Quadrum Telecom 6Q Prison Phone  
Offers Maximum Security Features

# A "Tough Guy" Payphone That's In For Hard Labor

Quadrum Telecom's "Tough Guy" security phones are built to work harder, last longer and stand up to more abuse than any other prison phones you can buy. The 6Q features a smaller design with 15 gauge steel housing, short, 18" handset cord and all the security of our larger phones that have earned Quadrum Telecom's reputation for durability.

Options on the 6Q include confidencer-style background noise eliminator handset, and a choice of stainless steel or painted housing in standard Bell blue, black or a selected range of other custom colors.

All Quadrum Telecom security phones are designed for compatibility with local telephone company central office and private service provider switches and smartboards.

## 2 Year Warranty

The best warranty in the business guarantees we'll be your prison phone supplier for life. Put an end to prison phone breakdowns with the Quadrum Telecom 6Q or any of the phones in the "Tough Guy" lineup for the prison market.
