutually agreed upon by the parties to this Contract shall be incorporated by written instrument, executed and signed by all parties to this Contract.

B. Applicable Law/Venue. The construction, interpretation and enforcement of this Contract shall be governed by the laws of the State of Wyoming. The Courts of the State of Wyoming shall have jurisdiction over this Contract and the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract, and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

C. Assignment/Contract Not Used as Collateral. Neither party shall assign or otherwise transfer any of the rights or delegate any of the duties set forth in this Contract without the prior written consent of the other party. The Contractor shall not use this Contract, or any portion thereof, for collateral for any financial obligation, without the prior written permission of WDOC.

D. Audit/Access to Records.

i. WDOC and any of its representatives shall have access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Contract. The Contractor shall, immediately upon receiving written instruction from WDOC, provide to any independent auditor, accountant, or accounting firm, all books, documents, papers and records of Contractor which are pertinent to this Contract. The Contractor shall cooperate fully with any such independent auditor, accountant, or accounting firm, during the entire course of any audit authorized by WDOC.

ii. Contractor shall maintain accurate, complete and auditable records fully reflecting the Gross Revenues from which commissions can be determined, including all call detail, EMI billing records, pre-paid card sales, debit purchases, refunds, credits, and commissioning reports during the term of the Contract and for no less than two (2) years after the term of the Contract covered thereby in accordance with generally accepted accounting principles. Failure by Contractor to comply with this full audit rights provision will be grounds for termination of the Contract at WDOC's sole discretion.

iii. WDOC may also employ, at its cost and discretion, any designated agent or subcontractor of its choosing in the performance of such audits. If an audit reveals a shortage of more than three percent (3%) of a year's commission or other monies due, then the Contractor shall pay WDOC's reasonable cost of the audit and interest on any monies due WDOC at the rate of one and one-half percent (1.5%) per month within thirty (30) days after receipt of written notice for the same.

E. Availability of Funds. Each payment obligation of the WDOC is conditioned upon the availability of government funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services performed by the Contractor, the Contract may be terminated by WDOC at the end of the period for which the funds are available. WDOC shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. No penalty shall accrue to WDOC in the event this provision is exercised, and WDOC shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. This provision shall not be construed to permit WDOC to terminate this Contract to acquire similar services from another party.

F. Award of Related Contracts. WDOC may undertake or award supplemental or successor contracts for work related to this Contract. The Contractor shall cooperate fully with other contractors and WDOC in all such cases.

G. Certificate of Good Standing. Contractor shall provide Certificate of Good Standing verifying compliance with the unemployment insurance and workers' compensation programs prior to performing work under this Contract.

H. Compliance with Laws. The Contractor shall keep informed of and comply with all applicable federal, state and local laws and regulations in the performance of this Contract.

I. Confidentiality of Information. All documents, data compilations, reports, computer programs, photographs, and any other work provided to or produced by the Contractor in the performance of this Contract shall be kept confidential by the Contractor unless written permission is granted by WDOC for its release.

J. Entirety of Contract. This Contract, consisting of fourteen (14) pages, together with Attachment A, consisting of fifteen (15) pages, and Attachment B, consisting of two (2) pages, represents the entire and integrated Contract between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.

K. Extensions/Renewals. Nothing in this Contract shall be interpreted or deemed to create an expectation that this Contract will be extended beyond the term described herein. Any extension of this Contract shall be initiated by WDOC and shall be accomplished through a written amendment between the parties entered into before the expiration of the original Contract or any valid amendment thereto, and shall be effective only after it is reduced to writing and executed by all parties to the Contract. Any agreement to extend this Contract shall include, but is not limited to: an unambiguous identification of the Contract being extended; the term of the extension; the amount of any payment to be made during the extension, or a statement that no payment will be made during the extension; a statement that all terms and conditions of the original Contract shall, unless explicitly delineated in the exception, remain as they were in the original Contract; and, if the duties of either party will be different during the extension than they were under the original Contract, a detailed description of those duties.

L. Force Majeure. Neither party shall be liable for failure to perform under this Contract if such failure to perform arises out of causes beyond the control and without the fault or negligence of the nonperforming party. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays. This provision shall not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

M. Indemnification.

i. The Contractor shall indemnify, defend and hold harmless the State of Wyoming, WDOC, and their officers, agents, employees, successors and assigns from any and all claims, lawsuits, losses and liability arising out of Contractor's failure to perform any of Contractor's duties and obligations hereunder or in connection with the negligent performance of Contractor's duties or obligations, including but not limited to any claims, lawsuits, losses or liability arising out of Contractor's malpractice.

ii. To the degree permitted by law, WDOC agrees to provide Contractor with reasonable and timely notice on any claim, demand or cause of action made or brought against WDOC arising out of or related to the services rendered by Contractor.

iii. In the event any infringement claim is made or threatened against WDOC, or injunctive relief is granted to a Claimant, Contractor shall (i) obtain the right for WDOC to continue use of the services; (ii) substitute other services of like capability, or (iii) replace or modify the services to render them non-infringing while retaining like capability. In the event Contractor is unable to perform any of the above, WDOC may terminate the Contract with written notice to Contractor. The remedies provided in this subsection are WDOC's sole remedies for Contractor's failure to perform any obligation in this subsection.

iv. These indemnities and remedies shall survive the expiration or other termination of the Contract.

v. Contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by WDOC, including its agents, employees, and assigns.

N. Independent Contractor. The Contractor shall function as an independent contractor for the purposes of this Contract, and shall not be considered an employee of the State of Wyoming for any purpose. The Contractor shall assume sole responsibility for any debts or liabilities that may be incurred by the Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Nothing in this Contract shall be interpreted as authorizing the Contractor or its agents and/or employees to act as an agent or representative for or on behalf of the State of Wyoming or WDOC, or to incur any obligation of any kind on the behalf of the State of Wyoming or WDOC. The Contractor agrees that no health/hospitalization benefits, workers' compensation and/or similar benefits available to State of Wyoming employees will inure to the benefit of the Contractor or the Contractor's agents and/or employees as a result of this Contract.

O. Kickbacks. Contractor certifies and warrants that no gratuities, kickbacks, or contingency fees were paid in connection with this agreement, nor were any fees, commissions, gifts, or other considerations made contingent upon the award of this agreement. If Contractor breaches or violates this warranty, WDOC may, at its discretion, terminate this agreement without liability to WDOC, or deduct from the agreed upon price or consideration, or otherwise recover, the full amount of any commission, percentage, brokerage, or contingency fee.

P. Notices. All notices arising out of, or from, the provisions of this Contract shall be in writing and given to the parties at the address provided under this Contract, either by regular mail, facsimile, e-mail, or delivery in person.

Q. Notice and Approval of Proposed Sale or Transfer of the Contractor. The Contractor shall provide WDOC with the earliest possible advance notice of any proposed sale or transfer or any proposed merger or consolidation of the assets of the Contractor. Such notice shall be provided in accordance with the notice provision of this Contract. If WDOC determines that the proposed merger, consolidation, sale, or transfer of assets is not consistent with the continued satisfactory performance of the Contractor's obligations under this Contract, then WDOC may, at its option, terminate or renegotiate the Contract.

R. Ownership of Documents/Work Product/Materials. All documents, reports, records, field notes, data, samples, specimens, and materials of any kind resulting from performance of this Contract are at all times the property of WDOC. The foregoing does not include any software or systems used by Contractor in its performance hereunder which shall, at all times, remain the property of Contractor.

S. Patent or Copyright Protection. The Contractor recognizes that certain proprietary matters or techniques may be subject to patent, trademark, copyright, license or other similar restrictions, and warrants that no work performed by the Contractor or its subcontractors will violate any such restriction. The Contractor shall defend and indemnify WDOC for any violation or alleged violation of such patent, trademark, copyright, license, or other restrictions.

T. Prior Approval. This Contract shall not be binding upon either party, no services shall be performed under the terms of this Contract, and the Wyoming State Auditor shall not draw warrants for payment on this Contract, until this Contract has been reduced to writing, approved as to form by the Office of the Attorney General, filed with and approved by the Department of Administration and Information's Procurement Office, and approved by the Governor of the State of Wyoming or his designee if required by Wyo. Stat. § 9-2-1016(b)(iv).

U. Proof of Insurance

i. Commercial General Liability Insurance. Contractor shall provide coverage during the entire term of this Contract against claims arising out of bodily injury, death, damage to or destruction of the property of others, including loss of use thereof, and including products and completed operations in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) per claimant and Five Hundred Thousand Dollars (\$500,000.00) per occurrence.

ii. Business Automobile Liability. The Contractor shall maintain, during the entire term of this Contract, automobile liability

insurance in an amount not less than five hundred thousand dollars (\$500,000.00) per occurrence.

iii. Workers' Compensation and Employers Liability Insurance. The Contractor shall provide proof of workers' compensation coverage pursuant to the Wyoming Workers' Safety and Compensation program, if statutorily required, or such other workers' compensation insurance as appropriate. The Contractor's insurance shall include "Stop Gap" coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) per employee for each accident and disease.

iv. Professional Liability or Errors and Omissions Liability Insurance. The Contractor shall maintain and provide proof of professional liability insurance or errors and omissions liability insurance to protect the State and WDOC from any and all claims arising from the Contractor's alleged or real professional errors, omissions or mistakes in the performance of professional duties in an amount not less than five hundred thousand dollars (\$500,000.00).

v. All policies required under this Contract shall be in effect for the duration of this Contract and project. All policies shall be primary and not contributory. Contractor shall pay the premiums on all insurance policies and insurance certificates must include a clause stating that the insurance may not be revoked, cancelled, amended or allowed to lapse until the expiration of at least thirty (30) days advance written notice to WDOC.

vi. WDOC as Additional Insured. All insurance policies required by this Contract, except workers' compensation, shall name WDOC as an additional insured, and shall contain a waiver of subrogation against WDOC, its agents and employees. Contractor shall provide, upon request, a copy of an endorsement providing this coverage.

vii. WDOC's Right to Reject. The State reserves the right to reject a certificate of insurance if the Contractor's insurance company is widely regarded in the insurance industry as financially unstable. This would include, but is not limited to, insurance companies with an "Omit" rating in the A.M. Best insurance rating guide.

viii. Subcontractors. The insurance requirements set out above apply to all subcontractors. It is the Contractor's responsibility to ensure that its subcontractors meet these insurance requirements. WDOC has the right to review the Certificates of any and all subcontractors used by the Contractor.

V. Publicity. Any publicity given to the program or services provided herein, including, but not limited to, notices, information, pamphlets, press releases, research, reports, signs, and similar public notices prepared by

or for the Contractor, shall identify WDOC as the sponsoring agency and shall not be released without prior written approval from WDOC.

W. Severability. Should any portion of this Contract be judicially determined to be illegal or unenforceable, the remainder of the Contract shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

X. Sovereign Immunity. The State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law. Designations of venue, choice of law, enforcement actions, and similar provisions should not be construed as a waiver of sovereign immunity. The parties agree that any ambiguity in this Contract shall not be strictly construed, either against or for either party, except that any ambiguity as to sovereign immunity shall be construed in favor of sovereign immunity.

Y. Taxes. The Contractor shall pay all taxes and other such amounts required by federal, state and local law, including but not limited to federal and social security taxes, workers' compensation, unemployment insurance and sales taxes.

Z. Termination of Contract.

i. This Contract may be terminated, without cause, by WDOC upon thirty (30) days written notice. This Contract may be terminated immediately for cause if the Contractor fails to perform in accordance with the terms of this Contract.

ii. In the event either party breaches the Contract by failing to perform as agreed, the non-breaching party shall give the breaching party written notice of the failure stating what failure has occurred. The breaching party shall have thirty (30) days after the receipt of such notice to remedy the failure. If the breaching party does not remedy the failure in the allowed thirty (30) days, the non-breaching party may terminate this Agreement. Should Contractor for any reason, except in the case of Force Majeure (see **Paragraph L, Section 8** of this Contract), become unable to complete the work required by this Agreement, WDOC may, at its sole discretion, call for fifty-five thousand dollars (\$55,000.00) in liquidated damages. Notwithstanding the above, should WDOC prevent Contractor from entering the premises to complete repair work on the inmate telephone equipment, Contractor shall have time to complete said repairs using under the provisions outlined in **Item D, Section 12 in Attachment A** after WDOC allows Contractor access to the inmate telephone equipment.

iii. Contractor is responsible for performing remote diagnostics, monitoring, and maintenance on the ITS. In the event that WDOC experiences a service or equipment outage, Contractor shall repair any such outage or otherwise restore service within ten (10) days after it receives notice of or detects a service or equipment outage. If, Contractor is unable to make the necessary repairs and/or restore service within this ten (10) day period, WDOC may immediately terminate this Contract upon providing written notice of termination to Contractor. The Transition period referred to in **Section 11, Attachment A** will begin upon the termination of this Contractor.

AA. Third Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of third party beneficiary, and this Contract shall not be construed so as to create such status. The rights, duties and obligations contained in this Contract shall operate only between the parties to this Contract, and shall inure solely to the benefit of the parties to this Contract. The provisions of this Contract are intended only to assist the parties in determining and performing their obligations under this Contract. The parties to this Contract intend and expressly agree that only parties signatory to this Contract shall have any legal or equitable right to seek to enforce this Contract, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Contract, or to bring an action for the breach of this Contract.

BB. Titles Not Controlling. Titles of paragraphs are for reference only, and shall not be used to construe the language in this Contract.

CC. Waiver. The waiver of any breach of any term or condition in this Contract shall not be deemed a waiver of any prior or subsequent breach. Failure to object to a breach shall not constitute a waiver.

DD. Limitation of Liability. Except as to claims brought by a third party against WDOC that are covered by **Paragraph M, Section 7** of the Contract, in no event shall WDOC have any liability for indirect, incidental, special, or consequential damages, loss of profits or income, lost or corrupted data, or loss of use or other benefits ("Extraordinary Damages") arising out of or in any way related to any equipment, product, or service provided by Contractor pursuant to this Contract.

CONTRACTOR RESPONSIBILITIES & INMATE TELEPHONE SYSTEM FEATURES AND FUNCTIONALITIES

1. **General Requirements:** The Contractor shall furnish, install and maintain telephones for use by inmates at the Facilities listed in **Attachment B** operated by WDOC. Contractor shall provide all telephone services to the inmates utilizing Contractor's Inmate Telephone System ("ITS") in accordance with those requirements and provisions set forth in this section.

A. Contractor shall notify WDOC of any new software upgrades within thirty (30) days of the introduction of the new software into the market by Contractor. Contractor shall notify WDOC and upgrade the ITS with new software versions and new hardware developments at no cost to WDOC. Following a software upgrade, Contractor must provide WDOC with a list of enhancements, features/functionality resulting of the upgrade. In addition, Contractor must advise WDOC of any interruption in inmate telephone service that is anticipated for the completion of the upgrade.

B. Contractor shall comply with all applicable laws, rules, regulations, and orders of any authorized agency, commission, unit of the federal government, state, county, or municipal government at no cost to WDOC. The Contractor shall be authorized by the appropriate governing body and/or regulatory agency to be an Inmate Telephone Service Provider.

2. **Security:** All Contractor employees shall obtain, at Contractor's cost, the appropriate personnel background security clearances prior to arrival at the Facilities. All Contractor employees will comply with WDOC's policies and procedures. Entry to the Facilities is subject to the approval of the WDOC's onsite Facility Administrator, Warden or Security Manager.

3. **Single Point of Contact:** Contractor shall appoint an Account Executive ("AE") who will act as a single point of contact for all inmate telephone-related activities, inquiries, service requests and issues. Contractor will provide a toll-free telephone number for inmate telephone service issues. Contractor shall also provide a fax number and an Internet email address.

4. **Installations:**

A. For each installation, the Contractor shall submit an implementation plan that shall include an installation schedule. Any initial installations must be completed within forty – five (45) days of the date WDOC awards the Facilities to the Contractor. This implementation plan will become a part of the Contract and must be followed.

B. The Contractor agrees to obtain WDOC's written permission before proceeding with any work that requires cutting into or through girders, beams, concrete or tile floors, partitions or ceilings, or any work that may impair fireproofing or moisture proofing, or potentially cause any structural damage. WDOC does not anticipate that such work will be required for the initial installation of the ITS.

C. The Contractor agrees to assume responsibility for all installation of equipment in accordance with the specifications contained in the manufacturer's installation instructions.

D. The Contractor shall provide a signed statement indicating that all circuits have been tested, and that all cables, pairs, blocks, frames, and terminals are legibly marked after completion of each installation.

E. Use of existing or in-place conduit, raceways, cable ways, cable, inside wiring, telephone set mountings, switches, terminal boxes, and terminals within the Facilities are at the risk of Contractor. No exposed wiring will be permitted. Ownership of any wiring or conduit placed under this Contract by Contractor becomes WDOC's upon expiration and/or termination of the Contract.

F. The Contractor agrees that if any cabling work is required as part of any installation, all new cables shall be used and marked clearly and legibly at both ends, and must meet all applicable EIA/TIA wiring standards for commercial buildings.

G. The Contractor shall install additional telephones, wiring and monitoring and recording equipment as needed at no cost to WDOC. This includes expansion to the existing Facilities and any newly constructed Facilities. This shall be done throughout the Contract term and all subsequent renewal terms.

H. The Contractor shall provide and install adequate surge and lightening protection equipment on all lines used for the ITS.

I. Installation of all telephones and related equipment shall be accomplished during normal business hours at each Facility or as directed by Facility's onsite Administrator, Warden or Security Manager.

J. The Contractor shall clean up and remove all debris and packaging material resulting from any work performed at the Facilities.

K. The Contractor shall restore to original condition any damage to WDOC's property caused by maintenance or installation personnel associated with Contractor, including repairs to walls, ceilings, etc.

L. The Contractor agrees to install, repair and maintain all Contractor provided equipment and lines at no cost to WDOC. All Contractor-provided equipment, installation, maintenance and repair costs as well as all costs or losses due to vandalism shall be the total responsibility of Contractor.

M. Upon completion of initial installation and ongoing installations, Contractor must provide WDOC with a list of telephone numbers, serial numbers, and locations of each unit.

5. Station Equipment Specifications: The ITS shall be capable of providing all operational features and system requirements applicable to all calls placed through the system, including local, long distance, and international calling.

A. Each call, having been identified as being placed through Contractor's ITS, shall be delivered to the called party as either a collect, debit - if the debit application is in effect and chosen as the means to place the call, or pre-paid call.

B. Telephone station equipment shall be powered by the telephone line and require no additional power source. A power source will be available at the demarcation location.

C. Contractor shall install, at minimum, one (1) inmate telephone for every ten (10) inmates in a day room or dormitory environment. Contractor must agree to install and maintain the quantity of telephones required by WDOC as detailed in **Attachment B**. Also, Contractor shall provide each Facility with a minimum of ten percent (10%) onsite-inventory to allow for simple replacement of inmate telephone parts by the Facility personnel. Contractor shall be responsible for ensuring the on-site inventory is replenished, at a minimum, on a monthly basis. Pick-up and shipment of inmate telephone inventory shall be accomplished at no cost to WDOC.

D. The ITS shall comply with all Federal Communication and/or Utility Commissions regulations. The ITS and telephone stations shall be sturdy, non-coin, vandal resistant and steel armored composed of durable, tamper-free equipment suitable for a detention environment. The equipment must contain no removable parts.

E. Contractor shall provide a sufficient number of telephone lines to the ITS to prevent inmates from receiving busy signals more than 0.5% of the time.

F. Contractor shall provide telephone reception quality at least equal to the toll quality offered to the general public and shall meet telecommunication industry standards for service quality. A minimum of

twenty percent (20%) of the telephone sets must be of the "amplified" or volume controlled sort. Contractor shall accept WDOC's decision regarding whether the reception quality meets industry quality standards.

G. Call acceptance by the called party shall be accomplished for all collect, debit, and pre-paid calls through caller confirmation (positive acceptance). Voice recognition is not an acceptable method for positive call acceptance. The ITS shall be able to recognize and distinguish standard or irregular busy signals, standard or irregular ringing signals, answering machines, cellular telephones, pagers, operator intercepts, quick disconnects, chain dialing, no voice from called party, etc.

H. The ITS shall monitor the switch hook of the inmate telephones and if the switch hook is depressed at any time, the call will be disconnected or an internal dial tone should be activated to prevent fraud. Contractor must assume all responsibility for fraud.

I. During the call set up process, the ITS shall provide a pre-recorded announcement identifying that the call is coming from a specific inmate located at the Facilities. All collect calls must be clearly identified as a collect call to the called party. This recording must be heard by the called party and be free of any toll charges. The announcement shall also include: "This call may be monitored and recorded."

J. The ITS shall process calls on a selective bilingual basis: English and Spanish. The inmate must be able to select the preferred language utilizing a simple code. The called party must also be able to select the preferred language for call prompts. Written dialing instructions in both English and Spanish must be permanently and prominently displayed on each inmate telephone.

K. Contractor shall subscribe to the Local Exchange Carrier Line Information Screening Data Base (LIDB). Contractor shall query this database for each inmate call and process only those calls which do not have Billed Number Screening (BNS). Contractor must assume all responsibilities for the cost and the accuracy of validation.

L. The ITS shall provide a recording back to the inmate which details why a call was not completed.

M. The ITS shall have the capability to provide free calling to selected local numbers as determined by WDOC.

N. The ITS shall have the capability to program a specific speed dial codes to selected numbers as determined by WDOC.

O. Contractor shall provide WDOC with its SourceCheck 411 technology at each workstation. The call detail records shall be able to display the reverse directory information for the specified called number to include, at a minimum, the called party's billing name and address. The database shall be accessed via a secure link to the internet and shall be constantly updated. The subscription to the SourceCheck technology shall be provided to the WDOC and Facilities at no charge and shall be available at every workstation and any remote monitoring stations.

P. The Contractor must notify each Facility or the WDOC's Designated Agent any time a technician will require entry to any of the Facilities.

Q. The ITS shall, upon request by WDOC, provide specific information for tracking inmate calling activities and calling patterns by individual telephone numbers. The following reports shall be available for monitoring and billing purposes:

i. Monitoring reports that can be provided or sorted by any or all of the following criteria:

- Daily statistical reports;
- Facilities name;
- Originating number;
- Terminating number;
- Date of call;
- Time of day;
- Inmate name;
- Length of call;
- Type of call – local, intralata etc;
- Method of payment – collect, debit or pre-paid
- Line or Trunk group and trunk number call route;
- Location of station originating the call;
- Cost of the call;
- Call Acceptance code/ Method of call acceptance;
- Call Termination code/ Method of call termination;
- PIN number;
- Frequently called numbers (for all numbers called more than five (5) times in one day);
- Calls from a specific inmate telephone station ID or group of station IDs;
- Common numbers called (for all numbers called by more than one inmate);
- Blocked numbers report; and
- Three way call attempt reports

ii. Billing reports that can be provided or sorted by any or all of the following criteria:

- Call detail report;
- Amount charged per call;
- Gross charges billed;
- Daily statistics;
- Monthly statistics;
- Called party/number accepting report;
- Fraud/velocity report;
- Separate facility totals and statistics;
- All facility totals and statistics;
- Total calls;
- Calls by date;
- Time of day; and
- Length of a call

R. The ITS shall provide system administrators with the capability to print reports directly from the search screen. After selecting the required parameters, the ITS shall have the capability to provide a return list of calls matching the criteria which can be printed in a report format. The ITS shall also have the capability to produce call count reports, and daily reports as well as frequency reports based on any of the criteria detailed above or any parameters as defined by the WDOC.

S. Security shall be maintained by a multi-level password system based on user access requirements. The ITS shall allow users to be assigned pre-set security levels, or allow the flexibility to assign individual access permissions based upon specific job requirements. These permissions shall include, but not be limited to, access to inmate accounts, monitoring, call searching, etc. Those users with the administrator level password must have the ability to set user access parameters for other users according to security requirements.

T. The ITS must include a user log. Only those users with administrator level access should be able to review the user log. The log must include user access to the system, the time and date of each access, and the action taken during the user access.

U. The ITS shall also provide the ability to customize reports in a form mutually agreed upon by WDOC and its Designated Agent and Contractor.

V. The call detail records shall be stored in a minimum of three (3) locations to avoid any possibility of call detail records being lost. Failure by Contractor to store all call detail records, or loss of call detail records, for any

of the Facilities, shall result in a fine, of three thousand dollars (\$3,000.00), to be paid by Contractor to WDOC

W. The ITS shall store all call detail records, including all attempts and completed calls at the each Facilities for the life of the Contract. WDOC shall have access to all call detail records for any of the Facilities from the central office in Cheyenne, WY via remote access.

X. The Contractor shall have the ability to perform remote diagnostics to the ITS to determine if a problem is with the telephone unit or with the telephone line.

Y. The ITS shall be TCP/IP compatible and allow multiple operators simultaneous access while maintaining adequate security to prevent unauthorized use and access.

Z. Contractor shall provide accommodations necessary to comply with Americans with Disabilities Act (ADA) requirements, including but not limited to, providing telephones which are accessible to persons in wheelchairs and providing systems that are compatible with Telephone Devices for the Deaf (TDD). Contractor shall provide one (1) TDD telephone at each Facility listed in **Attachment B** at no cost to WDOC. The TDD telephones shall be compatible with the ITS and must be installed and tested by Contractor.

AA. The ITS must offer the called party an option to receive a rate quote during the call set-up process for every call type.

BB. Contractor shall have the capability to establish an "informant" line. Calls to the "informant" line shall be free and shall be routed to a destination designated by WDOC. If so requested by WDOC, the destination for the "informant" line may be an automated voicemail box.

CC. Pro bono calls to Consulates of all countries are required for ICE detainees and shall be provided at no cost to WDOC.

6. Security Features:

A. The ITS shall prohibit direct-dialed calls of any type.

B. The ITS shall prohibit access to "411" information service.

C. The ITS shall prohibit access to 800 and 900 type services.

D. The ITS shall prohibit access to multiple long distance carriers via 950, 800, and 10 10-XXX numbers.

E. The ITS must be able to shut down quickly and selectively. WDOC must be able to shut down the ITS by cut-off switches at several locations including, but not limited to:

- i.** At demarcation location – total facility telephones;
- ii.** By central control center – select telephones; and
- iii.** By select housing units – control center.

F. The ITS shall be able to take an individual station out of service without affecting other stations or units.

G. The ITS shall prevent any inmate telephone from receiving any incoming calls. Contractor agrees that no inmate telephone shall be capable of receiving an incoming call and Contractor shall work with the local exchange carriers (LECs) to ensure such control.

H. The ITS, upon detection of a three-way call, shall have the capability to flag the call as a three-way call and in addition, the ITS shall have the capability to terminate the call immediately. Contractor shall keep WDOC updated on its progress in enhancing that ITS three-way detection and termination technology.

I. The ITS shall have the ability of answer detection.

J. The ITS shall incorporate keyword search technology.

K. The ITS shall have a fraud prevention feature. This feature will randomly interject pre-recorded announcements throughout the duration of the conversation to the called party indicating the source of the call. The inmate must not be able to interfere with these announcements.

L. The ITS shall be capable of denying certain telephone numbers from inmate dialing.

M. The inmate's call shall be muted until the called party has positively accepted the collect, debit or pre-paid call.

N. The ITS shall be capable of limiting the length of a call, providing the dial tone at certain times of the day and allowing a maximum number of minutes per inmate, per month.

O. In all circumstances, the ITS shall limit the inmate to a single call request. The ITS shall always require the inmate to disconnect and initiate another call.

P. ITS shall have the capability to detect and terminate Remote Call Forwarding calls whenever Contractor develops such technology.

7. Personal Identification Number (PIN) Application:

A. The PIN application shall work with the ITS using all of the features described herein.

B. The ITS shall have the capability to provide collect, debit, and pre-paid station-to-station calling utilizing a PIN.

C. The ITS shall be capable of providing Allow Lists (PANs) associated with each PIN. The PANs shall store a set quantity of allowed telephone numbers for each inmate. Attorney numbers included on inmate PANs shall be marked as "do not record."

D. Contract shall be responsible for transferring the PIN and PAN information stored in the inmate telephone system currently being used at the Facilities at no cost to WDOC.

E. The ITS shall be capable, upon request by WDOC, to provide specific information for tracking inmate calling activities and calling patterns by individual telephone numbers. The following reports shall be available for monitoring purposes:

- i.** Authorized Call Lists by PIN or identifying number and
- ii.** Calls by PIN or other identifying number.

F. The ITS shall have the capability to generate PINs for inmates through the inmate telephones using the inmate number, Book IN number, random number generated by the ITS, or some number unique to the inmate.

G. The ITS shall have the capability to interface with the WDOC's booking system in accordance with Contractor's standard file transfer formats so that the inmate PIN can be automatically transferred to the ITS. If the automated method is selected by the WDOC, the Facilities shall not be responsible for entering PIN numbers into the ITS when new inmates are booked.

H. The PINs and PANs shall be stored in a database that is accessible to designated users, depending upon the user's password level. The ITS shall display if a phone number entered is an active entry for any other inmates.

I. The ITS shall include, at a minimum, an alert system that will detect and prohibit an attempted call made to a restricted number, an attempted call using a restricted PIN, or an attempted call made from a restricted telephone.

J. The ITS shall store inmate information in a central storage location so inmate information is available to any of the Facilities without WDOC administrative staff being required to re-enter inmate information.

K. Once an inmate is activated in the ITS, the inmate shall be allowed to complete calls from any Facility listed in **Attachment B** without any additional administrative work from the WDOC personnel at any Facility. However, a PIN shall not be allowed to be used at two different Facilities on the same day.

L. PAN lists shall be stored in a central location so the PAN information does not have to be transferred by the administrative staff of any WDOC facility. The ITS shall display a date/time stamp for the last modification on an inmate's PAN.

8. Monitoring and Recording Requirements:

A. The ITS shall be capable of providing station equipment monitoring and recording.

B. The Contractor shall provide remote access to the WDOC central office in Cheyenne, WY, enabling WDOC to access any of the call recordings completed at any of the Facilities. The remote access shall also include access to any and all call recordings stored at any of the Facilities, plus access to those calls recordings stored at the central office in Cheyenne, WY.

C. The ITS shall comprehensively record all calls. The ITS must provide a fully integrated recording component for use in recording inmate telephone calls. Inmate telephone administration, conversation monitoring, and conversation recording and playback should all take place from the inmate telephone system workstation at each Facility and the WDOC central office located in Cheyenne, WY.

D. The recorded conversations stored in the system must provide security measures to ensure that the conversations have not been tampered with. This security must extend even to recordings that have been transferred to external CD, DVD medium and/or transmission by e-mail. The Contractor must provide expert testimony regarding security of the call recordings if required at no cost to WDOC. The transferred record must

include all call record detail available in the ITS (time and date of the call, PIN number, destination number, etc) of the recorded conversation.

E. The ITS shall utilize current technology in hardware, specifically hard disk drive arrays for long and short term storage. These arrays shall be configured for maximum performance.

F. The ITS shall utilize self – contained, internal data storage. **All call recordings shall be stored online for the life of the Contract and subsequent Contract Renewals and then shall be stored offline indefinitely.** All call detail records shall be collected and stored real time at a central, secure location and at an off-site backup.

G. Offline storage shall not utilize any type of tape or tape cartridge. Offline storage shall be readily accessible and shall not require WDOC to load or change out any media.

H. The ITS shall be capable of permitting full monitoring and recording of all calls from any telephone within the Facilities unless there are restrictions that prohibit the recording and monitoring of certain calls such as attorney-client restrictions. The ITS shall have the capability to exclude recording of those calls.

I. ITS shall be capable of attaching a note document to any call record to include information such as case number or other investigative data. This note shall be a permanent part of the call record and shall have the capability to be saved to disk. The ITS shall have the capability to save all notes in word processing programs as Microsoft Word with the original formatting. Additionally, the ITS shall have the capability to conduct searches on the information contained within the notes i.e. case number, inmate name etc.

J. The ITS shall record the method in which the call was accepted or denied. Further, the ITS shall record the method in which the call was terminated. This information shall be contained within the call detail records (CDR) and shall be included in call detail reports.

K. The ITS shall be capable of showing real time call activity (Live Monitoring) on each workstation or remote access computer. This activity shall be detailed by the call date, call start time, inmate ID/PIN, originating telephone station, called number and length of call.

L. The ITS shall allow administrators to search for calls completed and recorded during a specific time period, originating telephone station number, called number, calls with pre-defined “keywords”, or calls made by phones assigned to a certain group. Playback of online recorded calls from remote access locations shall commence within ten (10) seconds of

selection by the operator. Playback of online recorded calls shall not require any media change. Offline records should be accessible in a rapid manner and shall not require the ITS equipment to play the calls back.

M. The ITS shall allow the manual set up of the monitoring and recording connection on an as-needed basis on any of the workstations provided by the Contractor located at the Facilities. The ITS shall have the capability to select a particular telephone number for recording or monitoring while a call is in progress.

N. The ITS shall have the capability of automatically calling and alerting investigators and offering live monitoring of calls. The recording system shall allow for live monitoring of calls in real time, without any interference to existing recording operation. This feature should be available locally over the workstation speakers, as well as remotely to a telephone number specifically designated by the system administrator. Additionally, the WDOC shall have the capability, while monitoring, to terminate the call from the phone keypad. Monitoring shall not be detectable by the inmate or the called party and the ITS should be able to allow multiple endpoints to monitor ongoing conversations.

O. All recordings for each Facility shall be available online via the ITS workstation interface so that system-wide investigations may be performed from a central location at any WDOC Facility and the WDOC central office. This process shall not require more than one login by an authorized user.

P. The ITS shall allow an administrator to designate "Hot" PINs or "Hot" destination numbers. When the ITS detects that a call is being made using any of the preprogrammed Hot PINs or Hot destination numbers the ITS shall automatically call certain destination numbers designated by the WDOC. The ITS shall allow system administrators to add or remove destination numbers from the hot list table. These designated numbers should include any standard phone number, cell phone and/or pager. When WDOC personnel receive an alert call from the system, the ITS shall promptly notify the recipient of the alert and the recipient will be instructed to enter a security code which will immediately enable the user to monitor the live call in progress. The recipient should be undetected by the inmate or called party; however WDOC should have the capability to disconnect the call or cut into the call and talk to each party. Alerts to pagers must include information including number being dialed, PIN used, etc. The ITS shall allow the chain of three (3) numbers to be called in sequential form to alert Facility personnel.

Q. The ITS shall provide for simultaneous playback of recorded calls and continuous recording of live conversations. It is mandatory that the playback of any selected channel shall be accomplished while continuing to record all input channels. The recording system must provide the Facility

personnel the ability to search for recorded calls by individual PIN, specific date and time criteria, individual destination numbers, individual inmate telephones, or a group of inmate telephones. The system shall provide a playback history list of all recorded call(s) to determine every user that has listened to the recorded call.

R. The ITS shall provide for continuous online diagnostics and continuous supervision, as well as local remote offline system control access for advanced programming and diagnostics. Access to the built-in advanced diagnostics and program control shall be accessible via modem by service center personnel and shall provide failure reports, service history and other diagnostics.

S. The ITS shall have the capability to copy the conversations onto a compact disc (CD), DVD, email or other electronic medium for transport and replay on any computer with audio capabilities. The storage device shall be provided by the Contractor and be located in the area designated by WDOC. The storage device shall produce transfer recordings with virtually no loss in quality and shall be capable of placing an audio time and date stamp within the recording. The storage device shall have a monitor amplifier and speaker so that the Investigator may confirm accurate transfers of the recorded information.

T. Time and date entries for each recorded conversation shall be displayed on a per channel basis. The ITS shall display all conversations in chronological order to facilitate research and playback.

U. Contractor shall provide WDOC with a number of workstations as specified in **Attachment B**, working real-time with the ITS for such monitoring, recording, and reporting. Each workstation shall include a CD/DVD burner.

V. The Contractor shall provide an uninterrupted power supply source to ensure there is no loss of recordings or real time call data in the event of a power failure.

W. Conversations shall be recorded on visitation phones for the facilities shown on **Attachment B**.

9. Pre-Paid and/or Debit Application: WDOC may implement a pre-paid card and/or debit application at the Facilities. At the time when WDOC chooses to implement such an application, the application must include, but not be limited to, the following:

A. The pre-paid and/or debit application shall work with the ITS provided.

B. The debit program shall interface with the current Cashless Systems (Cactas) software for ease of transfer of money from the commissary account to the inmate ITS account.

C. The pre-paid and/or debit applications shall allow for pre-payment to a specific inmate's account by an inmate or a member of inmate's allowed calling list.

D. The ITS shall provide the inmate with the balance of their pre-paid and/or debit account at the time of each call.

E. The pre-paid and/or debit application shall allow international calls.

F. The pre-paid and/or debit application shall have the capability to terminate an account and refund income to the inmate or participant on the inmate's allowed calling list.

G. The pre-paid and/or debit calling rates may be lower than the collect calling rates as detailed in **Attachment B**.

10. Training:

A. Contractor shall provide training to WDOC's staff at the location where the equipment is installed. Additional training may be requested by WDOC at any time during this Contract and the additional training shall be provided at no cost to WDOC. Training manuals shall be provided at no cost to WDOC's staff at all training meetings. The training manuals will become the property of WDOC.

B. Informational pamphlets shall be available for inmates relative to the applicable features and functionalities of the ITS, when requested by WDOC.

C. The Contractor's training manual shall include, but not be limited to:

- i.** A description of the SourceCheck 411 technology;
- ii.** A description of the process for accessing all call recordings;
- iii.** The process for creating, exporting and transferring case files;

iv. Information on the type of media player required to playback call recordings; and

v. User security levels available, as well as the permitted tasks for each security level.

11. Transition:

A. At the expiration, termination, or cancellation of this Contract, Contractor shall cooperate and work with WDOC, its Designated Agent, and the new Contractor to ensure an orderly transfer of responsibility and/or the continuity of the services and responsibilities, under the terms of this Contract, to an organization designated by WDOC.

B. Upon expiration, termination, or cancellation of the Agreement, Contractor shall cooperate in an orderly transfer of responsibility and/or the continuity of the services required under the terms of the Agreement to an organization designated by WDOC. Contractor shall provide and/or perform any or all of the following responsibilities:

i. Contractor acknowledges that the call records, call recordings, documentation, reports, data, etc., contained in the ITS are the property of WDOC. Contractor agrees that one (1) workstation shall become the property of WDOC at the expiration, cancellation, or termination of this Agreement so that WDOC will have access to all call records, documentation, reports, data, etc. that are contained in the inmate telephone system.

ii. Contractor shall discontinue providing service or accepting new assignments under the terms of the Agreement, on the date specified by WDOC. Contractor agrees to continue providing all of the services in accordance with the terms and conditions, requirements and specifications of the Contract for a period not to exceed ninety (90) calendar days after the expiration, termination or cancellation date. Commissions are applicable to any and all calls handled by Contractor and will be due and payable by Contractor to WDOC as described in **Section 4, A** of the Contract and shall be payable as described in **Section 4, D** of this Contract.

C. All inside wiring shall become the property of WDOC at the conclusion of the Contract. Contractor agrees to remove its equipment at the conclusion of the Contract in a manner that will allow the reuse of the wire distribution and following the installation of the new provider's system in order to ensure a smooth transition.

12. Maintenance:

A. The Contractor shall provide the necessary labor, parts, materials, and transportation to maintain all proposed telephones in good working order and in compliance with the equipment manufacturer's specifications throughout the life of the Agreement. No charge shall be made to WDOC for maintenance of the ITS.

B. The Contractor will be responsible for supplying all CDs/DVDs for the storage of call recording at no cost to WDOC and for the life of the Contract.

C. The Contractor shall maintain all cable related to the ITS, whether reused or newly installed.

D. The Contractor shall respond to repair requests from WDOC or its Designated Agent by arriving at the site promptly after reasonable notice has been given on a twenty-four (24) hours a day, seven (7) days a week basis, 365 days a year.

E. Repairs or replacements shall be started by a qualified technician within four (4) hours following notification of a service request or ITS failure. The Contractor must exhibit to WDOC a best effort approach to completion of the repairs or replacement during the first twenty-four (24) hours following notification of a problem. WDOC shall be notified of progress and or delays in progress until there is resolution of the problem.

F. WDOC may cancel the Contract with Contractor if Contractor has not cured a service problem within ten (10) days of the Contractor receiving notice of the problem from WDOC or its Designated Agent.

G. A complete list of contractors/subcontractors, managers, administrators, technicians, etc. must be provided to WDOC. This includes a complete list of business, cellular and beeper numbers; the Contractor's management home and emergency telephone numbers must also be furnished.

H. Either party shall report to the other party any misuse, destruction, damage, vandalism, liability, etc. to the ITS. Contractor will assume liability for any and all such damages. In addition, Contractor shall ensure that all inmate telephones are operable and maintained at an acceptable level.

I. All issues surrounding the ITS service shall be reported by Contractor to WDOC or its Designated Agent promptly.

**AMENDMENT NUMBER ONE TO CONTRACT BETWEEN
THE STATE OF WYOMING, DEPARTMENT OF CORRECTIONS
AND INMATE CALLING SOLUTIONS, LLC DBA ICSOLUTIONS**

1. **Parties.** This Amendment is made and entered into by and between the State of Wyoming, Department of Corrections (hereinafter referred to as "WDOC"), whose address is 1934 Wyott Drive, Suite 100, Cheyenne, Wyoming 82002, and Inmate Calling Solutions, LLC, DBA ICSolutions (hereinafter referred to as "Contractor"), whose address is 2200 Danbury, San Antonio, TX 78127.

2. **Purpose of Amendment.** This Amendment shall constitute the first amendment to the Contract between WDOC and the Contractor which was duly executed on June 23, 2010 and which became effective that same date. The purpose of this amendment is to extend the term of the contract through July 31, 2012.

The original Contract, dated June 23, 2010, provided for WDOC to grant Contractor the exclusive right and privilege to install and operate prison inmate telephones and related telephone equipment at WDOC facilities, at no cost to WDOC, with an expiration date of June 30, 2012.

3. **Term of the Amendment.** This Amendment is effective when all parties have executed it and all required approvals have been granted (Effective Date) and shall remain in full force and effect through July 31, 2012, unless terminated at an earlier date pursuant to the provisions of the original Contract, or pursuant to federal or state statute, rule or regulation.

4. **Payment.**

A. No additional payment shall be made by either party to the other party as a result of this Amendment, except for the additional revenues generated as a result of this extension.

5. **Additional Responsibilities of Contractor.**

A. Contractor shall have no additional responsibilities as a result of this Amendment.

6. **Additional Responsibilities of WDOC.** WDOC shall have no additional responsibilities as a result of this Amendment.

7. **Special Provisions**

A. **Same Terms and Conditions.** With the exception of items explicitly delineated in this Amendment, all terms and conditions of the original

*Amendment Number One to the Contract between the State of Wyoming, Department of Corrections and
Inmate Calling Solutions, LLC, DBA ICSolutions*

Contract between WDOC and the Contractor, including but not limited to sovereign immunity, shall remain unchanged and in full force and effect.

8. General Provisions

A. Entirety of Contract. This Amendment, consisting of three (3) pages, the original Contract, consisting of fourteen (14) pages, together with Attachment A thereto, consisting of sixteen (16) pages, and Attachment B thereto, consisting of two (2) pages, represents the entire and integrated Contract between the parties and superseded all prior negotiations, representations, and agreements, whether written or oral.

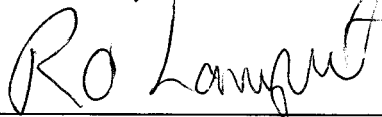

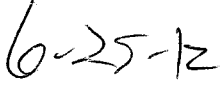

INTENTIONALLY LEFT BLANK

9. **Signatures.** IN WITNESS THEREOF, the parties to this Amendment through their duly authorized representatives have executed this Amendment, known as Amendment One to the original Contract between WDOC and the Contractor, on the days and dates set out below, and certify that they have read, understood, and agreed to the terms and conditions of this Amendment as set forth herein.

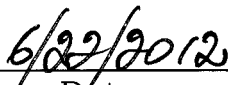

This Contract is not binding on either party until approved by A&I Procurement and the Governor of the State of Wyoming or his designee, if required by Wyo. Stat. § 9-2-1016(b)(iv).

The effective date of this Contract is the date of the signature last affixed to this page.

**PROFESSIONAL SERVICES CONTRACT BETWEEN
THE STATE OF WYOMING, DEPARTMENT OF CORRECTIONS
AND INMATE CALLING SOLUTIONS, LLC, D/B/A ICSOLUTIONS**

1. **Parties.** The parties to this Contract are the State of Wyoming, Department of Corrections (hereinafter referred to as "WDOC"), whose address is 1934 Wyott Drive, Suite 100, Cheyenne, Wyoming 82002, and Inmate Calling Solutions, LLC, d/b/a ICSolutions (hereinafter referred to as "Contractor"), whose address is 2200 Danbury, San Antonio, TX 78127.

2. **Purpose of Contract.** The purpose of this Contract is for WDOC to grant Contractor the exclusive right and privilege to install and operate prison inmate telephones and related telephone equipment at WDOC's Facilities as detailed in **Attachment B** (hereinafter referred to as "Facilities") which is attached hereto and incorporated herein. Contractor shall, at no cost to WDOC, provide all inside wiring for the inmate telephones and repair or refurbish the inmate telephones as needed, along with the related hardware and software/firmware specifically identified herein, to enable inmates at the Facilities to make auto-collect local and long distance calls, debit local, long distance and international calls, and/or pre-paid local, long distance and international calls from the Facilities pursuant to the terms set forth herein.

3. **Term of Contract and Required Approvals.** This Contract is effective upon the date of the last signature is affixed (Effective Date). The term of the Contract is from the Effective Date through June 30, 2015. All services shall be completed during this term. This contract may be renewed by the mutual agreement of the parties in writing and subject to the required approvals. There is no right or expectation of renewal and any renewal will be determined at the discretion of WDOC.

A. By law, contracts for professional or other services must be approved by the Attorney General and A&I Procurement, Wyo. Stat. § 9-1-403(b)(v), and all contracts for services costing over one thousand, five hundred dollars (\$1,500.00) must be approved by the Governor or his designee as well, Wyo. Stat. § 9-2-1016(b)(iv).

4. **Payment**

A. **Collect, Debit and Pre-Paid.**

i. The ITSP shall pay Customer sixty-five and a half percent (65.5%) commission on all Gross Revenue generated by and through the ITS. "Gross Revenue" is generated by completed calls (see description of a completed call below) and consists of all compensation, earnings, gain, income, generated revenue, payment, proceeds or receipts paid to ITSP by any third party and in any way connected to the provision of service pursuant to this

Agreement and includes, but is not limited to, the following: all surcharges, per minute fees and any additional fees and/or charges generated by the completion of all calls (including any combination of free, collect, debit and pre-paid local, intralata/intrastate, intralata/interstate, interlata/intrastate, interlata/interstate and international calls), additional fees and/or charges added to the total cost of a call or added to the called party's bill or any other compensation received by ITSP. Any additional fees to be added to the called party's bill or paid by the called party (including those associated with establishing/funding pre-paid collect accounts) for inmate telephone calls from the Facility(s) must be approved by Customer prior to implementation. Customer and ITSP shall mutually agree upon the method for compensation associated with the additional charges/fees due to Customer.

a. Any additional fees and/or charges implemented without Customer's express written consent shall incur a fine per day of three hundred fifty dollars (\$300.00). The fine per day shall be effective from the date ITSP implemented the unapproved additional fees and/or charges through the date ITSP discontinues the unapproved additional fees and/or charges. Customer shall promptly notify ITSP of any unapproved additional fees and/or charges of which Customer becomes aware and shall provide ITSP with an invoice for the total fine due, for which ITSP shall remit payment to Customer within thirty (30) days.

b. Additionally, ITSP shall use reasonable efforts, within thirty (30) days, to refund each called party and/or inmate for any unapproved additional fees and/or charges from the date the charges/fees were implemented until the date the charges/fees were discontinued. Should Customer approve the additional fees/charges to remain in effect for the remaining term of this Agreement and any renewal terms, Customer and ITSP shall work together to mutually agree upon the commission structure to be paid to Customer for the additional revenue generated for ITSP.

ii. Calls are deemed to be completed and commissionable as follows:

a. Collect calls are completed when the called party accepts the call, regardless of if the ITSP can bill or collect the revenue on the call;

b. Debit calls are completed when a connection is made between the inmate and the called party whether such connection is established by positive acceptance including live or automated pick-up (e.g. when positive acceptance is achieved by an answering machine).

c. Pre-paid calls are completed when a connection is made between the inmate and the called party, whether such connection is established by positive acceptance including live or automated pick-up (e.g. when positive acceptance is achieved by an answering machine).

i. Pre-paid calls include, without limitation, calls completed by using a pre-paid card and all calls which have been pre-paid by any person or entity by any method of payment.

d. Commission for debit calls shall be based upon total Gross Revenues, as specified above, generated from debit call usage. On or before the fifth

iii. For the purposes of this paragraph, the term debit refers to a paperless, commissary-based program, not debit cards. Contractor shall commission at one hundred (100%) percent, the first one hundred thousand dollars (\$100,000.00) of debit Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate and International calls at no cost to WDOC beginning on the Effective Date specified in **Section 3**. Each WDOC Facility shall receive, twenty thousand dollars (\$20,000.00) each, of debit, which is included in the overall one hundred thousand dollars (\$100,000.00). Any debit revenue generated in excess of the first one hundred thousand dollars (\$100,000.00) shall be commissioned to WDOC at the commission rate specified in paragraph **i** of **Section 4, A**.

iv. Commission for debit calls shall be based upon total Gross Revenues, as specified above, generated from debit call usage. On the fifth (5th) day following the month of traffic, Contractor shall submit a monthly invoice for gross commissary or trust account funding along with a corresponding funding report to WDOC, and/or WDOC's designated agent, for the total amount of commissary or trust account debit funding activity (less any issued credits/adjustments) for the prior traffic month. The total debit funding invoice shall be paid by WDOC, or WDOC's designated agent, to Contractor within forty-five (45) days, following the month of traffic. Contractor will be responsible for issuing the debit commission to WDOC based upon total debit usage as outlined in **Section D** below and at the commission rate specified in paragraph **i** of **Section 4, A**.

v. Contractor shall pay commission on Gross Revenue before any deductions are made for unbillable calls, bad debt, uncollectible calls, fraudulent calls, LEC adjustments, or any other Contractor expenses. Contractor agrees that WDOC will not bear any responsibility for unbillable or uncollectible calls. Additionally, WDOC shall not be liable for any of Contractor's costs for services pursuant to this Contract, including, but not limited to, taxes, shipping charges, network charges, operator center charges, insurance, interest, penalties, termination payments, attorney fees, or liquidated damages.

vi. All commissions are payable as identified in **Section D** of this Contract.

vii. Contractor shall impose a monthly collect threshold of seventy-five dollars (\$75.00) per each unique telephone number. Contractor shall not decrease the collect threshold without WDOC's express written consent, which consent shall not be unreasonably withheld or delayed.

viii. Notwithstanding the foregoing, Gross Revenue does not include:

a. Pre-paid Collect fees. Pre-paid collect fees are defined as fees imposed on called parties who set up and/or fund a pre-paid collect account with Contractor to accept calls. The amount of the funding fee approved by WDOC is specified in **Attachment B**.

b. Billing Statement fees. Billing statement fees are defined as fees tariffed by the Contractor and charged to called parties for processing collect calls on a LEC telephone bill. The amount of the billing statement fee approved by WDOC is specified in **Attachment B**.

c. Interstate Regulatory Recovery fees. Interstate Regulatory Recovery fees are defined as fees tariffed by the ITSP and charged to called parties in an effort for Contractor to recover other fees and surcharges imposed by the FCC, such as telecom relay, along with related administrative costs.

d. Required regulatory charges and taxes that are intended to be paid by the called party and then remitted 100% by the billing party to the appropriate governmental agency.

e. A "Free" call, which shall be defined as a call not generating any revenue for the Contractor. Calls to telephone numbers that appear on the free call list supplied by the WDOC shall not generate revenue for Contractor and shall not be commissionable to WDOC. Only those numbers designated by WDOC on the free call list shall be marked as "Free" in the ITS and designated as such in the Call Detail Records. In the event Contractor receives revenue, notwithstanding the source, from any third party related to a completed free call, such revenue shall be included in Gross Revenue and commissionable to WDOC.

f. Complimentary calls are not commissioned and shall be limited to one 60-second call per unique telephone number. Complimentary calls shall be designated as "Admin Set-Up" in the Call Detail Records.

B. Lobby Payphones. Contractor agrees to provide WDOC with a total of five (5) lobby telephones for the Facilities. Each lobby telephone shall allow free local calls and incoming calls. Each lobby telephone shall also allow credit card, collect and toll-free calls.

C. Calling Rates.

i. The Contractor shall submit a request in writing to receive approval from WDOC for any rate increases and/or decreases for inmate telephone calls before new rates are implemented. WDOC will respond in writing to Contractor's request. Should Contractor decrease the calling rates without the express written approval of WDOC, the Contractor shall be responsible for paying commissions on the Gross Revenue as determined by applying the calling rates prior to the unapproved change. Should Contractor increase the calling rates without the express written approval of WDOC, Contractor must use reasonable efforts to issue credits to all called parties overcharged within thirty (30) days; documentation of the issued credits shall be provided to WDOC and/or its Designated Agent within ten (10) business days of the date the credits were issued. No commission refund shall be due from WDOC to Contractor for unapproved rate increases.

ii. Calling rates shall be defined as the combined cost of surcharges, any additional fees, and per minute rates charged to the called party.

iii. Both parties have mutually agreed upon the rates for inmate telephone calls, as detailed in **Attachment B**. Any and all charges and fees that will be assessed for all collect, debit and pre-paid inmate telephone calls shall be shown in **Attachment B**.

iv. For the life of the Contract, any rate adjustments requested by Contractor for inmate telephone calls must be requested by Contractor in writing and approved by WDOC in writing, prior to implementation.

v. Rate adjustments requested by WDOC will be implemented by Contractor within four (4) days of said request, subject to regulatory approval.

D. Reporting and Issuing Payment.

i. Contractor shall provide commission payments and traffic reports to WDOC or its Designated Agent no later than the twenty-fifth (25th) day of the month following the month of traffic. Commission payments shall be sent via wire transfer and traffic detail reports shall be sent via electronic format to WDOC or its Designated Agent.

ii. Traffic detail report(s) shall include a detailed breakdown of the traffic for all collect, debit, and pre-paid collect calls for each inmate telephone or inmate telephone station. This requirement is applicable

for any ITS equipment that may be installed by Contractor. Traffic detail shall include, at a minimum, each of the following items for each inmate telephone station broken down by collect, debit, and pre-paid collect call types: (a) Facility Name; (b) Facility Identification Number; (c) Facility Street Address, City, State, and Zip Code; (d) Automatic Number Identifier, or Inmate Telephone or Inmate Telephone Station port number; (e) Total Gross Local Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (f) Total Gross Intralata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (g) Total Gross Interlata/Intrastate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (h) Total Gross Interlata/Interstate Revenue and Commission per Inmate Telephone or Inmate Telephone Station; (i) Total Gross International Revenue per Inmate Telephone or Inmate Telephone Station; (j) Commission Rate; (k) Total Commission Amount (including, but not limited to, Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate and International); (l) Site Identification (m) Traffic Period Dates; (n) Total Minutes of use per Inmate Telephone or Inmate Telephone Station for each call type; (o) Total Number of Calls per Inmate Telephone or Inmate Telephone Station for each call type; (p) Total Debit Usage for each call type; and (q) Total Pre-Paid Usage for each call type.

iii. Monthly raw call detail records and billing files shall be delivered to WDOC, and/or it's Designated Agent, no later than the twenty-five (25th) day of the month following the month of traffic. Call detail records and billing files received by WDOC shall include the following:

a. The billing files shall contain all necessary field elements as those files prepared and submitted for billing to the called party. The billing files shall be accompanied by a complete file map and complete field legend. The billing files shall contain, but shall not be limited to, the following fields: (a) Facility Name; (b) Facility Site ID; (c) Origination Number; (d) Dialed Number; (e) Batch ID; (f) Row ID; (g) Record ID; (h) Date of Call; (i) Call Start Time; (j) Call End Time; (k) Time of Day; (l) Multiple Rate Period Indicator; (m) Inmate Identifier/PIN (if utilized at the Facility); (n) Originating City; (o) Originating State; (p) Bill City; (q) Bill State; (r) Billed Minutes of Use; (s) Rounded Bill Time Indicator; (t) Bill Number; (u) Call Type (ex. Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate, International); (v) Call Type Settlement Code; (w) Call Amount; (x) Taxes; (y) Fees; (z) Specialized Calling Indicator; (aa) Validation Indicator and (bb) Tax Exempt Indicator. Contractor shall make the complete file map and complete field legend available to WDOC and/or its Designated Agent upon request from WDOC and/or its Designated Agent.

b. The raw call detail records (CDRs) shall contain all calls (both attempted and completed), including all inbound voicemail messages as well as voicemail message retrievals, which originated from the

Facilities for each day and each time of the day for the period for which said raw CDRs are requested. The raw CDRs shall contain the unedited data including all fields and all field content. When requested, these records shall be accompanied by a complete file map and complete file legend. The CDRs shall contain, but shall not be limited to, the following fields: (a) Facility Name; (b) Facility Site ID; (c) Origination Number; (d) Dialed Number; (e) Trunk ID; (f) Port ID; (g) Station ID; (h) Location of Phone; (i) Inmate ID (if utilized at the Facility); (j) Inmate PIN (if utilized at the facility); (k) Prepaid Card ID Number (if utilized at the Facility); (l) Traffic Period; (m) Date of Call; (n) Call Start Time; (o) Call End Time; (p) Duration of Call (in seconds); (q) Bill Type (e.g. Collect, Prepaid Collect, Debit, etc.); (r) Call Type (e.g. Local, Intralata/Intrastate, Interlata/Intrastate, Interlata/Interstate, International); (s) Call Amount; (t) Validation Result; (u) Termination Status; (v) LIDB Status and (w) Completion Status.

iv. Commission discrepancies must be resolved by Contractor within thirty (30) days of written notification of a discrepancy by WDOC or its Designated Agent to Contractor or such discrepancy is subject to late charges, as described below and/or termination of the Contract at the sole discretion of WDOC, and/or any other legal course of action WDOC elects to pursue.

E. Payments and/or traffic detail reports received by WDOC after the due date will be subject to late charges. The due date for all payments and reporting is the twenty fifth (25th) day of the month following the month of traffic. Late charges for commission payments shall be equal to five percent (5%) per month of the commission due. Late charges for traffic detail reporting shall be a fee of \$750.00 per month for each report not received by the twenty fifth (25th) day of the month following the traffic month or for reports that do not contain all of the fields and information identified in paragraphs **i** and **ii** of **Section 4, D**. If the commission payment is late, reporting is late and/or reports do not contain all required fields, late fees and fines for all three shall apply. WDOC or its Designated Agent shall promptly notify Contractor of any late reports, files, data or payments hereunder.

5. Responsibilities of Contractor

A. Contractor agrees to all terms and conditions set forth in this Contract, and Contractor agrees to the specifications including, but not limited to, the features and functionalities of the Inmate Telephone System (hereinafter referred to as "ITS"), listed in **Attachment A**. If WDOC designates an Agent, Contractor shall follow WDOC's direction in working with such Designated Agent.

6. Responsibilities of WDOC

A. WDOC shall comply with the terms and conditions of this Contract.

7. Special Provisions

A. **Ethics.** Contractor shall keep informed of and comply with the Wyoming Ethics and Disclosure Act (Wyo. Stat. § 9-13-101, et seq.), and any and all ethical standards governing Contractor's profession.

B. **Monitor Activities.** WDOC shall have the right to monitor all Contract related activities of the Contractor and all subcontractors. This shall include, but not be limited to, the right to make site inspections at any time, to bring experts and consultants on site to examine or evaluate completed work or work in progress, and to observe all Contractor personnel in every phase of performance of Contract related work.

C. **No Finder's Fees.** No finder's fee, employment agency fee, or other such fee related to the procurement of this Contract shall be paid by either party.

8. General Provisions

A. **Amendments.** Any changes, modifications, revisions or amendments to this Contract which are mutually agreed upon by the parties to this Contract shall be incorporated by written instrument, executed and signed by all parties to this Contract.

B. **Applicable Law/Venue.** The construction, interpretation and enforcement of this Contract shall be governed by the laws of the State of Wyoming. The Courts of the State of Wyoming shall have jurisdiction over this Contract and the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract, and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

C. **Assignment/Contract Not Used as Collateral.** Neither party shall assign or otherwise transfer any of the rights or delegate any of the duties set forth in this Contract without the prior written consent of the other party. The Contractor shall not use this Contract, or any portion thereof, for collateral for any financial obligation, without the prior written permission of WDOC.

D. Audit/Access to Records.

i. WDOC and any of its representatives shall have access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Contract. The Contractor shall, immediately upon receiving written instruction from WDOC, provide to any independent auditor, accountant, or accounting firm, all books, documents, papers and records of Contractor which are pertinent to this Contract. The Contractor shall cooperate fully with any such independent auditor, accountant, or accounting firm, during the entire course of any audit authorized by WDOC.

ii. Contractor shall maintain accurate, complete and auditable records fully reflecting the Gross Revenues from which commissions can be determined, including all call detail, EMI billing records, pre-paid card sales, debit purchases, refunds, credits, and commissioning reports during the term of the Contract and for no less than two (2) years after the term of the Contract covered thereby in accordance with generally accepted accounting principles. Failure by Contractor to comply with this full audit rights provision will be grounds for termination of the Contract at WDOC's sole discretion.

iii. WDOC may also employ, at its cost and discretion, any Designated Agent or subcontractor of its choosing in the performance of such audits. Contractor shall pay resolved and agreed upon amounts due plus, in the event the foregoing audit reveals an amount due WDOC above the amount otherwise paid for the period audited, Contractor shall pay WDOC's reasonable cost of the audit within thirty (30) days of the resolution date. If the agreed upon amounts are not paid within thirty (30) days, the amounts due to WDOC will accrue interest at the rate of one and one-half percent (1.5%) per month, or the highest rate permitted by law (whichever is less) until such monies are paid.

E. Availability of Funds. Each payment obligation of the WDOC is conditioned upon the availability of government funds which are appropriated or allocated for the payment of this obligation. If funds are not allocated and available for the continuance of the services performed by the Contractor, the Contract may be terminated by WDOC at the end of the period for which the funds are available. WDOC shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. No penalty shall accrue to WDOC in the event this provision is exercised, and WDOC shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section. This provision shall not be construed to permit WDOC to terminate this Contract to acquire similar services from another party.

F. Award of Related Contracts. WDOC may undertake or award supplemental or successor contracts for work related to this Contract.

The Contractor shall cooperate fully with other contractors and WDOC in all such cases.

G. Certificate of Good Standing. Contractor shall provide Certificate of Good Standing verifying compliance with the unemployment insurance and workers' compensation programs prior to performing work under this Contract.

H. Compliance with Laws. The Contractor shall keep informed of and comply with all applicable federal, state and local laws and regulations in the performance of this Contract.

I. Confidentiality of Information. All documents, data compilations, reports, computer programs, photographs, and any other work provided to or produced by the Contractor in the performance of this Contract shall be kept confidential by the Contractor unless written permission is granted by WDOC for its release.

J. Entirety of Contract. This Contract, consisting of eighteen (18) pages, together with Attachment A, consisting of eighteen (18) pages, and Attachment B, consisting of two (2) pages, represents the entire and integrated Contract between the parties and supersedes all prior negotiations, representations, and agreements, whether written or oral.

K. Extensions/Renewals. Nothing in this Contract shall be interpreted or deemed to create an expectation that this Contract will be extended beyond the term described herein. Any extension of this Contract shall be initiated by WDOC and shall be accomplished through a written amendment between the parties entered into before the expiration of the original Contract or any valid amendment thereto, and shall be effective only after it is reduced to writing and executed by all parties to the Contract. Any agreement to extend this Contract shall include, but is not limited to: an unambiguous identification of the Contract being extended; the term of the extension; the amount of any payment to be made during the extension, or a statement that no payment will be made during the extension; a statement that all terms and conditions of the original Contract shall, unless explicitly delineated in the exception, remain as they were in the original Contract; and, if the duties of either party will be different during the extension than they were under the original Contract, a detailed description of those duties.

L. Force Majeure. Neither party shall be liable for failure to perform under this Contract if such failure to perform arises out of causes beyond the control and without the fault or negligence of the nonperforming party. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become

effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays. This provision shall not be effective unless the failure to perform is beyond the control and without the fault or negligence of the nonperforming party. The parties intend and agree that the State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law.

M. Indemnification.

i. ITSP shall defend, indemnify, and hold WDOC and its affiliates, agents, employees, officers, directors, and successors harmless from loss, cost, expenses, damages or liability (including reasonable attorney's fees and court costs) resulting from actions, causes of action or claims brought or threatened hereunder, for (a) any actual or alleged negligence or dishonesty of, or any actual or alleged act of commission or omission by, Contractor or any of its employees, agents or subcontractors; (b) the operation of Contractor's business or the ITS; (c) any breach by Contractor of its obligations hereunder; or (d) any alleged patent, copyright or trademark infringement or unauthorized use of trade secrets or other proprietary rights in connection with the ITS, except where such claims, demands or liabilities are due to the negligence of WDOC, its agents or employees.

ii. WDOC agrees that Contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by WDOC, including its agents, employees, and assigns.

iii. Contractor agrees that WDOC shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by Contractor, including its agents, employees, and assigns.

iv. WDOC agrees to provide Contractor with reasonable and timely notice of any claim, demand, or cause of action made or brought against WDOC arising out of or related to the services rendered by Contractor. Contractor shall have the right to defend any such claim at its sole cost and expense and with its exclusive direction. WDOC agrees not to compromise or settle any claim or cause without the prior written consent of Contractor.

v. In the event any infringement claim is made or threatened against WDOC, or injunctive relief is granted to a claimant, Contractor shall at its sole cost and expense either (i) obtain the right for WDOC to continue use of the services; (ii) substitute other services of like capability, or (iii) replace or modify the services to render them non-infringing while retaining like capability. In the event Contractor is unable to perform

any of the above, WDOC may terminate this Agreement upon providing sixty (60) days written notice to Contractor. The remedies provided in this subsection are WDOC's sole remedies for Contractor's failure to perform any obligation in this subsection.

vi. The provisions **Section 4 Paragraph M-Indemnification**, including all subsections, shall survive the expiration or other termination of this Agreement.

N. Independent Contractor. The Contractor shall function as an independent contractor for the purposes of this Contract, and shall not be considered an employee of the State of Wyoming for any purpose. The Contractor shall be free from direction over details of performance of service under this Contract, assume sole responsibility for any debts or liabilities that may be incurred by the Contractor in fulfilling the terms of this Contract, and shall be solely responsible for the payment of all federal, state and local taxes which may accrue because of this Contract. Nothing in this Contract shall be interpreted as authorizing the Contractor or its agents and/or employees to act as an agent or representative for or on behalf of the State of Wyoming or WDOC, or to incur any obligation of any kind on the behalf of the State of Wyoming or WDOC. The Contractor agrees that no health/hospitalization benefits, workers' compensation, unemployment insurance, and/or similar benefits available to State of Wyoming employees will inure to the benefit of the Contractor or the Contractor's agents and/or employees as a result of this Contract.

O. Kickbacks. Contractor certifies and warrants that no gratuities, kickbacks, or contingency fees were paid in connection with this agreement, nor were any fees, commissions, gifts, or other considerations made contingent upon the award of this agreement. If Contractor breaches or violates this warranty, WDOC may, at its discretion, terminate this agreement without liability to WDOC, or deduct from the agreed upon price or consideration, or otherwise recover, the full amount of any commission, percentage, brokerage, or contingency fee.

P. Notices. All notices arising out of, or from, the provisions of this Contract shall be in writing and given to the parties at the address provided under this Contract, either by regular mail or delivery in person.

Q. Notice and Approval of Proposed Sale or Transfer of the Contractor. The Contractor shall provide WDOC with the earliest possible advance notice of any proposed sale or transfer or any proposed merger or consolidation of the assets of the Contractor. Such notice shall be provided in accordance with the notice provision of this Contract. If WDOC determines that the proposed merger, consolidation, sale, or transfer of assets is not

consistent with the continued satisfactory performance of the Contractor's obligations under this Contract, then WDOC may, at its option, terminate or renegotiate the Contract.

R. Ownership of Documents/Work Product/Materials. All documents, reports, records, field notes, data, samples, specimens, and materials of any kind resulting from performance of this Contract are at all times the property of WDOC.

S. Patent or Copyright Protection. The Contractor recognizes that certain proprietary matters or techniques may be subject to patent, trademark, copyright, license or other similar restrictions, and warrants that no work performed by the Contractor or its subcontractors will violate any such restriction. The Contractor shall defend and indemnify WDOC for any violation or alleged violation of such patent, trademark, copyright, license, or other restrictions.

T. Prior Approval. This Contract shall not be binding upon either party, no services shall be performed under the terms of this Contract, and the Wyoming State Auditor shall not draw warrants for payment on this Contract, until this Contract has been reduced to writing, approved as to form by the Office of the Attorney General, filed with and approved by the Department of Administration and Information's Procurement Office, and approved by the Governor of the State of Wyoming or his designee if required by Wyo. Stat. § 9-2-1016(b)(iv).

U. Proof of Insurance

i. Commercial General Liability Insurance. Contractor shall provide coverage during the entire term of this Contract against claims arising out of bodily injury, death, damage to or destruction of the property of others, including loss of use thereof, and including products and completed operations in an amount not less than Two Hundred Fifty Thousand Dollars (\$250,000.00) per claimant and Five Hundred Thousand Dollars (\$500,000.00) per occurrence.

ii. Business Automobile Liability. The Contractor shall maintain, during the entire term of this Contract, automobile liability insurance in an amount not less than five hundred thousand dollars (\$500,000.00) per occurrence.

iii. Workers' Compensation and Employers Liability Insurance. The Contractor shall provide proof of workers' compensation coverage pursuant to the Wyoming Workers' Safety and Compensation

program, if statutorily required, or such other workers' compensation insurance as appropriate. The Contractor's insurance shall include "Stop Gap" coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000.00) per employee for each accident and disease.

iv. Professional Liability or Errors and Omissions Liability Insurance. The Contractor shall maintain and provide proof of professional liability insurance or errors and omissions liability insurance to protect the State and WDOC from any and all claims arising from the Contractor's alleged or real professional errors, omissions or mistakes in the performance of professional duties in an amount not less than five hundred thousand dollars (\$500,000.00).

v. All policies required under this Contract shall be in effect for the duration of this Contract and project. All policies shall be primary and not contributory. Contractor shall pay the premiums on all insurance policies and insurance certificates must include a clause stating that the insurance may not be revoked, cancelled, amended or allowed to lapse until the expiration of at least thirty (30) days advance written notice to WDOC.

vi. WDOC as Additional Insured. All insurance policies required by this Contract, except workers' compensation, shall name WDOC as an additional insured, and shall contain a waiver of subrogation against WDOC, its agents and employees. Contractor shall provide, upon request, a copy of an endorsement providing this coverage.

vii. WDOC's Right to Reject. The State reserves the right to reject a certificate of insurance if the Contractor's insurance company is widely regarded in the insurance industry as financially unstable. This would include, but is not limited to, insurance companies with an "Omit" rating in the A.M. Best insurance rating guide.

viii. Subcontractors. The insurance requirements set out above apply to all subcontractors. It is the Contractor's responsibility to ensure that its subcontractors meet these insurance requirements. WDOC has the right to review the Certificates of any and all subcontractors used by the Contractor.

V. Publicity. Any publicity given to the program or services provided herein, including, but not limited to, notices, information, pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Contractor, shall identify WDOC as the sponsoring agency and shall not be released without prior written approval from WDOC.

W. Severability. Should any portion of this Contract be judicially determined to be illegal or unenforceable, the remainder of the

Contract shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

X. Sovereign Immunity. The State of Wyoming and WDOC do not waive sovereign immunity by entering into this Contract and specifically retain immunity and all defenses available to them as sovereigns pursuant to Wyo. Stat. § 1-39-104(a) and all other applicable law. Designations of venue, choice of law, enforcement actions, and similar provisions should not be construed as a waiver of sovereign immunity. The parties agree that any ambiguity in this Contract shall not be strictly construed, either against or for either party, except that any ambiguity as to sovereign immunity shall be construed in favor of sovereign immunity.

Y. Taxes. The Contractor shall pay all taxes and other such amounts required by federal, state and local law, including but not limited to federal and social security taxes, workers' compensation, unemployment insurance and sales taxes.

Z. Termination of Contract.

i. This Contract may be terminated, on any reasonable basis, by WDOC upon thirty (30) days written notice. This Contract may be terminated immediately for cause if the Contractor fails to perform in accordance with the terms of this Contract.

ii. In the event either party breaches the Contract by failing to perform as agreed, the non-breaching party shall give the breaching party written notice of the failure stating what failure has occurred. The breaching party shall have thirty (30) days after the receipt of such notice to remedy the failure. If the breaching party does not remedy the failure in the allowed thirty (30) days, the non-breaching party may terminate this Agreement. Should Contractor for any reason, except in the case of Force Majeure (see **Paragraph L of Section 8** of this Contract), become unable to complete the work required by this Agreement, WDOC may, at its sole discretion, call for fifty-five thousand dollars (\$55,000.00) in liquidated damages. Notwithstanding the above, should WDOC prevent Contractor from entering the premises to complete repair work on the inmate telephone equipment, Contractor shall have time to complete said repairs using under the provisions outlined in **Item D of Section 12 in Attachment A** after WDOC allows Contractor access to the inmate telephone equipment.

iii. Contractor is responsible for performing remote diagnostics, monitoring, and maintenance on the ITS. In the event that WDOC experiences a service or equipment outage, Contractor shall repair any such outage or otherwise restore service within ten (10) days after it receives notice

of or detects a service or equipment outage. If, Contractor is unable to make the necessary repairs and/or restore service within this ten (10) day period, WDOC may immediately terminate this Contract upon providing written notice of termination to Contractor. The Transition period referred to in **Section 11** of **Attachment A** will begin upon the termination of this Contractor.

AA. Third Party Beneficiary Rights. The parties do not intend to create in any other individual or entity the status of third party beneficiary, and this Contract shall not be construed so as to create such status. The rights, duties and obligations contained in this Contract shall operate only between the parties to this Contract, and shall inure solely to the benefit of the parties to this Contract. The provisions of this Contract are intended only to assist the parties in determining and performing their obligations under this Contract. The parties to this Contract intend and expressly agree that only parties signatory to this Contract shall have any legal or equitable right to seek to enforce this Contract, to seek any remedy arising out of a party's performance or failure to perform any term or condition of this Contract, or to bring an action for the breach of this Contract.

BB. Titles Not Controlling. Titles of paragraphs are for reference only, and shall not be used to construe the language in this Contract.

CC. Waiver. The waiver of any breach of any term or condition in this Contract shall not be deemed a waiver of any prior or subsequent breach. Failure to object to a breach shall not constitute a waiver.

DD. Limitation of Liability. Except as to claims brought by a third party against WDOC that are covered by **Paragraph M** of **Section 8** of the Contract, in no event shall WDOC have any liability for indirect, incidental, special, or consequential damages, loss of profits or income, lost or corrupted data, or loss of use or other benefits ("Extraordinary Damages") arising out of or in any way related to any equipment, product, or service provided by Contractor pursuant to this Contract. In any event, Contractor's liability for any damages shall be limited to the direct actual damages proven by WDOC, excluding any amounts relating to WDOC's negligence or willful misconduct.

EE. Dispute Resolution.

i. Resolution by Executives. All disputes will first be submitted for resolution to a top executive of each Party. Each such executive shall have authority to bind the Party in all matters in connection herewith. Within thirty (30) days of such submission, the executives will meet to resolve the dispute and may decide to hear additional arguments that a party may wish to make in connection therewith. If the executives reach agreement on the disposition of the dispute, they will promptly issue their joint written decision resolving the dispute. Any dispute dealt with in this manner will be

considered conclusively resolved and may not be the subject of any arbitration or litigation between the Parties. Any dispute that cannot be promptly decided in this manner by the executives may be taken by the aggrieved party to arbitration as described below.

FF. Arbitration. Any dispute or claim arising out of or relating to this Agreement not resolved as described in **Section 8 Paragraph EE Subparagraph i** above will be settled by one (1) arbitrator. The arbitrator will be independent and knowledgeable with respect to contracts of this kind. If practicable, the arbitrator will be agreed upon by the Parties, or will be appointed by agreement of the Parties from a list of no more than three (3) persons, but if the Parties are unable to agree on an arbitrator within ten (10) days from the date on which either Party requests the appointment of an arbitrator, either Party may request the American Arbitration Association to appoint such person as soon as practicable. The arbitration will take place in a place that is mutually agreeable by both Parties. Each of the Parties will cooperate with the arbitrator and will provide the arbitrator with all information in their possession or under their control necessary or relevant to the matter being determined. The Parties will use their reasonable efforts to cause any arbitration hearing that may be held hereunder to be completed as soon as practicable. The arbitrator will be required to make his award as soon as practicable after the conclusion of the arbitration hearing. The award will be in writing, including the grounds on which the arbitrator based the award. Judgment upon an award, including any interim award, rendered by the arbitrator may be entered in any Court having jurisdiction thereof. The arbitrator may determine all questions of law and jurisdiction including questions as to whether the dispute is arbitratable, and has the right to grant permanent and interim damages or injunctive relief, and will have the discretion to award costs including reasonable legal fees, interest and costs of the arbitration.

ATTACHMENT A

CONTRACTOR RESPONSIBILITIES & INMATE TELEPHONE SYSTEM FEATURES AND FUNCTIONALITIES

1. **General Requirements:** The Contractor shall furnish, install and maintain telephones for use by inmates at the Facilities listed in **Attachment B** operated by WDOC. Contractor shall provide all telephone services to the inmates utilizing Contractor's centralized Inmate Telephone System ("ITS") in accordance with those requirements and provisions set forth in this Attachment and this Contract.

A. Contractor shall comply with all applicable laws, rules, regulations, and orders of any authorized agency, commission, unit of the federal government, state, county, or municipal government at no cost to WDOC. The Contractor shall be authorized by the appropriate governing body and/or regulatory agency to be an Inmate Telephone Service Provider.

2. **Security:** All Contractor employees shall obtain, at Contractor's cost, the appropriate personnel background security clearances prior to arrival at the Facilities. All Contractor employees will comply with WDOC's policies and procedures. Entry to the Facilities is subject to the approval of the WDOC's onsite Facility Administrator, Warden or Security Manager.

3. **Single Point of Contact:** Contractor shall appoint an Account Executive ("AE") who will act as a single point of contact for all inmate telephone-related activities, inquiries, service requests and issues. Contractor will provide a toll-free telephone number for inmate telephone service issues. Contractor shall also provide a fax number, mobile number and an email address.

4. **Installations:**

A. For each installation, the Contractor shall submit an implementation plan that shall include an installation schedule. Any initial installations must be completed within sixty (60) days of the Effective Date of this Contract. This implementation plan will become a part of the Contract and must be followed.

i. Due to Contractor's action(s), if any installation is not completed within the timeframe allowed in the agreed upon implementation plan, Contractor may incur liquidated damages in the amount of three hundred dollars (\$300.00) per day for each day beyond the installation date. In no event will natural disasters or acts of God cause Contractor to incur liquidated damages.

ii. Should Contractor incur liquidated damages, WDOC or its Designated Agent will invoice Contractor. Payment of the invoice shall be made to WDOC or its Designated Agent within thirty (30) days of Contractor's receipt of the invoice.

B. The Contractor agrees to obtain WDOC's written permission before proceeding with any work that requires cutting into or through girders, beams, concrete or tile floors, partitions or ceilings, or any work that may impair fireproofing or moisture proofing, or potentially cause any structural damage. WDOC does not anticipate that such work will be required for the initial installation of the centralized ITS.

C. The Contractor agrees to assume responsibility for all installation of equipment in accordance with the specifications contained in the manufacturer's installation instructions.

D. The Contractor shall provide a signed statement indicating that all circuits have been tested, and that all cables, pairs, blocks, frames, and terminals are legibly marked after completion of each installation.

E. Use of existing or in-place conduit, raceways, cable ways, cable, inside wiring, telephone set mountings, switches, terminal boxes, and terminals within the Facilities are at the risk of Contractor. No exposed wiring will be permitted. Ownership of any wiring or conduit placed under this Contract by Contractor becomes WDOC's upon expiration and/or termination of the Contract.

F. The Contractor agrees that if any cabling work is required as part of any installation, all new cables shall be used and marked clearly and legibly at both ends, and must meet all applicable Electronics Industries Association EIA/TIA Commercial Building Telecommunications Wiring Standard. This shall be done throughout this Agreement term and all subsequent renewal terms.

G. Throughout the term of this Agreement, WDOC may require additional inmate telephones and monitoring and recording equipment for the existing Facilities, expansions and/or newly constructed Facilities. Contractor shall install any additional inmate telephones and monitoring and recording equipment, as needed, within thirty (30) days of request and at no cost to WDOC. This shall be done throughout this Agreement term and all subsequent renewal terms.

H. Contractor shall provide and install adequate surge and lightning protection equipment on all lines used for the ITS. Contractor shall be responsible for maintaining, replacing or upgrading the surge and lightning protection at no cost to WDOC.

I. Installation of all telephones and related equipment shall be accomplished during normal business hours at each Facility or as directed by Facility's onsite Administrator, Warden or Security Manager.

J. The Contractor shall clean up and remove all debris and packaging material resulting from any work performed at the Facilities.

K. The Contractor shall restore to original condition any damage to WDOC's property caused by maintenance or installation personnel associated with Contractor, including repairs to walls, ceilings, etc.

L. The Contractor agrees to install, repair and maintain all Contractor provided equipment and lines, including, but not limited to, any wiring or cable work required from the demarcation point throughout each of the Facilities, at no cost to WDOC. All Contractor-provided equipment, installation, maintenance and repair costs as well as all costs or losses due to vandalism shall be the total responsibility of Contractor.

M. Upon completion of initial installation and ongoing installations, Contractor must provide WDOC and its Designated Agent with a list of telephone numbers, equipment specifications, and locations of each unit.

N. Ownership of any wiring and conduit placed under this Contract becomes WDOC's property upon termination and/or expiration of this Contract.

5. Station Equipment Specifications: ITSP shall ensure that all operational features and system requirements provided must be applicable to all calls placed through the ITS, including local, long distance and international calling.

A. Each call, having been identified as being placed through Contractor's ITS, shall be delivered to the called party as either a collect call, a pre-paid call and/or a debit call – if the pre-paid/debit application is in effect and chosen as the means to place the call.

B. Telephone station equipment shall be powered by a telephone line or equivalent and require no additional power source. A power source will be available at the demarcation location.

C. Contractor shall install, at minimum, one (1) inmate telephone for every ten (10) inmates in a day room or dormitory environment. Contractor must agree to install and maintain the quantity of telephones required by WDOC as detailed in **Attachment B**. Also, Contractor shall provide each Facility with a minimum of ten percent (10%) onsite-inventory to allow for

simple replacement of inmate telephone parts by the Facility personnel. Contractor shall be responsible for ensuring the on-site inventory is replenished, at a minimum, on a monthly basis. Pick-up and shipment of inmate telephone inventory shall be accomplished at no cost to WDOC.

D. The ITS shall comply with all Federal Communication and/or Utility Commissions regulations. The inmate telephone stations shall be stainless steel, non-coin, sturdy enough to withstand vandalism and severe use, and be steel armored, durable equipment which can withstand tampering and is suitable for a detention environment. The equipment must contain no removable parts.

E. Contractor shall provide a sufficient number of telephone/trunk lines to the ITS to allow inmates the opportunity to place calls 99.5% of the time.

F. Contractor shall provide telephone reception quality at least equal to the toll quality offered to the general public and shall meet telecommunication industry standards for service quality. All telephone sets must be of the "amplified" or volume controlled sort. Contractor shall accept WDOC's decision regarding whether the reception quality meets industry quality standards.

G. Call acceptance by the called party shall be accomplished for all calls through caller confirmation (positive acceptance). Voice recognition is not an acceptable method for positive call acceptance. The ITS shall be able to recognize standard or irregular busy signals, standard or irregular ringing signals, answering machines, cellular telephones, pagers, operator intercepts, quick disconnects, chain dialing and no voice from called party.

H. The ITS shall monitor the switch hook of the inmate telephones and if the switch hook is depressed at any time, the call will be disconnected or an internal dial tone should be activated to prevent fraud. Contractor must assume all responsibility for fraud.

I. During the call set up process, the ITS shall provide a pre-recorded announcement identifying that the call is coming from a specific inmate located at the Facilities and that the call "will be recorded and subject to monitoring."

J. All collect calls must be clearly identified as a collect call to the called party. This recording must be heard by the called party and be free of any toll charges.

K. The ITS shall process calls on a selective basis: English and Spanish. The inmate must be able to select the preferred language utilizing a

simple code. At WDOC's request, Contractor agrees to provide additional language options for the ITS prompts, at no cost to WDOC, subject to the standard languages available for the ITS at the time of WDOC's request.

L. Written dialing instructions in both English and Spanish, and any additional languages requested by WDOC, must be permanently and prominently displayed on each inmate telephone.

M. Contractor shall subscribe to the Local Exchange Carrier Line Information Screening Data Base (LIDB). Contractor shall query this database for each inmate call and process only those calls which do not have Billed Number Screening (BNS). Contractor must assume all responsibilities for the cost and the accuracy of validation.

N. The ITS shall provide a recording back to the inmate which details why a call was not completed. WDOC reserves the right to request Contractor to modify/revise the recordings at any time during the term of this Contract and at no cost to WDOC. WDOC shall modify/revise the recordings within sixty (60) days of request by WDOC.

O. The ITS shall have the capability to provide free calling to selected numbers as determined by WDOC and as detailed in **Subparagraph e** of **Subparagraph viii** of **Paragraph A** of **Section 4** of this Contract.

P. The ITS shall have the capability to program a specific speed dial codes to selected numbers as determined by WDOC, without the assistance of Contractor and at no cost to WDOC.

Q. Contractor shall provide WDOC with its SourceCheck 411 technology at each workstation. The call detail records shall be able to display the reverse directory information for the specified called number to include, at a minimum, the called party's billing name and address. The database shall be accessed via a secure link to the internet and shall be constantly updated. The subscription to the SourceCheck technology shall be provided to the WDOC and Facilities at no charge and shall be available at every workstation and any remote monitoring stations.

R. The Contractor must notify each Facility or the WDOC's Designated Agent any time a technician will require entry to any of the Facilities.

S. The ITS shall have the capability to ensure that calls to rotary telephones are completed accurately and positive acceptance is applied to the call.

T. The ITS shall, upon request by WDOC, provide specific information for tracking inmate calling activities and calling patterns by individual telephone numbers. The following reports shall be available for monitoring and billing purposes:

i. Monitoring reports that can be provided or sorted by any or all of the following criteria:

- Daily statistical reports;
- Facility names;
- Originating number;
- Terminating number;
- Date of call;
- Time of day;
- Inmate name;
- Length of call;
- Type of call – local, intralata etc;
- Bill type – collect, debit or pre-paid
- Line or Trunk group and trunk number call route;
- Location of station originating the call;
- Cost of the call;
- Call Acceptance code/Method of call acceptance;
- Call Termination code/Method of call termination;
- PIN number (associated with Inmate's name);
- Frequently called numbers (for all numbers called more than five (5) times in one day);
- Calls from a specific inmate telephone station ID or group of station IDs;
- Common numbers called (for all numbers called by more than one inmate);
- Blocked numbers report;
- Three way call attempt reports;
- Calls not passing validation;
- Trunk activity; and
- Station activity.

ii. Billing reports that can be provided or sorted by any or all of the following criteria:

- Call detail report;
- Amount charged per call;
- Gross charges billed;
- Daily statistics;
- Monthly statistics;
- Called party/number accepting report;
- Fraud/velocity report;

- Separate facility totals and statistics;
- All facility totals and statistics;
- Total calls;
- Calls by date;
- Time of day;
- Length of a call;
- Debit usage report;
- Bill and call type distribution; and
- Calls being denied by validation.

U. The ITS shall provide system administrators with the capability to print reports directly from the search screen. After selecting the required parameters, the ITS shall have the capability to provide a return list of calls matching the criteria which can be printed in a report format. The ITS shall also have the capability to produce call count reports, and daily reports as well as frequency reports based on any of the criteria detailed above or any parameters as defined by the WDOC.

V. Security shall be maintained by a multi-level password system based on user access requirements. The ITS shall allow users to be assigned pre-set security levels, or allow the flexibility to assign individual access permissions based upon specific job requirements. These permissions shall include, but not be limited to, access to inmate accounts, monitoring, call searching, etc. Those users with the administrator level password must have the ability to set user access parameters for other users according to security requirements.

W. The ITS must include a user log. Only those users with administrator level access should be able to review the user log. The log must include user access to the system, the time and date of each access, and the action taken during the user access.

X. The ITS shall also provide the ability to customize reports in a form mutually agreed upon by WDOC and its Designated Agent and Contractor and at no cost to WDOC.

Y. The call detail records shall be stored in a minimum of three (3) locations to avoid any possibility of call detail records being lost. Failure by Contractor to store all call detail records, or loss of call detail records, for any of the Facilities, shall result in a fine, of three thousand dollars (\$3,000.00), to be paid by Contractor to WDOC

Z. The ITS shall store all call detail records, including all attempts and completed calls at the each Facilities for the life of the Contract. WDOC shall have access to all call detail records for any of the Facilities from all workstations and remote access computers, based upon user's access level.

AA. The Contractor shall have the ability to perform remote diagnostics to the ITS to determine if a problem is with the telephone unit or with the telephone line.

BB. The ITS shall be TCP/IP compatible and allow multiple operators simultaneous access while maintaining adequate security to prevent unauthorized use and access.

CC. Contractor shall provide accommodations necessary to comply with Americans with Disabilities Act (ADA) requirements, including but not limited to, providing telephones which are accessible to persons in wheelchairs and providing systems that are compatible with Telephone Devices for the Deaf (TDD). Contractor shall provide one (1) TDD telephone at each Facility listed in **Attachment B** at no cost to WDOC. The TDD telephones shall be compatible with the ITS for call processing, monitoring and recording, and must be installed and tested by Contractor.

DD. The ITS must offer the called party an option to receive a rate quote during the call set-up process for every call type. The ITS must repeat the options to the called party a minimum of two (2) times during the initial call process.

EE. Contractor shall have the capability to establish an "informant" line. Calls to the "informant" line shall be free and shall be routed to a destination designated by WDOC. If so requested by WDOC, the destination for the informant line may be an automated voicemail box or an internal ITS speed dial/prompt. Playback of the informant calls shall be available via the ITS.

FF. Pro bono calls to Consulates of all countries are required for ICE detainees and shall be provided at no cost to WDOC.

GG. Contractor shall work with WDOC on the implementation of a reporting line which complies with the Prison Rape Elimination Act (PREA) of 2003. At a minimum, Contractor shall:

i. Route free calls via the ITS to a destination provided and designated by WDOC.

ii. Provide a telephone line, at no cost to WDOC, dedicated for the PREA calls to which the calls will be routed as free.

HH. At the request of WDOC, Contractor shall supply WDOC with signage/brochures/flyers regarding Contractor's pre-paid program at no cost to

WDOC. Contractor shall supply signage/brochures/flyers within ten (10) business days of request by WDOC.

6. Security Features:

- A.** The ITS shall prohibit direct-dialed calls of any type.
- B.** The ITS shall prohibit access to a line operator for any type of call.
- C.** The ITS shall prohibit access to "411" information service.
- D.** The ITS shall prohibit access to 800 type services unless otherwise agreed to by WDOC.
- E.** The ITS shall prohibit access to 900 type services.
- F.** The ITS shall prohibit access to multiple long distance carriers via 950, 800, and 10 10-XXX numbers.
- G.** The ITS must be able to shut down quickly and selectively. WDOC must be able to shut down the ITS via the ITS user application and by cut-off switches at several locations including, but not limited to:
 - i.** At demarcation location – total facility telephones;
 - ii.** By central control center – select telephones; and
 - iii.** By select housing units – control center.
- H.** The ITS shall be able to take an individual station out of service without affecting other stations or units.
- I.** The ITS shall prevent any inmate telephone from receiving any incoming calls. Contractor agrees that no inmate telephone shall be capable of receiving an incoming call and Contractor shall work with the local exchange carriers (LECs) to ensure such control.
- J.** The ITS, upon detection of a three-way call, shall have the capability to flag the call as a three-way call in the call detail records, and in addition, the ITS shall have the capability to terminate the call immediately. Contractor shall keep WDOC updated on its progress in enhancing that ITS three-way detection and termination technology.
- K.** The ITS shall have the ability of answer detection.

L. The ITS shall incorporate keyword search technology.

M. The ITS shall have a fraud prevention feature. This feature will randomly interject pre-recorded announcements throughout the duration of the conversation to the called party indicating the source of the call. The inmate must not be able to interfere with these announcements.

N. The ITS shall be capable of denying certain telephone numbers from inmate dialing.

O. The inmate's call shall be muted until the called party has positively accepted the collect, debit or pre-paid call; however, the inmate should hear the progress on the called party side.

P. The ITS shall be capable of limiting the length of a call, providing the dial tone at certain times of the day and allowing a maximum number of minutes or seconds per inmate, per month. Call time limits for the Facilities are detailed in **Attachment B**.

Q. In all circumstances, the ITS shall limit the inmate to a single call request. The ITS shall always require the inmate to disconnect the call in progress and initiate another call.

R. ITS shall have the capability to detect and terminate Remote Call Forwarding calls whenever Contractor develops such technology.

7. Personal Identification Number (PIN) Application:

A. The PIN application shall work with the ITS using all of the features described herein.

B. The ITS shall have the capability to provide collect, debit, and pre-paid station-to-station calling utilizing a PIN.

C. The ITS shall be capable of providing Allow Lists (PANs) associated with each PIN. The PANs shall store a set quantity of allowed telephone numbers for each inmate. Attorney numbers included on inmate PANs shall be marked as "do not record."

D. Contract shall be responsible for transferring the PIN and PAN information stored in the inmate telephone system currently being used at the Facilities at no cost to WDOC.

E. The ITS shall be capable, upon request by WDOC, to provide specific information for tracking inmate calling activities and calling patterns

by individual telephone numbers. The following reports shall be available for monitoring purposes:

- i.** PAN Lists by PIN (inmate) or identifying number; and
- ii.** Calls by PIN (inmate) or other identifying number.

F. The ITS shall have the capability to generate PINs for inmates through the inmate telephones using the inmate number, Book IN number, random number generated by the ITS, or some number unique to the inmate.

G. The ITS shall have the capability to interface with the WDOC's booking system in accordance with Contractor's standard file transfer formats so that the inmate PIN can be automatically transferred to the ITS. If the automated method is selected by the WDOC, the Facilities shall not be responsible for entering PIN numbers into the ITS when new inmates are booked.

H. The PINs and PANs shall be stored in a database that is accessible to designated users, depending upon the user's password level. The ITS shall display if a phone number entered is an active entry for any other inmates.

I. The ITS shall include, at a minimum, an alert system that will detect and prohibit an attempted call made to a restricted number, an attempted call using a restricted PIN, or an attempted call made from a restricted telephone.

J. The ITS shall store inmate information in a central storage location so inmate information is available to any of the Facilities without WDOC administrative staff being required to re-enter inmate information.

K. Once an inmate is activated in the ITS, the inmate shall be allowed to complete calls from any Facility listed in **Attachment B** without any additional administrative work from the WDOC personnel at any Facility. However, a PIN shall not be allowed to be used at two different Facilities on the same day.

L. PAN lists shall be stored in a central location so the PAN information does not have to be transferred by the administrative staff of any WDOC facility.

M. The ITS shall be capable of documenting the date/time when an individual PIN or PAN entry was added or modified in the ITS and document the user making the change.

8. Monitoring and Recording Requirements:

A. The ITS shall be capable of permitting full monitoring and recording of all calls from any telephone station within the Facilities unless there are restrictions that prohibit the recording and monitoring of certain calls such as attorney-client restrictions. The ITS shall have the capability to exclude those calls.

B. The Contractor shall provide remote access to the WDOC central office in Cheyenne, WY, enabling WDOC to access any of the call recordings completed at any of the Facilities. The remote access shall also include access to any and all call recordings stored at any of the Facilities, plus access to those calls recordings stored at the central office in Cheyenne, WY.

C. The ITS shall comprehensively record all calls at the Facilities. The ITS must provide a fully integrated recording component for use in recording inmate telephone calls. At a minimum, authorized users shall have the capability of playing back a recorded call. Inmate telephone administration, conversation monitoring, and conversation recording and playback should all be capable of taking place from the inmate telephone system workstation at each Facility and the WDOC central office located in Cheyenne, WY.

D. All inmate call recordings shall be stored online for the life of the contract and shall be stored offline indefinitely. Failure by Contractor to store call recordings, or loss of call recordings, for the Facilities, shall result in a fine to be paid by Contractor to WDOC of three thousand dollars (\$3,000.00) per instance. WDOC or its Designated Agent shall provide Contractor an invoice for the total fine due, for which Contractor shall remit payment to WDOC within thirty (30) days. All call detail records shall be collected and stored real time at a central, secure location and at an off-site backup.

E. ITS shall provide the capability to email and/or copy the conversations onto a compact disc (CD/DVD) or other electronic medium in audio or MP3/data format with tamper free capabilities for transport and replay on any computer with audio capabilities. The storage device shall be provided by the Contractor and be located in the area designated by WDOC. The ITS shall produce transfer recordings with virtually no loss in quality and shall be capable of placing an audio time and visual date stamp within the recording. The storage device shall have a monitor amplifier and speaker so the Investigator may confirm accurate transfers of the recorded information.

F. The recorded conversations stored in the system must provide security measures to ensure that the conversations have not been tampered with. This security must extend even to recordings that have been transferred to external CD, DVD medium and/or transmission by e-mail. The

Contractor must provide expert testimony regarding security of the call recordings if required at no cost to WDOC. The transferred record must include all call record detail available in the ITS (time and date of the call, PIN number, destination number, etc) of the recorded conversation.

G. The monitoring and recording of calls shall be selectively programmable by one or all of the following:

- i.** Inmate telephone;
- ii.** Housing unit;
- iii.** Start and stop time and date of call;
- iv.** Called number; and
- v.** PIN

H. The ITS shall utilize current technology in hardware, specifically hard disk drive arrays for long and short term storage. These arrays shall be configured for maximum performance.

I. Offline storage shall not utilize any type of tape or tape cartridge. Offline storage shall be readily accessible and shall not require WDOC to load or change out any media.

J. ITS shall be capable of attaching a note document to any call record to include information such as case number or other investigative data. This note shall be a permanent part of the call record and shall have the capability to be saved to disk. The ITS shall have the capability to save all notes in word processing programs as Microsoft Word with the original formatting. Additionally, the ITS shall have the capability to conduct searches on the information contained within the notes i.e. case number, inmate name etc.

K. The ITS shall record the method in which the call was accepted or denied. Further, the ITS shall record the method in which the call was terminated. This information shall be contained within the call detail records (CDR) and shall be included in call detail reports.

L. The ITS shall be capable of showing real time call activity (Live Monitoring) on any workstation or remote access computer. This activity shall be detailed by the date of call, start time of call, stop time of call, originating telephone station number, called number and PIN (inmate).

M. The ITS shall allow administrators to search for calls completed and recorded during a specific time period, originating telephone station number, called number, calls with pre-defined "keywords", or calls made by phones assigned to a certain group. Playback of online recorded calls from remote access locations shall commence within ten (10) seconds of

selection by the operator. Playback of online recorded calls shall not require any media change. Offline records should be accessible in a rapid manner and shall not require the ITS equipment to play the calls back.

N. The ITS shall allow the manual set up of the monitoring and recording connection on an as-needed basis on any of the workstations provided by the Contractor located at the Facilities. The ITS shall have the capability to select a particular telephone number for recording or monitoring while a call is in progress.

O. The ITS shall have the capability of automatically calling and alerting investigators and offering live monitoring of calls by tagging specific dialed numbers or PINs. Monitoring shall not be detectable by the inmate or the called party and the ITS should be able to allow multiple end-points to monitor ongoing conversations. The recording system shall allow for live monitoring of calls in real time, without any interference to existing recording operation. This feature should be available locally over the workstation speakers, as well as remotely to a telephone number specifically designated by the system administrator. Additionally, the WDOC shall have the capability, while monitoring, to terminate the call from the phone keypad.

P. All recordings for each Facility shall be available online via the ITS workstation interface so that system-wide investigations may be performed from a central location at any WDOC Facility and the WDOC central office. This process shall not require more than one login by an authorized user.

Q. The ITS shall allow an administrator to designate "Hot" PINs or "Hot" destination numbers. When the ITS detects that a call is being made using any of the preprogrammed Hot PINs or Hot destination numbers, the ITS shall automatically call certain destination numbers designated by the WDOC. The ITS shall allow system administrators to add or remove destination numbers from the hot list table. These designated numbers should include any standard phone number, cell phone and/or pager. When WDOC personnel receive an alert call from the system, the ITS shall promptly notify the recipient of the alert and the recipient will be instructed to enter a security code which will immediately enable the user to monitor the live call in progress. The recipient should be undetected by the inmate or called party; however, WDOC should have the capability to disconnect the call or cut into the call and talk to each party. Alerts to pagers must include information including number being dialed, PIN used, etc. The ITS shall allow the chain of three (3) numbers to be called in sequential form to alert Facility personnel.

R. The ITS shall provide for simultaneous playback of recorded calls as well as continuous recording of live conversations. It is mandatory that the playback of any selected channel must be accomplished while continuing to

record all input channels. The recording system must provide users with the ability to search for recorded calls by individual PIN, specific date and time criteria, individual destination numbers, individual inmate telephones, or a group of inmate telephones. The system shall provide a playback history list of all recorded call(s) to determine every user that has listened to the recorded call.

S. The ITS shall provide for continuous online diagnostics and continuous supervision, as well as local remote offline system control access for advanced programming and diagnostics. Access to the built-in advanced diagnostics and program control shall be accessible by service center personnel and shall provide failure reports, service history and other diagnostics.

T. The ITS shall have the capability to copy the conversations onto a compact disc (CD), DVD, email or other electronic medium for transport and replay on any computer with audio capabilities. The storage device shall be provided by the Contractor and be located in the area designated by WDOC. The storage device shall produce transfer recordings with virtually no loss in quality and shall be capable of placing an audio time and date stamp within the recording. The storage device shall have a monitor amplifier and speaker so that the Investigator may confirm accurate transfers of the recorded information.

U. Time and date entries for each recorded conversation shall be displayed on a per channel basis. The ITS shall display all conversations in chronological order to facilitate research and playback.

V. Contractor shall provide WDOC with a number of workstations as specified in **Attachment B**, working real-time with the ITS for such monitoring, recording, and reporting. Each workstation shall include a CD/DVD burner.

W. The Contractor shall provide an uninterrupted power supply source to ensure there is no loss of recordings or real time call data in the event of a power failure.

X. Conversations shall be recorded on visitation phones for the facilities shown on **Attachment B**.

9. Pre-Paid and/or Debit Application: The application shall include, but not be limited to, the following:

A. The pre-paid and/or debit application shall work with the ITS provided.

B. The debit program shall interface with the current Cashless Systems (Cactas) software for ease of transfer of money from the commissary account to the inmate ITS account.

C. The pre-paid and/or debit applications shall allow for pre-payment to a specific inmate's account by an inmate or a member of inmate's allowed calling list.

D. The ITS shall provide the inmate with the balance of their pre-paid and/or debit account at the time of each call.

E. The pre-paid and/or debit application shall allow international calls.

F. The pre-paid and/or debit application shall have the capability to terminate an account and refund income to the inmate or participant on the inmate's allowed calling list at no additional cost and at the time the inmate is released/transferred from the Facilities. Contractor shall not be allowed to keep any money deposited in a debit account or in a pre-paid collect account upon termination of this Contractor. All monies shall be returned to the individual inmate or end-user at the termination of the account or six (6) months of no activity, whichever comes first and in accordance with unclaimed property laws.

G. WDOC elects to implement Contractor's Call Center Debit program upon the Effective Date of this Contract, which will allow inmate friends and family to deposit funds into an inmate's debit account enabling inmates to call any WDOC-approved telephone number. The amounts of the funding and refund fees approved by WDOC are specified in **Attachment B**.

H. The pre-paid and/or debit calling rates may be lower than the collect calling rates as detailed in **Attachment B**.

10. Training:

A. Contractor shall provide training to WDOC's staff at the location where the equipment is installed. Additional training may be requested by WDOC at any time during this Contract and the additional training shall be provided at no cost to WDOC. Training manuals shall be provided at no cost to WDOC's staff at all training meetings. The training manuals will become the property of WDOC.

B. Informational pamphlets shall be available for inmates relative to the applicable features and functionalities of the ITS, when requested by WDOC.

C. The Contractor's training manual shall include, but not be limited to:

- i. A description of the SourceCheck 411 technology;
- ii. A description of the process for accessing all call recordings;
- iii. The process for creating, exporting and transferring case files;
- iv. Information on the type of media player required to playback call recordings; and
- v. User security levels available, as well as the permitted tasks for each security level.

11. Transition:

A. Upon expiration, termination, or cancellation of this Contract, Contractor shall cooperate and work with WDOC, its Designated Agent, and the new Contractor to ensure an orderly transfer of responsibility and/or the continuity of the services required under the terms of this Contract to an organization designated by WDOC. Contractor shall provide and/or perform any or all of the following responsibilities:

i. Contractor agrees that the call records, call recordings, documentation, reports, data, etc., contained in the ITS are the property of WDOC and shall be provided to WDOC in a workable, software-compatible format at no cost to WDOC within fifteen (15) days following the expiration, termination or cancellation of this Contract. Contractor agrees that one (1) workstation shall become the property of WDOC at the expiration, cancellation, or termination of this Contract so that WDOC will have access to all call records, documentation, reports, data, etc. that are contained in the inmate telephone system.

ii. Contractor shall discontinue providing service or accepting new assignments under the terms of the Agreement, on the date specified by WDOC. Contractor agrees to continue providing all of the services in accordance with the terms and conditions, requirements and specifications of the Contract for a period not to exceed ninety (90) calendar days after the expiration, termination or cancellation date. Commissions are applicable to any and all calls handled by Contractor and will be due and payable by Contractor to WDOC at the compensation rate and terms provided in this Contract until collect, debit and/or pre-paid calls are no longer handled by Contractor.

B. All inside wiring shall become the property of WDOC at the conclusion of the Contract. Contractor agrees to remove its equipment at the conclusion of the Contract in a manner that will allow the reuse of the cabling/wiring distribution and following the installation of the new provider's system in order to ensure a smooth transition.

12. Maintenance:

A. The Contractor shall provide the necessary labor, parts, materials, and transportation to maintain all proposed telephones in good working order and in compliance with the equipment manufacturer's specifications throughout the life of this Contract. No charge shall be made to WDOC for maintenance of the ITS.

B. The Contractor will be responsible for supplying all CDs/DVDs for the storage of call recording at no cost to WDOC and for the life of the Contract.

C. The Contractor shall maintain all cable dedicated to the ITS, whether reused or newly installed.

D. The Contractor shall respond to repair requests from WDOC or its Designated Agent by arriving at the site promptly after reasonable notice has been given on a twenty-four (24) hours a day, seven (7) days a week basis, 365 days a year.

E. Repairs or replacements shall be started by a qualified technician within four (4) hours following notification of a service request or ITS failure. The Contractor must exhibit to WDOC a best effort approach to completion of the repairs or replacement during the first twenty-four (24) hours following notification of a problem. WDOC, and/or its Designated Agent, shall be notified of the technician's arrival onsite prior to technician's arrival, progress and/or delays in progress until the problem is resolved. Contractor shall provide WDOC and its Designated Agent a complete list of business, cellular and pager numbers. Contractor's management home and emergency telephone numbers must also be furnished. Contractor shall provide WDOC and its Designated Agent with a copy of current repair procedure policies for both normal maintenance and emergency outages.

F. Contractor shall be responsible for resolving any service problem(s) within ten (10) days of receiving notice of the service problem (s) from WDOC or its Designated Agent ("Cure Period"). Additionally, if any reported service problem is not resolved within the Cure Period, WDOC shall have the right to terminated this Contract.

G. A complete list of contractors/subcontractors, managers, administrators, technicians, etc. must be provided to WDOC. This includes a complete list of business, cellular and beeper numbers; the Contractor's management home and emergency telephone numbers must also be furnished.

H. Either party shall report to the other party any misuse, destruction, damage, vandalism, liability, etc. to the ITS. Contractor will assume liability for any and all such damages. In addition, Contractor shall ensure that all inmate telephones are operable and maintained at an acceptable level.

I. All issues surrounding the ITS service shall be reported by Contractor to WDOC or its Designated Agent promptly.

13. Performance Process: Contractor shall adhere to the following Performance Process when upgrading the ITS software and equipment, or performing any changes to the ITS at the Facilities. Any deviation from this process shall result in a fine or penalty to Contractor. Such fine or penalty will be equal to no less than three hundred dollars (\$300.00) per occurrence or equal to any fine imposed by the agency supplying the inmates, whichever is greater. The fine or penalty shall be due and payable by Contractor upon receipt of written notification from WDOC, or its Designated Agent, of the total amount due.

A. Contractor shall provide WDOC, or its Designated Agent, thirty (30) days written notice of a change or upgrade to the ITS. However, this does not apply to emergency change control.

B. Contractor shall perform extensive testing on all system changes or upgrades prior to discussing with WDOC or its Designated Agent. At a minimum the extensive testing shall include:

i. Extensive testing on a system identical to the existing system at the Facilities.

ii. Analog, Data, and Circuit testing.

iii. International call testing.

C. Contractor shall provide written detailed information about the change and/or upgrade, specifically identifying additional features and functionalities said changes shall provide the Facilities.

D. Contractor shall receive written notification from WDOC, or its Designated Agent, before scheduling or proceeding with any changes to the ITS at the Facilities.

E. Upon receiving WDOC's approval, Contractor shall provide the Facilities with written instructions for the inmates of changes to any voice prompts or calling procedures. Such instructions shall be provided in English and Spanish, and any additional languages requested by WDOC, and posted throughout the Facilities.

F. Customer, at its option, shall have a minimum of two (2) weeks to notify inmates at Customer's Facility of any ITS changes that are going to specifically affect the inmates.

G. Contractor shall coordinate a convenient time and day with WDOC to implement the changes or upgrades to the ITS to avoid disruption. Contractor shall work with WDOC and/or its Designated Agent to schedule the changes or upgrades during a time when the telephones are not being used regularly by the inmates to avoid disruption.

H. Contractor shall coordinate a technician to be on site the day of implementation to place test calls and ensure the ITS is functioning correctly.

I. All changes or upgrades shall be made by Contractor as identified in **Attachment A, Section 1** and **Section 13** and at no cost to WDOC.

J. Contractor shall provide 24/7/365 customer service support through a customer support center.
