Dear, chairman Genachowski

This is a public comment for the wright petition (cc docket #96-128). My name is Franklin Lopez inmate # J03587 currently residing in SCJ-Somerset 1600 Walters Mill rd. Somerset, Pa 15510 having a (10-20) ten through twenty years to do in prison with just only 1 year in. From Somerset, Pa I have to make a call to New York city which cost me almost (\$11.00) eleven dollars. Now I only get paid (.24¢) twenty four cents an hour take away rear child support that I owe. My family can not afford to visit (1) once a month or so, and my childrens ask my family why I don't call them. It is hard to explain an (8) eight year old, a (5) five year old, and a (4) four year old why I can not call them. Especially when I have rights to do so. If by any means necessary can you please lower the cost of phone call to across state or country? It was a pleasure to wright to you guys

Re: Public comment for The Wright
petition (CC Docket # 96-128)

I pay 23¢ a minute and since I
am 1600 miles from home and don't get visits
I call my house 4 times a week. My mother is
82 years old and I have a 17 year old son and
they need to hear from me to make sure I am ok.
23¢ a minute adds up very quickly especially
since I am paid 12¢ an hour at my job here.
I spend a total \$50 a month to speak to my mother,
son, and siblings via phone and email.

Also if we try to buy a less expensive
phone service (ie freedomline) we are given incident
reports because they allege that the local numbers
freedomline issues out are in violation of Rules because
they circumvent the system. When in fact these phone
companies are virtual telephone companies that offer
us the opportunity to call home for 6¢ a minute. I have
spent thousands of dollars in over priced food items
and even more in trying to stay in touch with
family and friends. By putting me in jail they destroyed
my social network enough without over charging me to
talk to my elderly mother and only son. I Ask You
to please advocate on our behalf ~~since~~ we can't be
there. Its not fair to continue to be punished.

Sincerely

and if any question please don't be
afraid to contact me back. Thankyou!

Sincerely,

FRANKLIN
